There have been numerous complaints about pet owners not being responsible with their pets. It is not just dogs who are not permitted to be at large, but cats also. They cause havoc in neighbour's gardens and flower beds. If your pet is picked up by our staff, it will be taken to the Humane Society. If you have registered your dog with the Town, we are able to bring it back to your home, or at least contact you. There are many that have not been registered with us. Licences are \$10/yearly, and there are fines for not having them licenced, at large, and not cleaning up after them. Please ensure that you are picking up after your pets. Leaving your dog outside barking violates the Noise Bylaw. Please be respectful of those around you. If you have any questions regarding the bylaws, please contact our office.
Thank you.

Balgonie Transfer Station

The TRANSFER STATION is electronically set up to provide our town residents with accessibility day or night. The Town of Balgonie offers these services on site at the TRANSFER STATION, but has the added responsibility to ensure that environmental regulations are followed. Recently, items have been left at the TRANSFER STATION which are not permitted. Please ensure that you read and understand what items are allowed and not allowed to be left at the TRANSFER STATION. Individuals who leave items which are not allowed will be required to clean up the improper disposal, pay charges for the Town to remove the items . The card holder will be held accountable for all occurrences for those that use the card. The transfer station cards can be cancelled at the discretion of the Council of the Town of Balgonie.

Failure to follow these Rules will result in loss of use of the Transfer Station and up to \$500 in fines.

THE TRANSFER STATION IS NOT A GARBAGE DUMP!

The Transfer Station is a location where the following items can be left:

Scrap Metal

Tree Branches

Compostable materials (removed from the plastic bags)
