Greenall Griffins Update

September 2019 | - - -

On behalf of Greenall High School staff we wish to extend a warm Griffin welcome to our students and their families for the 2019-2020 school year. Thanks to Greenall's outstanding Student Leadership Committee, our entire school family of over 700 met in a welcome back assembly where our staff were introduced and key start up information was shared with students. One of our school's greatest points of pride is the welcome our Grade Nines receive on their first day of high school. Dressed in their royal blue "I Heart Gr. 9's" tee shirts, our Student Leadership Committee were here on day one to help with locker location and combinations, provide school tours and to ensure students found their busses at the end of the day to name just a few of the tasks they helped with. We know that return to school can be an anxious time, but thanks to our SLC and our outstanding staff our startup was as orderly as can be with 180 of our 669 students attending Greenall for their first time.

Thanks to the creative minds of our teachers and the engagement of our students, we are proud to offer new courses based on student interest. French Immersion 10, Mental Health and Wellbeing 20L, Sports Medicine 20L and Robotics 10 are all new programming options for the 19-20 school year. Students have been busy in try outs and auditions for athletic and arts pursuits and joining leadership and social justice clubs such as the Greenall QSA and a Truth and Reconciliation leadership group. Competition in cross country running, football and volleyball have all begun with Griffin football earning an undefeated record of 2-0 (having yet to have a point scored against), the Sr. Boys volleyball team won our invitational tournament and the Sr. Girls Volleyball team captured the U of R and Mega Volley tournament championships. A cast and crew of over 60 students are busy preparing for this fall's musical production, *The Addams Family*, with the opening show on November 28th. For tickets please call Greenall's office in October.

Our school moto is "Excellence Doesn't Happen By Accident" and we are looking forward to another enjoyable year of commitment, growth and excellence for each of our Griffin students and staff.

-Principal Jason Weitzel

Griffin Athletics are off to a strong start! As of the 3rd week in September the Sr. Girls Vball team and the Football team are undefeated!

Greenall's production of "The Addams Family" got off to a swinging start. After 2 days of back to back after school auditions during the first week of school, we were pleased to announce our cast list on Sept. 9. Rehearsals have begun in earnest and we will be working on Choreography starting Saturday, Sept. 21st.

68 Griffins auditioned or signed up to be a part of the chorus or backstage crew. This is phenomenal. Greenall's got talent.

Greenall presents "The Addams Family" on Thursday, Nov. 28 and Friday Nov. 29th at 7 pm and on Sat., Nov. 30 at 2 pm. Tickets will go on sale the Remembrance Day weekend. They can be purchased through cast, crew and the Greenall front office. There will also be tickets at the door.

A Message from the RM of Edenwold

A safe and happy Halloween

A reminder for parents to ensure Trick R' Treaters are wearing costumes they can walk in comfortably and safely (no tripping!) and with masks or make-up they can see from.

Adding some reflective tape to costumes or candy catchers (pillow cases or plastic pumpkins) helps drivers see them. For the older kids, having a sit down chat about community and value of neighbourliness can go a long way to preventing mischief.

2019 paving and projects update

RM of Edenwold paving projects completed this year include: a portion of Emerald Park Road, extension of Fairway Road, Huber Drive, Huber Bay, Hogan Place and Coral Place.

Other RM infrastructure projects completed:

- South Plains Road and Percival Drive utility extension project
- Woods Park refurbishment
- Emerald Park lagoon decommissioning project
- The new administration office principal landscaping and public parking lot paving
- North water reservoir is online providing full fire hydrant service in Spruce Creek Estates

Work continues with the Western Infrastructure Renewal Inc program to complete three bridge refurbishing projects within the south part of the RM this fall.

Harvesting lentils at the Taylor Farm back in August before the September rains came.

Sharing successes

Both the RM of Edenwold Chief Administrative Officer, Kim McIvor and the RM of Edenwold Planning Department (Jana Jedlic and Jessica Mitchell) were honoured by the Saskatchewan Professional Planners Institute (SPPI) in September. Kim was awarded the Fraser-Gatrell Memorial Award – Citizens Planning Award.

L-R Jessica Mitchell, Planner with the RM of Edenwold, Kim McIvor - CAO with the RM of Edenwold, Jana Jedlic - Manager of Planning and Development with the RM of Edenwold and Paige Boha former RM employee and planning colleague.

The award is presented to someone who is not a professional planner, but has made important and significant contributions to promoting planning or enhancing the profession in the province.

The RM's planning department brought home the Excellence in Planning Award. The award highlights the RM's commitment to ensuring the municipality's plan accurately reflects the vision and priorities citizens and businesses have for the future of our municipality.

The RM of Edenwold is a co-recipient of the award this year alongside the planners from the City of Regina.

Events in November - You're invited!

- Monday, November 4 - 5 p.m. to 8 p.m. - Coffee with the Planners! You're invited to bring your questions about planning and have coffee with members of the RM planning department. *All these events take place at 100 Hutchence Road in Emerald Park.*
 - Wednesday, November 6 - 5 p.m. to 7 p.m., RM of Edenwold administration office grand opening. Ribbon cutting at 6 p.m. Door prizes. Food. Fun. Celebration.

volunteer fire fighter or first responder

Our junior program offers students between the ages of 16-18 a chance to explore firefighting as a career option or to continue on as a volunteer fire fighter once they turn 18.

Juniors participate in training exercises and course certifications alongside the Balgonie Fire Department members, learn how to take care of gear and equipment, and attend the bi-annual Saskatchewan Volunteer Fire Fighter's Association Fire Schools to gain course certifications.

What you need to be a junior recruit

- Parental consent to participate in training and course exercises
- Be 16-18 years of age
- Be a Town of Balgonie resident
(if you are from Edenwold, Pilot Butte, White City, McLean, Qu'Appelle or Kronau please inquire about junior programs at your home community fire hall)
- A positive attitude and willingness to help others and make a difference in your community

IFSTA Course Examples

- Fire behaviour, safety, and personal protective gear
- SCBA (self-contained breathing apparatus)
- Ventilation
- Search and Rescue

**PLEASE BE AWARE THAT AS A JUNIOR YOU
