SNOW REMOVAL:

As we are entering into the winter season, we need to be prepared for the SNOW which is likely to arrive. Our Town is fortunate to have great staff to clear our streets for us! This time consuming job is made a lot easier when vehicles are moved off the streets for the graders to come through. As well, the Town Boulevard areas (the first 12-15 feet of each property) where the snow is placed, need to be free of vehicles and trailers.

The main streets are done first, followed by side streets and alleys are last. Depending on the severity of the storm and amount of snow, it may take a while for all streets to be cleared. We appreciate your patience and understanding.

Thank you for treating our staff with respect.

Statement from the Council of the Town of Balgonie:

The Town of Balgonie has met with members of the Ministry of Highways and Infrastructure on multiple occasions to discuss their decision on the closure of Main Street and its impact on our town. The closure has been a great loss to the vitality of our Town and has created emergency response considerations as well as impacting traffic patterns within our community.

The Ministry and its engineers are unwavering in their view that the intersection, including “Right In/Right Out” at Main Street, must close. The rationale given by the Ministry is that there is not enough room between Highway 10 and Main Street and between Main Street and Highway 46 to design a safe access. The distances between the bypass and the Highway 10 overpass have made it impossible, by today’s engineering standards, to accommodate this access point.

The Ministry engaged an outside engineer to review any possibility of retaining a “Right In/Right Out” at Main Street in Balgonie. The engineer also reviewed the options presented by Council at the September 25th meeting with the Ministry of Highways. His review concluded the same results that were presented to the Town by the Ministry of Highways. There was no safe way to keep the access from Highway 1 at Main Street.

While this closure is a great loss to our community, the Town and the Ministry have discussed work which will be done to address the impact on traffic operations and emergency responses. Both the parties have agreed to a gated access for emergency vehicles and evacuation. The safety of the Town residents and the response times for our emergency personnel is paramount. The work on the gated access will begin very soon. Additionally, the Ministry of Highways and Infrastructure has agreed to provide the Town with certain improvements to our roads, lighting and traffic controls within our Town. This will be important as the Town is impacted by the closure and these measures will assist the municipality in responding to these challenges.

The Town Council would like to acknowledge the efforts of, and thank the local community residents and the “Save our Main Street” group for their determination in having the issues of Balgonie heard. Progress has been made in the discussions with the Ministry of Highways---this progress would not have been possible without the community voicing concerns. The Town and the Ministry are working towards a Memorandum of Understanding which will outline the details of the negotiations.

Greenall Griffins Update

On October 16th our Grade 11's and 12's enjoyed an inspirational presentation from Strategy Lab's Jeph Maystruck! Jeph dared students to find their superpower, be creative, be different and do what they love! Jeph also emphasized the value and importance of hard work and community involvement.

Greenall Boys Soccer finished their league play 4 – 2. They will be heading to Weyburn for regionals where they will battle Weyburn and Yorkton for a good spot at provincials. Greenall is hosting provincials this year – all games will be held in Regina October 27th and 28th.

The Junior Girls Volleyball team has had a very successful last month. In the three tournaments they've played in so far this season, they've won one bronze medal (at the Winston Knoll Tournament) and two gold medals (at the Moose Jaw Peacock and Lumsden Tournaments). They've also gone 5 and 1 in RHSAA league play.

Greenall High School would like to extend a huge THANK YOU to the SK Roughriders for donating 8 tickets to our school for their October 27th game!

Greenall Football finished the regular season with a 5-2 record (finished second overall). Total offense for the season was 1845 yards (754 yards rushing, 1091 passing). Defense – 168 tackles, 8 QB sacks, 11 deflections, 6 fumble recoveries, 10 interceptions, 2 blocked kicks

The Pink Panther Strikes Again

The cast and crew of Greenall's annual fall production are hard at work preparing The Pink Panther Strikes Again. Based on the 1976 MGM movie, this slapstick comedy has the cast laughing during each rehearsal.

The story follows the bumbling Inspector Jacques Clouseau (Derek Mullen) as he pursues his nemesis, the former Chief Inspector Dreyfus (William Bonsor-MacIntosh) who is holding the world captive with his nefarious Doomsday Machine, created by the renowned inventor Dr. Fassbender (Bryson Bolianatz). Along the way, the audience is introduced to the stunning Olga Berriosiva (Mikayla Dovell), the sweet Margot Fassbender (Abby Lumb), the incorrigible Jarvis (Jared Aquin) & the mischievous Pink Panther herself (Dacia Baht). Of course, this wouldn't be a Greenall production without some vocal talent featuring Grace Dech & her "Go-Go Girls".

The show will take place on **Thursday, Nov. 30 at 7 pm, Friday, Dec. 1 at 7 pm and Saturday, Dec. 2 at 2 pm in the Greenall Gymnasium**. Look for us on CTV Morning Live the morning of Dec. 1 with CTV's Alex Brown. Advanced tickets can be purchased through the Greenall office & from cast/crew members. Tickets will also be available at the door.

The Balgonie Dinner Theatre volunteers have been calling for donations. With people giving up their landlines and only having a cell phone, they are running into a lot of households that they are not able to contact. If you would like to make a donation, please call Susan at 306-771-2202, and she will let you know what is still needed. Your help is greatly appreciated. Also, if you have any Tupperware or Ziplock containers you would like to donate, they can be dropped off at the Balgonie Town office. Thank you for all your help!

RECREATION NEWS

By Shaun McBain

Well once again, we are in full swing with all winter sports; indoor soccer, dance, hockey, ringette, skating, broomball and as soon as the temperature drops, outdoor skating and shinny. Again, we are reminding everyone to respect our recreation facilities, please pick up your garbage and leave the facilities in good condition.

The 30th Annual Dinner Theatre is upon us November 3, 4, November 10 and 11. The box office was held on Sunday, October 15 with 650 tickets being sold. If you are looking for tickets, get them quick. We should be sure of a sell out. Call 771-4343 or 771-4281.

DINNER THEATRE PHONING COMMITTEE:

Our phoning committee for the Dinner Theatre has been working hard at calling for donations for our Annual Dinner Theatre. Many of you have been very supportive-- not only with food items but also with time and effort, and we want to thank you for that. The more food/items donated, the more revenue our event is able to generate back into our community. This revenue is needed dollars going back toward our swimming pool, sports grounds (including soccer grounds and ball diamonds) Dance Club, Curling rink, and Arena; facilities which your children, grandchildren, nieces, nephews and even yourself enjoy on a regular basis or from time to time. This revenue also goes to support our well needed and much deserved volunteer fire department and helps with the operating expenses of our Multiplex. So, please if you wish to donate, thank you! If not, please just say no thanks! Please put your name on your donation. We are still in need of waiters and waitresses, if interested please call myself at 771-4343.

Thank you in advance for all of your support!

A message from the RM of Edenwold

Business survey results announced

Over the summer months, the RM of Edenwold engaged business owners and their employees through a business survey. Over 700 hard copies of the survey were distributed and 119 responses were collected -- a 17 per cent response rate. Responses were received from businesses north of Highway 1 and Emerald Park, including Great Plains Industrial Park. The questions focused on housing and transportation. Seventy-eight per cent of respondents surveyed commute from outside the Emerald Park area.

Some findings:

- About 20 per cent of people said they would participate in an employee shuttle and 45.5 per cent said they liked the idea and would consider using it if it was available.
- Thirty-five per cent of respondents rent while 65 per cent own their homes.
- The most popular form of housing is the single-family dwelling. However, 20 per cent of respondents live in a multi-unit dwelling (apartment or condo).
- Of the respondents who completed the survey, 31 per cent said they would like to live in Emerald Park and an additional 28 per cent said they may like to live in the area. The majority of survey respondents identified affordable housing as an important issue for the RM to focus on in the coming years.

Emerald Park IGA gift card prizes were offered as incentives to fill out the survey. Gift card winners were Ashley Greiner of Emerald Park Childcare and Jackie Weisgarber of Reed Leisure Products.

Emerald Park Soccer Centre Construction update

Pending some material delivery, the Emerald Park Soccer Centre - scheduled to be completed for mid-October - will now be completed in November. The RM of Edenwold plans on hosting a grand opening event to recognize the community groups and sponsors who helped make this community asset a reality.

Update on Canada Post

For some time, the RM of Edenwold staff have been communicating with Canada Post regarding the creation of a post office in Emerald Park for residents.

"The addition of a post office in the community will be welcomed by current residents and businesses... Further, it will act as a place-making feature for the community... Considering Emerald Park already has its own postal code, Council feels that the addition of a post office is the next logical step for Canada Post to pursue," Jana Jedlic, Senior Municipal Planner with the RM of Edenwold, wrote - in part - in a letter to the Crown corporation.

In October, RM staff received a note back from Canada Post which stated: "Our findings indicate that the addition of a post office in Emerald City would not be viable. We believe the current services provided through community mail boxes and the White City post office are suitable and meet the needs of the community." "We are disappointed," Jedlic says. "Staff and council will talk about next steps and we would love to hear from our ratepayers and business owners about how they feel about this issue."
