Just a friendly reminder that grass clippings and branches are not to be left in back alleys, put into your garbage containers or surrounding ditches. Please bag your clippings and take to the designated area at the transfer station, and remove the bags.

With the nice weather upon us, it's time to get our yards cleaned up and looking beautiful. Please remove all garbage, and unsightly items . Keeping grass cut, and weeds to a minimal helps to keep the town looking nice.

Yards that are not maintained will be sent letters from the Town asking to clean them up.

## ***June is Recreation & Parks Month***

**Whereas**, in Saskatchewan, we are fortunate to have a variety of recreation and parks systems providing countless recreational opportunities for residents and visitors from around the world; and

**Whereas**, recreation enhances quality of life, active living and lifelong learning, helps people live happier and longer, develops skills and positive self-image in children and youth, develops creativity and builds healthy bodies and positive lifestyles; and

**Whereas**, recreation participation builds family unity and social capital, strengthens volunteer and community development, enhances social interaction, creates community pride and vitality and promotes sensitivity and understanding to cultural diversity; and

**Whereas**, recreation, therapeutic recreation and leisure education are essential to enhancing the quality of life of individuals who experience living with a disability, or have become ill, or are disadvantaged; and

**Whereas**, the benefits provided by recreation and parks programs and services reduce healthcare and social service costs, serve to boost the economy, economic renewal and sustainability, enhance property values, attract new business, and increase tourism; and

**Whereas**, our parks, open space and trails ensure ecological sustainability, provide space to enjoy nature, help maintain clean air and water and preserve plant and animal wildlife; and

**Whereas**, all levels of government, the non-profit and voluntary sectors, and private enterprise throughout the Province participate in the planning, development and operation of recreation and parks programs, services and facilities.

**Now, Therefore be it Resolved**, that the Saskatchewan Parks and Recreation Association (SPRA) does hereby proclaim that June, which witnesses the greening of Saskatchewan and serves as a significant gateway to family activities, has been designated as *June is Recreation & Parks Month*, which will annually recognize and celebrate the benefits derived year round from quality public and private recreation and parks resources at the local, regional and provincial levels.

**Therefore**, TOWN OF BALGONIE (name of municipality/ organization), in recognition of the benefits and values that recreation, parks and leisure services provide, does hereby designate the month of June as *June is Recreation & Parks Month*.

# Greenall Griffins Update

A HUGE thank you to Unique Gardens for their donation to our High School!

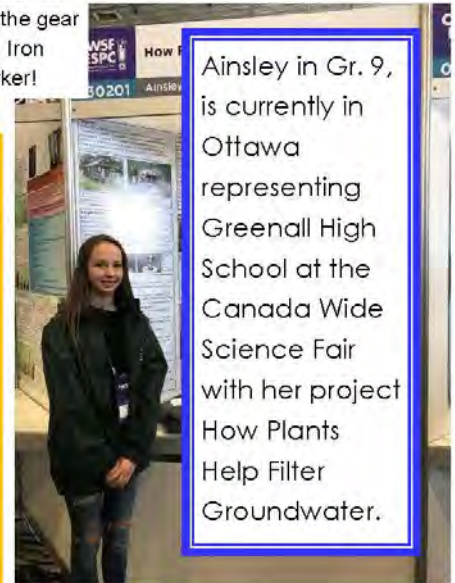

This was Greenall's 5th year competing in the SBTA High School Business Case Competition. Ms. McFarlen accompanied the students to the competition took place at the Sheraton Hotel and U of S in Saskatoon. Michael Shorting, Anyka Faucher, and Kahrina Cameron represented Greenall while competing in the Personal Finance case. Students were given a case study and had only three hours to come up with potential solutions and an Implementation plan before presenting to a panel of judges.

Alyssa Russell tries out the gear of an Iron Worker!

At the Grade 9 Try a Career Day students learned about safety in the workplace, asked questions about potential career options and had hands on experiential learning.

Ainsley in Gr. 9, is currently in Ottawa representing Greenall High School at the Canada Wide Science Fair with her project How Plants Help Filter Groundwater.

Greenall's Extra-Curricular Drama group performed 2 scenes during the PVSD Arts Gala on Monday, May 14th. Students performed a scene from their one-act play called "The Moustache" and a scene from our fall production of "The Pink Panther Strikes Again". These scenes were performed at Riddell Theatre at the U of Regina.

We also took part in two workshops put on by PVSD. We participated in a Dramatic Arts workshop as well as a workshop on Storytelling and Storyboarding. We also were able to enjoy a Visual Arts display by Prairie Valley students.

Students enjoyed a day dedicated to the arts and an opportunity to perform in an incredible theatre space. We are, once again, pleased to have been included in such an enjoyable day.

## **A message from the RM of Edenwold**

### **About the annexation proposal**

The RM of Edenwold was informed May 15 that White City has put forward a proposal for the annexation of Emerald Park and other parcels of lands and estates including Park Meadows, Escott/Deneve, Meadow Ridge, Great Plains Industrial Park and Prairie View Business Park. RM staff and council will take time to review the proposal.

In the meantime, we have posted some information on our website about annexation and water/sewer and tax comparisons. A public engagement meeting is being hosted by the town June 6. If you have any questions or comments, contact us at the RM office at 306-771-2522 or your councillor <https://rmedenwold.ca/contact-us>

### **Big loads, new roads. RM meets with business owners and operators...**

Several businesses within the RM of Edenwold involve the service and sale of large and oversize equipment. With the new Highway 1 overpasses in place, the RM set up a meeting with the businesses involved in heavy or oversized hauling to talk about how roadways are being used. The meeting brought 20 business owners together with council members to talk and ask questions.

The object of the meeting was to gather feedback on the functionality of the road network and determine priorities for tweaks and changes to make everything work better for heavy truck traffic.

Among several concerns, the RM heard that, even with the overpasses in place at Pilot Butte and Balgonie, businesses are using the Highway 48 overpass and the RM of Edenwold roads from Highway 33 through to Viterra Road (aka Highway 624, Richardson Rd.) to South Plains Road and Great Plains Road to access businesses.

The RM will recommend that MOH and RBDB engage in a public awareness campaign to detail how the overpasses fit equipment and to let the driving public know how they can interact on those overpasses with oversized trucks and equipment.

### **Cannabis survey results**

Council has reviewed the results of the recent cannabis survey sent out to ratepayers and business owners. A summary will soon be posted on the RM website. Here is a short overview of survey results:

- 85.58% of respondents felt it was very important to consider protecting our youth
- 63.8% of respondents felt it was very important to consider the impacts of cannabis use/sales on adjacent properties.
- 49.23% of respondents felt that a retail stores should be located in industrial areas set back from highways
- 41.54% of respondents felt that a retail store should be located in high profile commercial districts in Emerald Park.

#### ***DID YOU KNOW?...***

##### **The RM of Edenwold pays recreation fees to White City and other municipalities.**

Grant money is paid to our municipal neighbours based on the number of facilities they have and the type of facilities available.

In 2018, those grant numbers break out as follows: Balgonie - \$25,600, Pilot Butte - \$15,000, White City - \$18,000, village of Edenwold - \$4,000 = total of: \$62,600

Over the last twenty years those grants represent hundreds of thousands of dollars.

The RM of Edenwold also pays library taxes to keep the local libraries (Southeast Regional Library branches ) viable. In 2017, that amounted to \$46,000 for the White City, Balgonie and Pilot Butte libraries.

And, as good neighbours, the RM has also kicked in \$21,000 for the White City library renovation (2017), \$30,000 (2013) for the football field at White City School and in 2012, donated \$1,500 for fencing and \$3,000 for a security camera at the White City Skate Park.

## Balgonie Volunteer Firefighters and First Responders

Did you know.....the Balgonie Volunteer Fire Department was first established sometime in the mid 1920's? In 1939 the first fire truck was purchased and in 1956 the first Fire Hall was built. We believe the first Fire Chief was Isaac Curry. In 1983 the Balgonie First Responders were formed and became another facet of the fire department. Over half of our members are dual trained, fire and medical. Our medical first responders take a 40 hour course, as a minimum to become a first responder, with most of our crew trained to a higher level.

Since the beginning of the fire department, we have responded to over 2000 calls for service. As volunteer firefighters, we take the same training that career firefighters take, it just takes us longer. We respond to structure fires, car fires, car accidents, diabetics, heart attacks, head injuries, sprains, broken hips, floods, wind storms, grass fires, plane accidents....well pretty much everything 😊. When you call 911, your call is answered in Prince Albert by the Sask 911 operators. As they take your request for help, they are dispatching the appropriate help. The firefighters and medical first responders of your community receive activations via their cell phones by a text and phone call.

*These are your Volunteer Firefighters and Medical First Responders:*

*Chief Dave Campbell, Joel Anderson, James Bliss, Garrad Blyth, Eric Bone, Kelsey Bone, Kendra and Reagan Coppicus, Jesse Edwards, Courtney Edwards, Kurt Fuchs, Marcus Kemp, Jerold Kitzul, Twyla Kitzul, Dave Laing, Brenda Lapchuk, Doug Lapchuk, Michael Lapchuk, Mitchell Lapchuk, Morgan Lapchuk, Mackenzie Lapchuk, Dwayne Meier, Larry McIvor, Joanne Romich, Darcy Selinger, Harrison Selinger, Bill Stone, Little Barry, Garth Tomaschefski, Jason Williams, Trevor Wasilow, Justin Young, Kelsey Szeles, Miranda Zummack, Sean Laing.*

*We are always there for you.*
