SNOW REMOVAL

It is important that our grader has access to the entire street after a snow fall. Vehicles can only be parked on the street for 24 hours. It is also illegal to park an unlicensed vehicle on the street. After a snowfall, please remove your vehicle from the street, until your street has been cleared. Letters will be sent to resident who are not removing vehicles in a timely fashion.

Your co-operation in this matter is appreciated by the Town and the neighbours on your street.

Please remind youngsters to stay clear of Town snow removal equipment—it's hard for the operators to see and hear while operating this large and noisy equipment. We do not want to see anyone get injured.

Our Town staff work especially hard to keep Balgonie streets clear after a snowfall. At times, snow ridges will be left at the end of your driveway by the grader. During heavier snowfalls, these may be larger than other times. Your help in clearing these ridges is appreciated. We are also giving some of our newer employees opportunities to learn all of the equipment in town. It will take some practice for them to master the routes and equipment. Your patience is appreciated while these operators are learning.

Most often the snow will be cleared within 2 days of a snowfall, how ever weather conditions and garbage/recycling pickup days may delay this. That being said, residential streets and bays will be cleared as soon as possible. Our town is very fortunate to have such prompt snow service!!! Some residential areas in other municipalities may only see a grader once or twice during the winter season.

A BIG THANK YOU to those people who help out their neighbours with their snow removal and assist those who need an extra bit of help.

It is wonderful to see so many helpful citizens.

Transfer Station

The TRANSFER STATION is electronically set up to provide our town residents with accessibility day or night. The Town of Balgonie offers these services on site at the TRANSFER STATION, but has the added responsibility to ensure that environmental regulations are followed. Municipalities can be fined for burning unapproved items and not disposing of things in the manner set forth by the Provincial Ministry of Environment and the Provincial Clean Air Act.

Items have been left at the TRANSFER STATION which are not permitted. Please ensure that you read and understand what items are allowed and not allowed to be left at the TRANSFER STATION. Individuals who leave items, which are not allowed, will be required to clean up the improper disposal, and/or pay charges for the Town to remove the items. The transfer station cards can be cancelled at the discretion of the Council of the Town of Balgonie.

THE TRANSFER STATION IS NOT A GARBAGE DUMP!

The Transfer Station is a location where the following items can be left:

Scrap Metal.

Tree Branches and Grass Clippings (removed from the plastic bags).

Compostable materials.

The first and third Friday of every month, a Loraas bin is delivered to the transfer station. This is for town residents to use for the items which are too large for the household carts. Please note, this is only to be used by Balgonie residents. Larger loads due to fence removal, renovation etc., should be taken to the Regina landfill.

If the bin is full or not at the site, do not leave items, take them to the landfill.

Key cards, which are lost, should be reported to the Town Office. They will be removed from the computer system and a new card will be issued at a cost to you of \$25.00. If you are moving, please return the key card to the Town Office.

Recreation News

By Shaun McBain

Well, we are almost through November and with no significant amount of snow, winter driving has been nice!!

Can you believe it? - The 31st Annual Dinner Theater has come to an end. A big thank you goes out to all the countless hours of people volunteering and donating food items. Without all of you wonderful folks, this major fundraiser for our community would not be such a success. THANK YOU!!!! A special mention to the leaders of the kitchen staff and bar staff and all of their helpers for a job well done!! **GREAT WORK!**

Another special thank you goes out to Tumbleweed Theatre for their countless hours of rehearsing and total dedication to theatre. Without all of you people, this type of event would not be able to take place in our community.

The final numbers are still being tallied with a few outstanding bills to pay. A total amount will be issued in the next Talk of the Town.

Once again, hats off to all of the organizers and volunteers.

The outdoor rink will hopefully be opening soon if the temperature can stay below -10 for a period of time. Once again we ask that the users clear the snow with the scrapers provided. The Zamboni will do a hot flood once a week.

Have a wonderful holiday season. Drive safely while visiting family and friends.

Greenall Griffins Update

The Griffins Football Team would like to greatly thank the Parents, the SCC and GHS for purchasing our football capes this year! They certainly were beneficial when the weather was cold! THANK YOU for the contribution to our football program!

Greenall was selected this year to host Sasktel's **I AM STRONGER** rally. Students learned about the harms of bullying and how to navigate social media in responsible and respectful ways.

A big THANK YOU to Emerald Park IGA for supporting another Greenall #sharekindness initiative. Students will nominate their peers for kind deeds and win prizes!

The Griffin's Nest Canteen:

Our canteen has been busy this fall! Did you know that we offer punch cards in \$25, \$50, and \$75? Each card has a freebie at the end, and they make a great gift. If you'd like to purchase one, an e-transfer to nicole.harris@pvsd.ca with the password canteen or a cheque or cash to our office will get some of your Christmas shopping done.

Last year, our canteen upgraded to glass and melamine plates, and this year, we've also eliminated our plastic cutlery, and were using metal. We've already noticed the money savings, and were happy to avoid using more plastic as well.

Our students stay on their toes making homemade food for our canteen and for themselves. They also cater small daytime events.

If you're ever at the school in the morning or at lunch, make sure to stop by for a snack!

Greenall Griffins Update Continued...

The Greenall Griffins had a very successful volleyball season. The Jr. Boys placed 2nd in City Finals, the Jr. Girls also placed 2nd in City Finals! The Senior Girls placed 2nd in the South and advanced to Provincials in Saskatoon and the Sr. Boys placed 1st in the South and advanced to Provincials in Prince Albert where they were successful in obtaining **GOLD!** The Sr. Boys team is the first Sr. Boys Vball team in Greenall history to win Provincials! **Congratulations to the Sr. Boys on being the 5A Provincial Champions!**

A message from the RM of Edenwold

Shop local

The RM of Edenwold is proud of the over 130 businesses that make the RM their home. In fact, the highway-facing businesses you see between Balgonie and Redhead Equipment are all within the RM. This holiday season, and throughout the year, we encourage the 'shop local' movement. Those business owners are your neighbours and friends, employing people you know and working hard to build our community. A reminder: RM maps of Emerald Park businesses are available for and to local retailers. Call the RM office at 306-771-2522 if you need additional copies.

The Great Trails Treasure Hunt box unearthed in the RM.

Treasure Hunt seekers find what they're looking for in our RM

Twenty-seven names were added to the participants list in the Great Trail Treasure Hunt box hiding within the RM. The treasure hunt was part of the celebration of the 25-year anniversary of The Great Trail (Trans Canada Trail). The RM is home to over 28 miles (45 kilometres) of trail. The box was hidden within White Butte Trails just east of Pilot Butte.

Civic addresses, community mailboxes – an update

Civic addresses have been assigned for over 90 per cent of properties in the municipality. These addresses are submitted to the Ministry of Government Relations to be used for emergency services. Two community mail box pilot projects will be set up in Spruce Creek and the Carson Business Park. RM residents and businesses in the affected areas will have received letters to

let them know details. "We've been working at obtaining postal codes and community mailboxes from Canada Post for several years," says Reeve Mitchell Huber. "We've made a bit of progress recently."

"It's a long process, and staff at Canada Post changes," explains Jessica Mitchell, Planner with the RM. "A new regional manager has been helping us and understands the complexities of the RM."

Official Community Plan and Zoning Bylaw

Upcoming public meetings are being planned to launch a draft of the updated and revised RM of Edenwold Official Community Plan to residents. "We're excited about this updated plan. It was fully informed by our residents through the community and business engagement meetings we held last year," says Jana Jedlic, Senior Planner with the RM. "We want everyone to come out to the meetings and see how our residents feedback was incorporated and to get a chance to look at the updated maps and how everyone is helping inform the future of the RM." Meeting dates will be announced through the RMs website, mail outs and social media.

Season's Greetings

Everyone at the RM of Edenwold sends out best wishes for the holiday season and thanks you for being a part of our community. We wish you a Merry Christmas and all the very best in 2019. It's been another big year in the RM for our

residents, for the RM business community and for our staff and council. We thank you for being part of our community and we look forward to a prosperous and fulfilling new year.

An image from the last RM of Edenwold council meeting held at the Balgonie office on Tuesday, November 13. Come and see us at our new office at 100 Hutchence Road in Emerald Park.
