Your local fire department would like to send out a big THANK YOU to everyone who attended and supported this year Sparkle Tour held Dec 17th. To date it was one of our and your biggest attendance. Thank you to everyone for supporting YOUR town and YOUR fire department !!!

The fire department would also like to ask each home owner to please check that you have house numbers on your house and that they are placed so they are visible from the street. Please go out to the road and see if....that tree has grown and is now blocking them, is there light near them so they can be seen at night? Thank you so very much!!!

If you ever have any questions, concerns etc. regarding fire related topics, please don't hesitate to contact Chief Dave Campbell or any member of the department. You can also email us at balgoniefire@sasktel.net

Our department holds their monthly meeting the first Wednesday of each month and training the third Wednesday of each month. Wondering about firefighting, helping out in the community, getting involved? Please give us a call – Chief Campbell 306-771-2206 Remember you don't have to be a firefighter or a medical first responder to join us. We will teach and train you.

A message from the RM of Edenwold

RM prepares for March SARM convention

The RM of Edenwold council has passed a resolution to be presented at the SARM convention taking place in Regina March 14 - 16.

The resolution recognizes the importance of mental health services for volunteer firefighters. Previously the Saskatchewan Volunteer Fire Firefighters Association (SVFA) has engaged in a Critical Incident Stress Management initiative, supported by the Saskatchewan Association of Fire Chiefs and the Emergency Management and Fire Safety branch of the Ministry of Government Relations.

"We value the work of our local volunteer firefighters," says Councillor Tim Brodt. "We are aware that some call outs they attend to result in those volunteers helping at scenes and witness to incidents which can stay with them after the trucks have returned to the fire halls. We want to ensure they have the help they need so they can return whole and helped to their families and friends."

If passed by SARM delegates, the resolution would see a one-time per-capita levy of 50 cents collected from residents and placed in a fund in trust with the SVFA.

Little Libraries coming to Emerald Park

Free little libraries have been popping up all over North America for some time. The small libraries, mounted on posts in residential areas, are meant to help inspire the community, encourage reading and help to initiate conversations between neighbours. When the ground thaws, three Little Libraries will pop up in Emerald Park. People can leave books and borrow books from the libraries at any time. Residents are encouraged to post a selfie of themselves using the Little Library and post it on the RM of Edenwold Facebook page. For more information about the Little Libraries contact the RM office at 206-771-2522.

A Little Library being built. In spring, they will begin popping up in Emerald Park.

Sign up for eNotices

The RM of Edenwold offers residents the option to receive municipal eNotices and related information by email rather than post mail. To sign up, fill out the Email Consent Form and return it to the office. The form can be found on the RM website under the Administration tab at: <https://rmedenwold.ca/pub/documents/forms/Email%20consent%20form.pdf> or call the office at 306-771-2522 and the form can be sent directly to you.

DID YOU KNOW?...

The RM of Edenwold is the 18th largest municipality in the province in terms of population with a total population of 4,490. There are 1,509 occupied dwellings in the municipality including the rural areas and Emerald Park. That shows an increase of 8.7 per cent in growth from 2011, positioning the RM above the provincial average of 6.5 percent and the national average of 5.0 percent.

* according to the 2016 Census population data.

Reminder to Balgonie Residents:

Vehicles are not to be parked on the street for more than 24 hours, except weekends and holidays. If your vehicle is not used regularly, you must park it on your own property.

All vehicles stored on your property must be licensed and in good repair. Storage of unlicensed and junked vehicles on your property are considered to be a "nuisance" by Town of Balgonie Bylaws.

Taxes and utility bills may be paid electronically through your online banking website. The payments would be under Town of Balgonie Taxes and Town of Balgonie Utilities. (Do not choose Balgonie Water—this payee is a previous business and is not connected with the Town of Balgonie.)

Please contact the Town office to obtain your account numbers.

Electronic payments for utilities and taxes are a convenient way to pay your bills, but they are not instantaneous. Please allow **2-3 business days** before any due date so that your payment is received by our office before any penalties apply. The bank requires time to process the payment and advise the Town.

REMINDER:

Garbage and Recycling Carts are to be put out on the street on or BEFORE 7am, and brought in after garbage or recycling collection is complete. If carts are damaged before or after these hours, homeowners are responsible for the charges. As we are not the only town with these services, there is no specific time other than by **7:00a.m.** to be prepared for pick-up. If you miss pick-up because your container is **NOT** at the curb on time, it will be the owner's responsibility to dispose of the contents if required.

Loraas Bins

There will be Loraas bins available at the transfer station on the 1st and 3rd Friday of every month for town residents only. Our transfer station is equipped with security cameras, as well as a card reader. Fines have been laid for illegal dumping, and will continue to be laid to any person who violates these rules.

The TRANSFER STATION is electronically set up to provide our town residents with accessibility day or night. The Town of Balgonie offers these services on site at the TRANSFER STATION, but has the added responsibility to ensure that environmental regulations are followed. Municipalities can be fined for burning unapproved items and not disposing of things in the manner set forth by the Provincial Ministry of Environment and the Provincial Clean Air Act.

Recently, items have been left at the TRANSFER STATION which are not permitted. Please ensure that you read and understand what items are allowed and not allowed to be left at the TRANSFER STATION. Individuals who leave items which are not allowed will be required to clean up the improper disposal, and/or pay charges for the Town to remove the items. There is also a \$500 penalty for illegal dumping at the site. The transfer station cards can be cancelled at the discretion of the Council of the Town of Balgonie.

THE TRANSFER STATION IS NOT A GARBAGE DUMP!

The Transfer Station is a location where the following items can be left: Scrap Metal, Tree Branches and Grass Clippings (removed from the plastic bags) Compostable materials, Oil and Containers - There is an oil recycling center station where you are able to dump unused oils and their containers on the south side of the station.

The 1st & 3rd Friday of every month, a Loraas bin is delivered to the transfer station. This is for town residents to use for the items which are too large for the household carts. Please note, this is only to be used by Balgonie residents. Larger loads due to fence removal, renovation etc, should be taken to the Regina landfill.

If the bin is full or not at the site, do not leave items, take them to the Regina landfill.

Key cards, which are lost, should be reported to the Town Office. They will be removed from the computer system and a new card will be issued at a cost to you of \$25.00. If you are moving, please return the key card to the Town Office. Diabetes also have clothing bins to take donations.
