Update from the Town of Balgonie

The **Administration Building** renovations are close to completion. CCR Construction has been working hard to complete the work in this town facility. Major improvements have included:

- New heating and air conditioning.
- Installation of new windows and most doors.
- Building expansion for added retail space.
- Library expansion of 300 ft².
- Town office expansion of 400 ft².
- Relocation and expansion of Balgonie Agencies.
- New sidewalks.
- Replacement of shingles.
- Council chambers expansion.
- Reconfiguration of the lobby and creation of public washrooms.
- Paint and flooring.

The total cost of the work for the building rejuvenation is \$ 1,040,000. Final touches will be worked on over the next month. A future notice will advertise an open house to celebrate our new spaces.

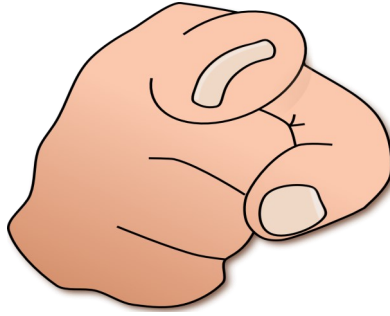

The **Balgonie Wastewater Improvement Project** is expected to be complete by end of May 2020. The final stage of this \$5.3 M project will commission the new forced main and lift station on Griffin Road. The project has been funded through the New Building Canada Fund – Provincial Territorial Infrastructure – National -Regional Projects. An update will follow in later publications with total project costs and grants received.

2020 is Election year for the Town of Balgonie Council. The local government election will be held in Saskatchewan on November 9, 2020. The local Council consists of a Mayor and six Councillors. Meetings are held on the 1st and 3rd Monday of every month starting at 6:15 p.m.

The local Council makes decisions regarding local matters regarding services that the Town provides, local budgets, bylaws and policies for local operations. If you are interested in becoming involved in your local government council, there is further information on the following website. More information will follow closer to election day.

Greenall Griffins Update

January in Review | 2020

It is a longstanding tradition at Greenall that the grade 12's play the staff in our annual staff-student hockey game. Teachers and students announce the game and the SLC runs activities between periods. This year there were two teams of Grade 12's and the staff still managed a tie! The final score was 4-4. However, since the staff lost the staff-student volleyball game in the fall, they will need to win the upcoming staff-student basketball game in the spring to fully redeem themselves!

This winter Physical Education students in Grades 10-12 had the opportunity to visit Mission Ridge. Pictured to the right is Greenall student Raya enjoying shredding the bunny hill!

Sports Medicine students completed a sports taping class at Greenall. Sports taping can support athletic recovery from overuse or other injuries.

We are currently in the middle of Basketball season! There are five teams representing Greenall this year. Last weekend the Sr. and Jr. Boys hosted their home tournament. Check the website for upcoming game times!

Students in History 30 were learning about the Constitution Act and the Charter of Rights and Freedoms. As part of their study they had the opportunity to have a virtual tour of the Canadian Museum for Human Rights in Winnipeg. Students were able to interact with a guide from the museum and contemplate a number of exhibits.

The Mental Health Capacity Building Team would like to thank all students who participated in the holiday cookies stress buster, yoga, and the relax group throughout December.

Prior to Final Examinations MHCB will be showing Ted Talks in the library daily on topics related to test stress and anxiety!

RECREATION NEWS

By Shaun McBain

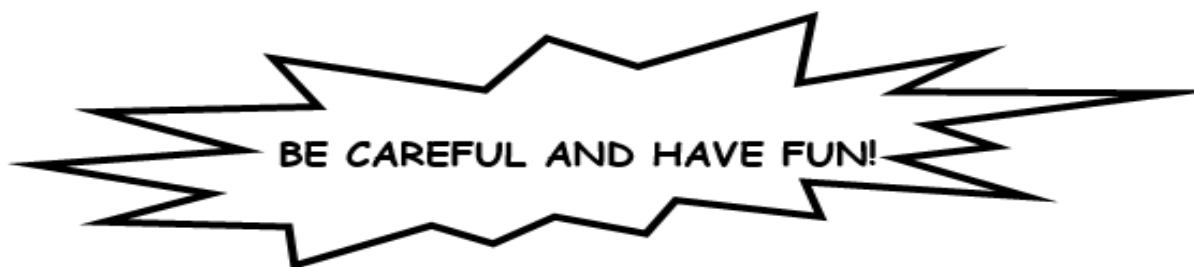

Hope everyone is adjusting to this warm stretch of weather we are receiving.

The outdoor arena is now in full swing. Just a reminder to all users there are no snow shovels provided for clearing the ice surface as people have been using them to damage the ice. The Zamboni will flood the ice once a week. There is no set day for this. The lights will turn on around 5:30 p.m. and turn off at 9:30 p.m.

If the weather is above zero for a few days, please refrain from using the outdoor arena so we do not damage the ice. Please be courteous to others who are also using the facility.

With February here, it means playoffs are fast approaching and the most anticipated . . . Provincials. Good luck to all teams.

We'd like to send an extra big thank you to the members of all five local volunteer fire departments who leave the warm comfort of their homes to serve our communities, no matter what the weather!
