QUESTIONS FREQUENTLY ASKED REGARDING APPEALING YOUR PROPERTY ASSESSMENT

(The following questions and answers are taken from the pamphlet "Understanding the Property Assessment Appeal Process" from the Saskatchewan Government Relations, Provincial Municipal Relations and Advisory Services)

What is Property Assessment?

Property assessment is the process of determining a property's assessed value as of a specific date for property tax purposes. The assessment provides an estimate of the property's value that reflects typical market conditions.

Local governments use property assessments as a basis for the distribution of property taxes among property owners. **Property assessment is not the same as property tax.** The assessment of a property is the value assigned to it as the basis for allocating taxes among various classes of property.

Who Can I Contact to Explain My Assessment?

You should start with your Administrator of your Municipality (Phone 306-771-2284). You can also call SAMA (Saskatchewan Assessment Management Agency) (Phone 306-527-8395) as it is the agency that performs Balgonie's assessments; however, there may be a charge for this service.

Preparing the Notice of Appeal Form

When making an assessment appeal, the notice of appeal form must be fully completed. You must provide specific grounds supporting the appeal. You are required to provide as many details as possible and all facts and evidence that an error has been made in the:

- valuation of the property;
- classification of the property;
- preparation of the relevant assessment roll or assessment notice; and/or
- content of the relevant assessment roll or assessment notice.

The grounds for the appeal must be detailed. Phrases such as "assessment too high" or "assessment too low" are **NOT** sufficient.

It is your responsibility to make a case to the Board of Revision. It may be as simple as proving that dimensions or measurements are wrong or that a classification is not correct, or as complex as proving that the value of a property is not fairly assessed compared to another property that is similar in nature.

Regular Assessment Appeals or Simplified Assessment Appeals?

When making regular or simplified assessment appeals, the notice of appeal form must be fully completed. Regular appeal – the appellant must provide specific written grounds supporting the appeal when submitting it to the secretary before the hearing. Simplified appeal - the appellant is not required to submit detailed written grounds to the secretary before the hearing but must have detailed information ready to present to the appeal board.

Can I Base My Appeal on the Fact that I Feel my Taxes are Too High?

NO! Legislation outlines the valid grounds of appeal. Only your property assessment can be appealed, not property taxes or mill rates.

IF YOU WOULD LIKE A COPY OF THE PAMPHLET, PLEASE COME INTO THE TOWN OFFICE OR VISIT THE FOLLOWING WEBSITE:

What Happened When Jesus Died?

- Have you ever wondered what will happen when you die?
- Is there any way I can be sure I am going to heaven?

BALGONIE ORGANICS & COMPOSTING PROGRAM

What is Composting?

Composting is nature's way of recycling. Organic matter such as fruit & vegetable peelings, leaves & grass clippings and egg shells are broken down into a rich, nutrient-dense substance that can then be used for soil conditioning and crop nutrition.

Did You Know?

- Organics diverted from the landfill significantly reduce potent greenhouse gases from our atmosphere.
- By choosing to compost, the amount of waste going to the landfill can be cut by almost half.
- The life of the landfill can be extended.

Our Services:

- 95-gallon cart with compostable bag included in monthly cost.
- Year-round service.

ACCEPTABLE ORGANICS		
ALL ITEMS MUST BE UN-PACKAGED		
 Soiled Cardboard	 Breads, Rice & Pasta	 Cut Flowers
 Un-bagged Leaves	 Coffee Grounds, Filters & Tea Bags	 Un-bagged Lawn Clippings

Your cart will arrive April 4th, 2019 and the first pick up will be April 15th, 2019.

As with the other carts, please have them on the curb side on **MONDAYS** by 7:00 am.

This will be a weekly pick-up program from April until November, with a monthly pick-up in the winter months.

Incase they get mixed up during a wind storm, we are also asking residents to help us out by using a black marker and writing your home address on the back of these bins as the serial numbers are recorded to your address.

Thank you for your support in our environmental efforts.

Please contact the Town office to obtain your account numbers.

Electronic payments for utilities and taxes are a convenient way to pay your bills, but they are not instantaneous. Please allow **2-3 business days** before any due date so that your payment is receipted by our office before any penalties apply. The bank requires time to process the payment and advise the Town.
