Attendance is Important!

Welcome back to school!

First student day is Tuesday September 5, 2017.

“Be present at school – every day counts.”

Did you know that being present in school leads to better grades and a better future? Students who attend school regularly are more likely to graduate than students who don't attend regularly. It is important for all students to make an effort to be in school every day!

Students who attend school regularly and participate to their best ability experience the most success. By coming to school, working hard and getting involved, students can take control over whether or not they will do well. Remember, “Be present at school – every day counts.”

Did you know that the province keeps track of students' reading scores? When reading scores across the province are compared to students' attendance rates, students who have higher attendance rates also perform better in reading. As a result, the message is clear: your chances of doing well academically are increased by attending school regularly. Remember, “Be present at school – every day counts.”

August 22nd: BES Health Nurse: Baby Clinics BES all day.

Recreation funding in 2017-18 budget announced

The Emerald Park Soccer Centre will be completed this year. Additionally, the surrounding urban municipalities received a community recreational grant to assist with their recreational improvements, maintenance and upgrades. Communiskate and the golf courses received a tax abatement for the recreational facilities they provide to the community.

"We have our own recreation facilities in the RM," Councillor Wayne Joyce says, "and we have to invest in those." The RM plans to enhance the Emerald Park soccer fields with walking path access from Great Plains Road and Kingsmere Ave as well as installing barbecue pits and tables, "so people can enjoy a nice day out near the play structure that is there," says Joyce.

Century West was awarded the tender for the Emerald Park Soccer Centre build at the July 11 council meeting. Construction is well underway with expectations of completion in October. Soccer Centre sponsorship opportunities are available. Please contact the RM office for information.

Budget

"The council requested a 'revenue neutral' budget be submitted and they

approved it at their June 27 meeting," says the RM's Chief Administrative Officer Kim Mclvor. The mill rate has been set at 4.4 per cent on all assessable properties.

Paving projects

At Crawford Developments paving of Bardel Crescent is 90 per cent complete and had a price tag of \$574,000 paid in part by a local improvement levy. Hogan Drive is now a registered road and connects Emerald Park Road in Emerald Park to Fairway Road in White City. "The RM's goals are such that within ten years all roads within Emerald Park will be completely updated and/or paved to current engineering specs," says Mclvor. Council

accepted tenders for the following road projects at the July 25 council meeting: Grid 734, Nicklaus Place, Diamond Road and Pearl Crescent.

The RM of Edenwold Canada 150 Threshing Bee held August 12 was a success. 350 people attended and 191 pounds of food was donated to the Regina & District Food Bank.

Ministry of Highways and RM work on highway signage project

Starting in August, local businesses will be given the opportunity to promote their companies to Highway 1 facing traffic with a new sign pilot project. For a fee, the Ministry will include their companies name or logo on signs to be erected by October of this year.

"This will help with visibility for Emerald Park businesses and provide information for the travelling public regarding specific services such as hotel accommodations, fuel services and restaurants," says Mclvor.
