Fall Elections

Don't forget to vote
Wednesday, October 24.
(Advanced polls - Saturday, October 20) Councillor seats in Divisions two, three four and six are up for election. Watch for information about ballot box locations and voting times at RMEdenwold.ca

RM Town Hall meetings well-attended

Three of four public town hall meetings were held in September to talk about the recent annexation proposal put forward by the town, to discuss options and get direction from our ratepayers as this is "Our Communities, Our choice." The meetings were 'standing room only' as residents brought their questions and concerns to RM council and staff about the proposal and what it means for the future. Residents continue to raise their concerns about the impact annexation will have on their water and weekly service delivery and White City's ability to fully pay for all the costs without raising taxes on residents. The RM Council is also concerned about continued growth along the Highway 1/Highway 48 corridor and what annexation will mean for future regional cooperation and development. The RM is holding a fourth town hall for all residents on October 4 at the Ramada in Emerald Park to help provide more information to residents, give them the full story, and have their say. After all, these are Our Communities, Our Choice.

Walk this way, volley that way

The walkway in Emerald Park from Tim Hortons through to the new soccer facility was completed September 5. An outdoor volleyball sand court was completed at the soccer facility September 12. Take a stroll, see what's new in the community.

Emerald Park clean up bins

Fall clean up bins — for leaves and branch trimmings — will be available at Hutchence Road in Emerald Park, September 29 through October 28. No garbage will be allowed in the bins.

Outcomes of public hearing

Following a public hearing, September 11, 2018, council approved a new cannabis processing, manufacturing and retail venture in a commercial sector north of Pilot Butte. "This comes after months of public consultation, public notice and meetings with local residents, provincial government representatives and the RCMP," explains Jana Jedlic senior planner with the RM of Edenwold. The venture was approved with several stringent conditions required by the RM of Edenwold which are in addition to conditions put in place by the provincial and federal government.

National Fire Prevention Week events

October 7 through October 13 is National Fire Prevention Week. Balgonie's Volunteer Fire Department will be hosting an open house Saturday, October 13 from 11 a.m. to 3 p.m. White City fire department will also be hosting an open house that week, Tuesday, October 9 from 6 p.m. to 9 p.m.

REMINDER:

Garbage and Recycling Carts are to be put out on the street on or BEFORE 7am, and brought in after garbage or recycling collection is complete. If carts are damaged before or after these hours, homeowners are responsible for the charges. As we are not the only town with these services, there is no specific time other than by 7:00a.m. to be prepared for pick-up. If you miss pick-up because your container is **NOT** at the curb on time, it will be the owner's responsibility to dispose of the contents if required.

Loraas Bins

There will be Loraas bins available at the transfer station on the 1st and 3rd Friday of every month for town residents only. Our transfer station is equipped with security cameras, as well as a card reader. Fines have been laid for illegal dumping, and will continue to be laid to any person who violates these rules.

The TRANSFER STATION is electronically set up to provide our town residents with accessibility day or night. The Town of Balgonie offers these services on site at the TRANSFER STATION, but has the added responsibility to ensure that environmental regulations are followed. Municipalities can be fined for burning unapproved items and not disposing of things in the manner set forth by the Provincial Ministry of Environment and the Provincial Clean Air Act.

Recently, items have been left at the TRANSFER STATION which are not permitted. Please ensure that you read and understand what items are allowed and not allowed to be left at the TRANSFER STATION. Individuals who leave items which are not allowed will be required to clean up the improper disposal, and/or pay charges for the Town to remove the items. There is also a \$500 penalty for illegal dumping at the site. The transfer station cards can be cancelled at the discretion of the Council of the Town of Balgonie.

THE TRANSFER STATION IS NOT A GARBAGE DUMP!

The Transfer Station is a location where the following items can be left: Scrap Metal, Tree Branches and Grass Clippings (removed from the plastic bags) Compostable materials, Oil and Containers - There is an oil recycling center station where you are able to dump unused oils and their containers on the south side of the station.

The 1st & 3rd Friday of every month, a Loraas bin is delivered to the transfer station. This is for town residents to use for the items which are too large for the household carts. Please note, this is only to be used by Balgonie residents. Larger loads due to fence removal, renovation etc, should be taken to the Regina landfill.

If the bin is full or not at the site, do not leave items, take them to the Regina landfill.

Key cards, which are lost, should be reported to the Town Office. They will be removed from the computer system and a new card will be issued at a cost to you of \$25.00. If you are moving, please return the key card to the Town Office. Diabetes also have clothing bins to take donations.

Greenall Griffins Update

Our Sr. Boys VBALL Team won Gold at their tournament at the U of R on September 15

Open House and Academic Awards are SEPTEMBER 26

9 to 5 is the 2009 (PG) Broadway adaptation of the 1980 Dolly Parton film. Three office workers manage to kidnap their bigoted boss and take control of the company making changes that increase productivity and better the lives of their fellow employees. Greenall is pleased that we already have a cast and chorus of 43 Griffins who have auditioned to act, sing and dance for our show. The directors were blown away by the talent that showed up for these auditions. Our show dates are Thursday, Dec. 6 at 7 pm, Friday, Dec. 7 at 7 pm & Saturday, Dec. 8 at 2 pm. We already have a great group of musicians lined up to play in our live orchestra. Please come out and support the local talent that is from our communities. We have so many talented students & musicians and we are pleased to showcase them.

A NOTE FROM OUR PRINCIPAL MR. WEITZEL

In schools across Prairie Valley School Division we have started our year with the intent of living up to the motto "Be Kind, Because Being Kind is Something Everyone Can Do".

Throughout Greenall High School you will see words and phrases that help to guide our work and learning. "Providing a Caring Climate Conducive to Learning" is our school mission statement and our school values (which will be under construction this year) are: Self-Control, Kindness, Empathy, Respect, Fairness, and written on our walls you will also find the word tolerance, but we are inserting Acceptance as a more welcoming and inclusive word than tolerance as one of our values.

These shouldn't just be words on our walls, these values should direct our learning and work with each other on a daily basis. Living up to these values is essential to ensure we benefit from a positive learning environment which will enable each of our student to maximize their learning potential.

Each of us at Greenall High School holds responsibility for the climate of our school. Through our interactions with one another we each have the power to be a positive influence on the experiences of others. We are a school community of over 700 people. Given these circumstances it would be naïve to believe that conflict would never occur. We can learn lessons from conflict and both individuals involved can still be respected. When behaviours become intentionally hurtful and are initiated by a person or group targeting another; we view these behaviours as harassment and bullying and such behaviour has absolutely no place within our school. Our staff have been involved in developing an action plan known as "Respect for Self and Others – the Greenall Anti-Bullying Action Plan". The actions laid out in the plan are identified to improve the climate of our school.

As we look forward to the year before us, we ask that our entire school community plays an active role in making our school a safer, more enjoyable place to learn by demonstrating respect for yourself and respect for others. We have challenged each of our staff and students to deliberately and consistently be kind and respectful to one another, day in and day out.

ELECTRONIC PAYMENTS:

Taxes and utility bills may be paid electronically through your online banking website. The payments would be under Town of Balgonie Taxes and Town of Balgonie Utilities. (Do not choose Balgonie Water—this payee is a previous business and is not connected with the Town of Balgonie.)

Please contact the Town office to obtain your account numbers.

Electronic payments for utilities and taxes are a convenient way to pay your bills, but they are not instantaneous. Please allow **2-3 business days** before any due date so that your payment is receipted by our office before any penalties apply. The bank requires time to process the payment and advise the Town.
