

Talk of The Town

CONSTRUCTION, ROADS, TRAVEL TIMES AND CONDITIONS

The Regina Bypass team is working hard at completing the work on the bypasses, which will make driving safer for all of us. Until the time of completion, there will be speed reductions, one lane traffic and some confusion. This will be a confusing time for all of us as we learn the roundabouts and getting comfortable with our new surroundings. Once available, we will post informational videos to our website pertaining to the overpass. Please take your time, and be considerate to those who are still learning this new way to get to and from town. Understandably, tempers may flare as the work is proceeding.

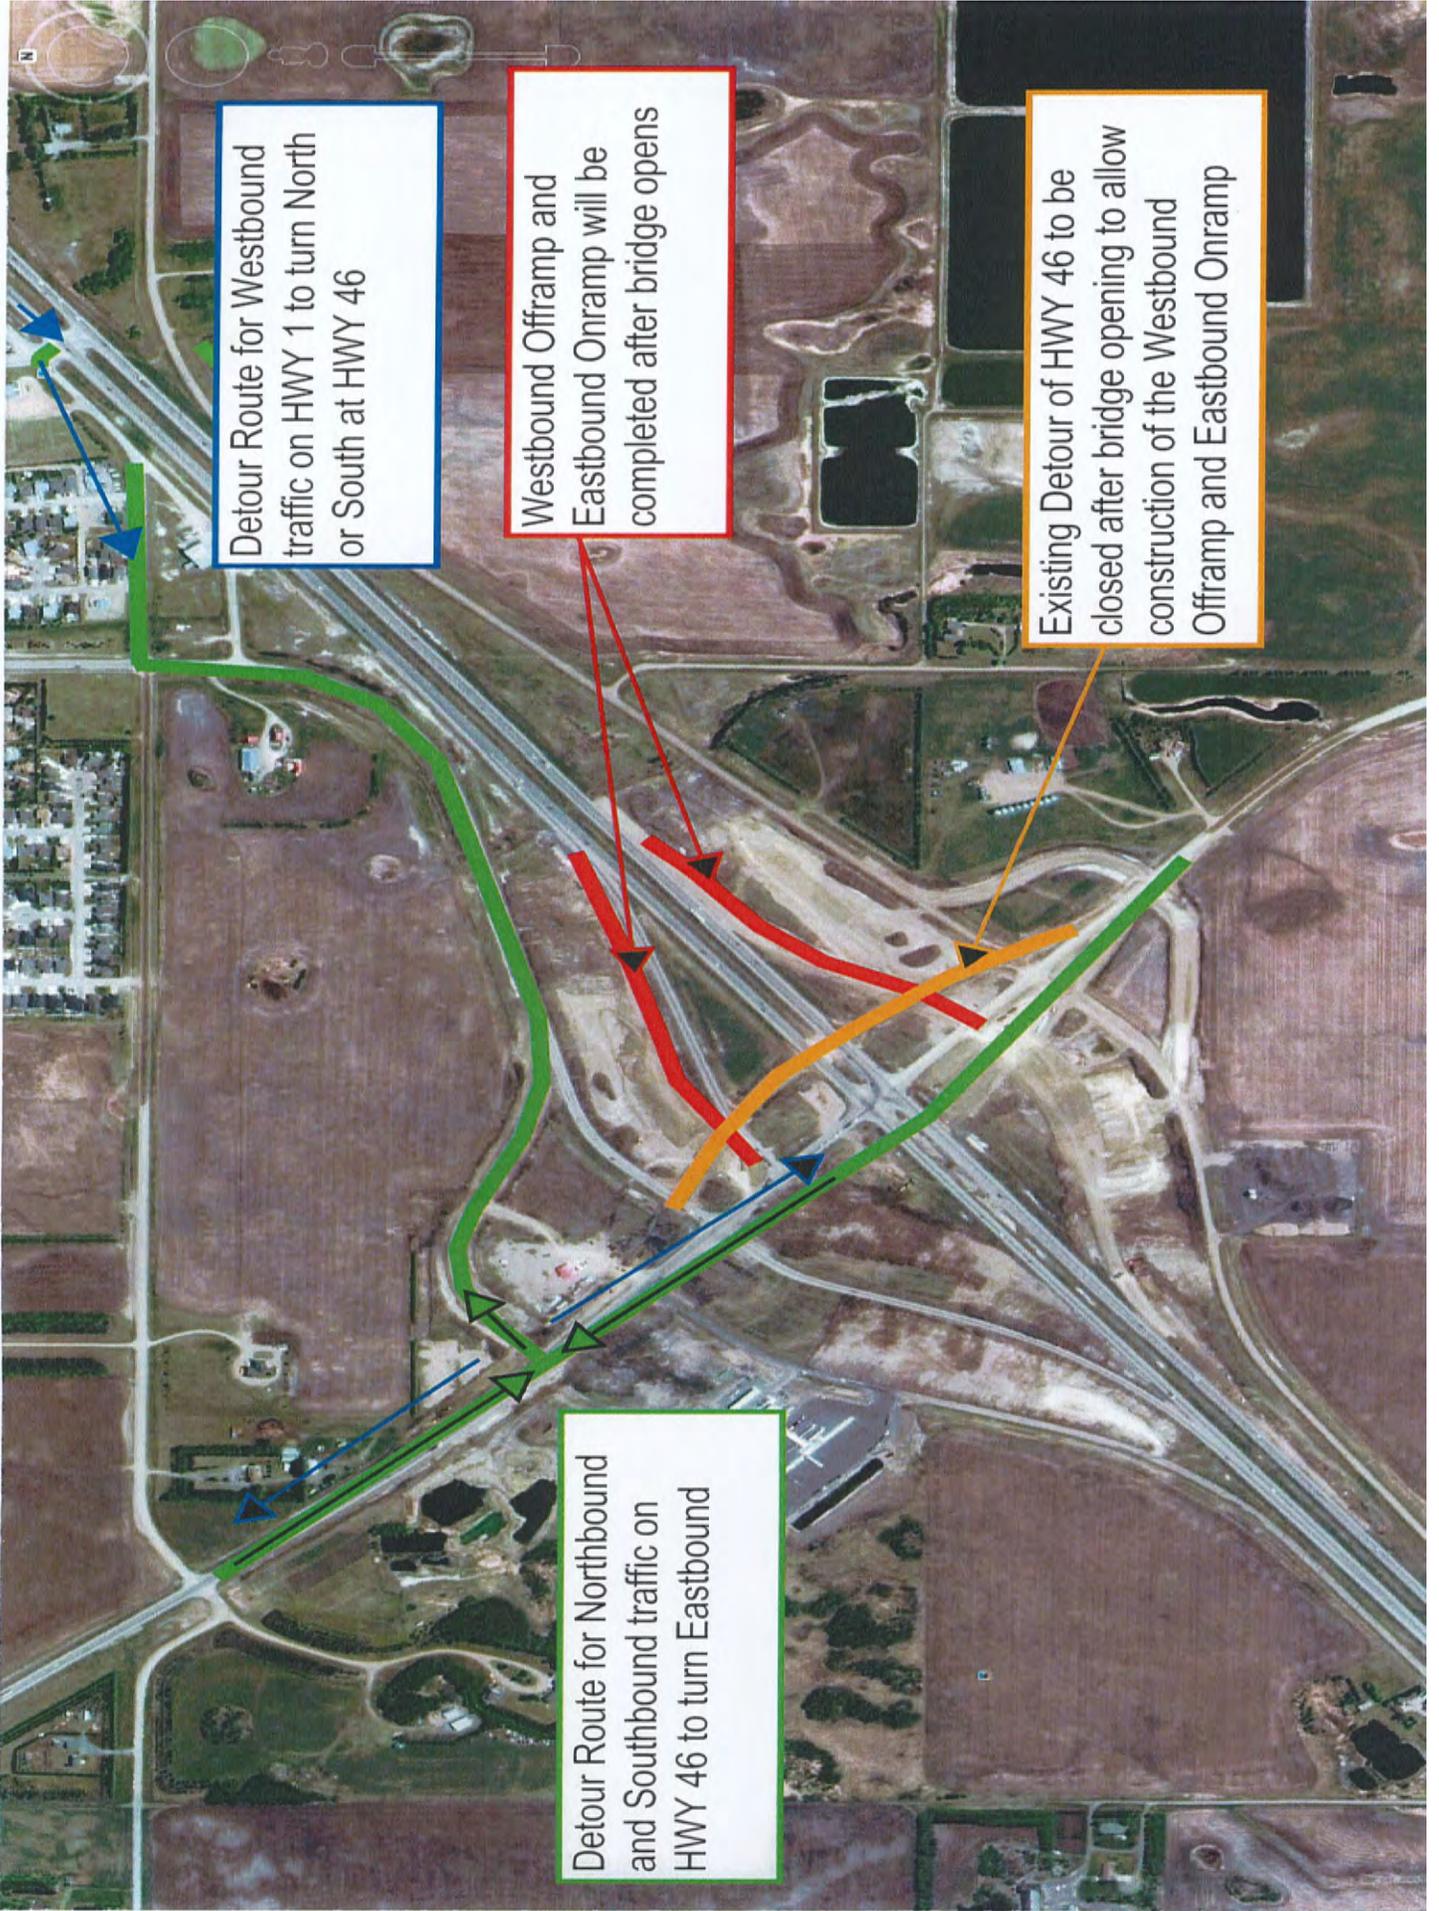

DETOUR STARTING JULY 24th

As the on and off ramps are being completed, the service road on the west side of town, towards the Baptist Church (behind McIlwaine's), through to Main street will be the access road while this construction is completed. Traffic from the highway will be detoured through town as per this route. Please ensure you take a few extra minutes on your commute. We ask for your patience, as this will see a heavy amount of traffic come through town. The construction seems like it has been going on forever, but the end is in sight! The difficulties of today will result in a safer and more efficient traffic corridor. Please see the map on the following page.

Things to keep in mind during this challenging period:

- *Expect delays
- *The reduced speeds are to prevent injuries to workers, and drivers alike.
- *If you must use a cell phone, use a hands free device.
- *Pay attention for new signage.
- *Show respect for those flag people working on the road.

The road construction workers do their part to keep you out of harm's way from heavy equipment and road hazards. However, they are vulnerable to passing traffic or distracted drivers. There is literally nothing between them and the thousands of pounds of steel in your vehicle. Please, do your part to keep them safe, as they are doing theirs to keep us safe.

Detour Route for Westbound traffic on HWY 1 to turn North or South at HWY 46

Westbound Offramp and Eastbound Onramp will be completed after bridge opens

Existing Detour of HWY 46 to be closed after bridge opening to allow construction of the Westbound Offramp and Eastbound Onramp

Detour Route for Northbound and Southbound traffic on HWY 46 to turn Eastbound

TRANSFER STATION

The TRANSFER STATION is electronically set up to provide our town residents with accessibility day or night. The Town of Balgonie offers these services on site at the TRANSFER STATION, but has the added responsibility to ensure that environmental regulations are followed. Municipalities can be fined for burning unapproved items and not disposing of things in the manner set forth by the Provincial Ministry of Environment and the Provincial Clean Air Act.

Recently, items have been left at the TRANSFER STATION which are not permitted. Please ensure that you read and understand what items are allowed and not allowed to be left at the TRANSFER STATION. Individuals who leave items which are not allowed will be required to clean up the improper disposal, and/or pay charges for the Town to remove the items. There is also a \$500 penalty for illegal dumping at the site. The transfer station cards can be cancelled at the discretion of the Council of the Town of Balgonie.

THE TRANSFER STATION IS NOT A GARBAGE DUMP!

The Transfer Station is a location where the following items can be left:

Scrap Metal

Tree Branches and Grass Clippings (removed from the plastic bags)

Compostable materials

Oil and Containers - There is an oil recycling centre station where you are able to dump unused oils and their containers on the south side of the station.

The 1st & 3rd Friday of every month, a Loraas bin is delivered to the transfer station. This is for town residents to use for the items which are too large for the household carts. Please note, this is only to be used by Balgonie residents.

Larger loads due to fence removal, renovation etc, should be taken to the Regina landfill.

If the bin is full or not at the site, do not leave items, take them to the Regina landfill.

Key cards, which are lost, should be reported to the Town Office. They will be removed from the computer system and a new card will be issued at a cost to you of \$25.00. If you are moving, please return the key card to the Town Office.

Diabetes also have clothing bins to take donations.

Local Student Qualifies to Compete at World's Largest Rodeo

Shelby Lockie, a twelfth-grade student at Greenall High School in Balgonie has earned a position on the Saskatchewan provincial National High School Rodeo Team and will be travelling with fellow teammates to Gillette, Wyoming, July 16-22 to compete at the 69th annual National High School Finals Rodeo (NHSFR) in the Queen competition.

Featuring more than 1,750 contestants from 43 states, five Canadian provinces and Australia, the NHSFR is the world's largest rodeo. In addition to competing for more than \$200,000 in prizes, NHSFR contestants will also be competing for more than \$350,000 in college scholarships and the chance to be named an NHSFR World Champion. To earn this title, contestants must finish inside the top 20 – based on their combined times/scores in the first two rounds – to advance to Saturday evening's final round. World champions will then be determined based on their three-round combined times/scores.

Again, this year, Saturday's championship round will be televised nationally as a part of the *Cinch Highschool Rodeo Tour* telecast series on RFD-TV. Live broadcasts of each NHSFR performance will also air online at NHSRATV.com. Performance times are 7 p.m. on July 16, and 9 a.m. and 7 p.m. each day thereafter.

Along with great rodeo competition and the chance to meet new friends from around the world, NHSFR contestants have the opportunity to enjoy shooting sports, volleyball, contestant dances, family-oriented activities, church services sponsored by the Fellowship of Christian Cowboys, and shopping at the NHSFR tradeshow.

To follow your local favorites at the NHSFR, visit NHSRA.com daily for complete results. For ticket information, visit www.cam-plex.com.
