## **TOWN COUNCIL MEETINGS**

Are open to the public. They are regularly scheduled on the 2nd and 4th Mondays of every month starting at 6:15 p.m. in the Council Chambers of the Balgonie Administration Building.

**Council meetings are scheduled for June 12th & 26th.**

**\*\*\*date subject to change\*\*\***

## **ELECTRONIC PAYMENTS:**

Taxes and Utility bills may be paid electronically through your online banking website.

The payments would be under Town of Balgonie Taxes and Town of Balgonie Utilities.

(Do not choose Balgonie Water—this payee is a previous business and is not connected with the Town of Balgonie.)

Please contact the Town office to obtain your account numbers.

Electronic payments for utilities and taxes are a convenient way to pay your bills, but they are not instantaneous. Please allow 2-3 business days before any due date so that your payment is receipted by our office before any penalties apply. The bank requires time to process the payment and advise the Town.

## **RECREATION NEWS**

The soccer and ball seasons are well underway. If you still need to register for lessons please go to the new Town of Balgonie Website. The soccer tournament will be held in June in White City.

This is a reminder to the soccer parents who park their vehicles behind the out field fence at the Sportsground. We have a lot of ball teams who play out there most evenings and there have been numerous home run balls that are hit in the direction of the vehicles. Please do not park your vehicles there unless you want a broken windshield or dints in your car.

Ball Hockey is taking place in our arena almost every night. Check out a few games of this sport if you wish.

The Pool is scheduled to be open on Saturday June 10th if all goes well. Swimming registration will be Sunday June 4<sup>th</sup> @ the Balgonie Multiplex from 11a.m.-2 p.m. Stay tuned for more details.

Good luck to all ball teams heading into playoffs and Provincials!!

**HAVE A GREAT MONTH!**

## TENT WORMS

Got worms? Some residents have reported large clusters of caterpillar larvae nesting in threes around town. The caterpillars will not kill the trees they nest in, they eat the leaves until they cocoon in mid-June. The trees affected will re-leaf once the caterpillars become moths.

Please visit this link to find out more:

<http://www.environment.gov.sk.ca/adx/asp/adxGetMedia.aspx?DocID=1dc108e5-58f5-479a-b78e-e50e6bb5cbb&MediaID=ad2c33ea-6c8f469095afe-aa56f9e80ac&Filename=Forest+tent+caterpillar+fact+sheet.pdf&l=English>

Out maintenance staff will be spraying the town the week of May 29<sup>th</sup>. If you have them on your property, a natural method to get rid of tent caterpillars is simply vegetable oil, or soap and water. Pour into a small spray bottle. Spray onto the caterpillar nest later in the evening when they have all come in to sleep for the night. It will kill them quickly because the insects breath through their skin. One they are coated in the oil or soap water, they can no longer breath.

Tent caterpillar larvae feed on the leaves of most deciduous threes and shrubs, but especially crab apples, ash, aspens and wild cherry trees.

## Drama Club

Join Balgonie Elementary School inside the Royal Palace gates in the faraway city of Agrabah, for the long-awaited production of Disney's Aladdin Jr. the Musical.

Over 50 students in grades 5-8 are involved in the production, which has been a product of over four months of work.

You won't want to miss the colourful and beautiful costuming, the intricacy of the props and backdrops, the professional lights and sound, and the lovely musical renditions of your favourite songs, including: A Whole New World, Prince Ali, and Friend Like Me.

You don't need a Genie to make your wish come true...just come and see the show!

Shows are: May 30, 31, and June 1 at 7 PM in the BES gym. Doors open at 6:30PM.

Tickets are \$5 per person, and 5 and under Free.

## Pioneer Days

Grade 2MW had a Heritage/Pioneer day on May 12<sup>th</sup> and it was a huge success! The children spent the morning making candles, beef jerky and rag dolls, playing pioneer games and even churning butter in a real butter churn! In the afternoon, they did arithmetic on slates, learned some old time dances at our box social and got some exercise by rolling hoops on the playground! What fun!

## **A message from the RM of Edenwold**

### **Fire agreements signed**

At the May 9 council meeting, fire protection and emergency services agreements were signed with our urban neighbours the Town of Balgonie, Town of Pilot Butte, Town of White City and Village of Edenwold. "By signing these agreements we were able to move past the interim agreements and finalize things for 2017," says Chief Administrative Officer Kim McIvor. "We have been working hard as a group to come up with a fair and equitable way to share the costs of providing fire and emergency services to all residents and business communities within the White Butte region." The Town of White City will receive: \$88,433, the Town's Balgonie and Pilot Butte have both been allocated \$55,000 and \$15,000 will be paid to the Village of Edenwold for 2017. The signed agreements represent many months of discussions and negotiations with the White Butte Fire Commission members and the fire chiefs. A long-term agreement is still in the works. "We are very pleased to work with and support the committed volunteers of the local fire departments and their members who are willing to help their communities in the times they need them the most," says McIvor.

### **Community engages in Official Community Plan**

RM Planners Jana Jedlic and Paige Phillips gave council an overview of the findings from early community engagement meetings and the survey tool used to update the RM's Official Community Plan and Zoning Bylaw. "We heard a lot of different feedback, depending on the area of the RM the residents were from," says Jedlic. The key emerging themes are: ensure compatible land uses, protect and maintain of the character of residential subdivisions in Emerald Park and acreage developments, encourage and support the development of more recreational amenities, protect prime agricultural lands, improve signage for roadways and business districts and address drainage issues in some areas. "We are going to go back to the business community with a newly developed survey," explains Jedlic. "We want a deeper response base from that sector of the RM." Over 200 residents engaged in the survey process through attendance at meetings and filling out the survey.

### **RM of Edenwold Canada 150 Legacy Tree project**

1,700-plus seedlings were delivered May 16 and 17 to elementary schools in Balgonie, Pilot Butte, the Village of Edenwold, White City and Emerald Park as part of the RM of Edenwold Canada 150 Legacy Tree Project. Governments of Canada and Saskatchewan support \$6.4-million expansion of Balgonie wastewater system

**Balgonie, Saskatchewan, May 23, 2017** — The governments of Canada and Saskatchewan are committed to investing in local infrastructure that provides Canadians and their families with access to modern, reliable water and wastewater services that meet their needs. These investments safeguard the health and well-being of residents, protect provincial waterways and preserve local ecosystems.

Today, the Honourable Ralph Goodale, Minister of Public Safety and Emergency Preparedness, on behalf of the Honourable Amarjeet Sohi, Minister of Infrastructure and Communities; and Don McMorris, Indian Head-Milestone MLA, on behalf of the Honourable Donna Harpauer, Minister of Government Relations; announced funding for an estimated \$6.4-million expansion for the Town of Balgonie's wastewater system to better serve the community and position it for growth.

The governments of Canada and Saskatchewan will each contribute up to \$1.5 million toward the project through the New Building Canada Fund's Provincial-Territorial Infrastructure Component – National and Regional Projects (PTIC-NRP). The Town of Balgonie will fund the remainder.

The project includes expanding the existing sewage lagoon and irrigation system, along with related works, that will improve the overall wastewater system and benefit the environment. Once completed, the project will support economic and population growth in the community, providing services for 6,000 potential residents. Construction is expected to begin as early as this summer.

## Quotes

"The investments in infrastructure we are making will benefit Canadians for years to come: creating economic growth and middle-class jobs now, while laying the foundation for durable growth in the future. This project will protect the local environment in Balgonie and support the community's growth for decades to come."

*The Honourable Ralph Goodale,  
Minister of Public Safety and Emergency Preparedness,  
On behalf of the Honourable Amarjeet Sohi, Minister of Infrastructure and Communities*

"The Government of Saskatchewan is committed to investing in key infrastructure that will position communities for growth and improve our citizens' quality of life by improving local wastewater systems to keep our great province strong."

*Don McMorris,  
Indian Head-Milestone MLA,  
On behalf of the Honourable Donna Harpauer, Minister of Government Relations*

"The Town of Balgonie certainly appreciates the funding from the federal and provincial governments toward this important project, which is needed so our thriving community can continue growing, as our existing wastewater system is near capacity."

*Frank Thauberger,  
Mayor of Balgonie*
