# Canada Day Fireworks in Balgonie!!

Although we are not able to celebrate **CANADA DAY** the way that we usually do, the fantastic fireworks display will continue this year!

We would like to invite everyone out to watch the Balgonie Volunteer Fire Department set off their amazing display which will be held on July 1, 2020 at 10:30 p.m.

Due to the guidelines implemented for Covid-19 safety, the following will be implemented for our event:

- Spectators should watch from the safety of their own vehicle.
  - Vehicles must be separated by 5 metres (16 ft). Parking spaces will be marked for drivers to follow.
  - Individuals are required to remain inside or within arm's reach of their vehicles and are not permitted to move to another vehicle (i.e. not to go sit with friends).
  - No objects may be passed between vehicles.
  - Vehicle occupants should be limited to members from the same household or extended household.
  - Individuals using other modes of transportation to attend the event (walking or biking) should maintain physical distancing of 2m and join the vehicles with persons from the same household or extended household contacts as soon as they arrive.
- For individuals not joining a vehicle, it is expected that all physical distancing protocols will be observed.

If the parking areas at the sportsgrounds are full due to the spacing requirements, spectators are encouraged to use available parking along Railway Street and at the Town's Multiplex parking lot. Drivers are expected to park in permitted parking areas only and abide by all traffic regulations.

Although we continue to be apart for these types of celebrations, we can be together in spirit.

### **The Balgonie Swimming Pool to Remain Closed for 2020 Season**

The Town of Balgonie and the Swimming Pool Board and Staff have reviewed the recent guidelines and restrictions issued by the Province of Saskatchewan in relation to safely re-opening of outdoor pool facilities.

A full review was conducted of the current protocols regarding sanitation, staffing, supervision and capacity management in our local pool. Many strategies were contemplated including:

- Setting a maximum limit to 50 participants (swimmers and parents) as per Royal Life Saving Society's and Saskatchewan Health Agency recommendations for a pool the size of the Balgonie Pool.
- Designating each swim to 2 hours maximum during peak capacity.
- No swimming lessons.
- Adults to accompany all swimmers under 16 years of age.
- Lifeguards would provide coaching of all first aid treatments (including CPR) to adults instead of providing any first aid interventions directly.

After considerable thought of all of these potential strategies and a review of the other pool openings in the Province, there was no viable way to open the pool for the summer season.

Until such time as it is determined that the pool can be operated safely for the swimmers and the lifeguards, with full compliance of provincial requirements, it will remain closed.

## THANK YOU COUNCILLOR KIEL!!

Councillor Darren Kiel has served on Town Council since 2012 and has recently announced that he will not be seeking re-election to Council in 2020. He has been a valued member of Balgonie's local government these past 8 years. Balgonie has benefitted from his desire to make the Town a better place and he will be missed at the Council table. The Town wishes to extend our appreciation to Councillor Kiel for his commitment and enthusiasm to our community.

## Election 2020

The Municipal Election will be held on November 9, 2020. The Town of Balgonie Council consists of a Mayor and six (6) Council Members. Each member serves on Council for a four (4) year term.

The local government makes decisions regarding local matters regarding services that the Town provides. The Town Council sets the local budget for services such as administration, protective services, public works, development, environment, recreation, water and sewer.

If you are interested in running for Town Council, information can be found on roles and responsibilities at the following link. <https://www.saskatchewan.ca/government/municipal-administration/elections/running-for-municipal-office>

Candidate information packages will be available in July. Nomination forms will need to be submitted between September 22, 2020 and no later than 4:00 p.m. on October 7, 2020.

### ***You may run for the office of Municipal Council if:***

- On the day of the election, you are the full age of 18 years or will attain the full age of 18 years on or before Election Day;
- At the time you submit the nomination papers, are a Canadian citizen and have resided in Balgonie for at least three consecutive months immediately preceding the date on which nomination papers are submitted and in Saskatchewan for at least six months immediately preceding the date on which nomination papers are submitted; and
- Are not disqualified by *The Local Government Election Act, 2015* or any other Act from holding the office for which you are a candidate.

### ***You may not run for the office of Municipal Council if you:***

- Are a Judge of any Court.
- Are an Auditor or Solicitor of the Municipality.

### **Mail-in voting:**

Town Council recently passed a Bylaw which will permit residents to mail in their ballots. More information will follow in the future as to the process for mail-in voting.

If you or anyone you know is eligible to run for Town office, please contact our staff at 306-771-2284 to obtain a candidate's package and information about the role.

## Drinking Water Quality and Compliance

### Town Short Form – A Template for Annual Notice to Consumers

(Note: This short form may be used for communities or waterworks serving a population of less than 5000).

#### Introduction

The Water Security Agency and the Ministry of Environment requires that at least once each year waterworks owners provide notification to consumers of the quality of water produced and supplied as well as information on the performance of the waterworks in submitting samples as required by a Minister's Order or Permit to Operate a waterworks. The following is a summary of The Town of Balgonie water quality and sample submission compliance record for the June 2019 - June 2020 time period. This report was completed on June 10, 2020. Readers should refer to Water Security Agency's Municipal Drinking Water Quality Monitoring Guidelines, June 2015, EPB 502 for more information on minimum sample submission requirements and the meaning of type of sample. Permit requirements for a specific waterworks may require more sampling than outlined in the department's monitoring guidelines. If consumers need more information on the nature and significance of specific water tests, for example, "what is the significance of Selenium in a water supply", more detailed information is available from: [http://www.hc-sc.gc.ca/ewh-semt/pubs/water-eau/index\\_e.html](http://www.hc-sc.gc.ca/ewh-semt/pubs/water-eau/index_e.html).

#### Water Quality Standards Bacteriological Quality

Parameter/Location	Limit	Regular Samples Required	Regular Samples Submitted	# of Positive Regular Submitted (%)
Total Coliform	0 Organisms/100 mL	52	52	0
E. coli	0 Organisms/100 mL			
Background Bacteria	Less than 200/100 mL			

#### Water Disinfection –

##### Chlorine Residual in Distribution System for Test Results Submitted with Bacteriological Samples

Parameter	Minimum Limit	Total Chlorine Residual Range	Free Chlorine Residual Range	# Tests Required	# Tests Submitted	# Adequate Chlorine (%)
Chlorine Residual	0.1 mg/L free OR 0.5 mg/L total	0.58-1.12	0.61-1.04		52	100 %

##### Water Disinfection - Free Chlorine Residual for Water Entering Distribution System from Waterworks Records- From Water Treatment Plant Records

Parameter	Limit (mg/L)	Test Level Range	# Tests Performed	# Tests Not Meeting Requirements
Free Chlorine Residual	at least 0.1	0.61-1.04	365	0

A minimum of 0.1 milligrams per litre (mg/L) free chlorine residual is required for water entering the distribution system. Tests are normally performed on a daily basis by the waterworks operator and are to be recorded in operation records. This data includes the number of free chlorine residual tests performed, the overall range of free chlorine residual (highest and lowest recorded values) and the number of tests and percentage of results not meeting the minimum requirement of 0.1 mg/L free chlorine residual.

##### Turbidity – From Water Treatment Plant Records

Parameter	Limit (NTU)	Test Level Range	# Tests Not Meeting Requirements	Maximum Turbidity (NTU)	# Tests Required	# Tests Performed
Turbidity	1.0	0.01-0.13	0		365	365

#### Chemical – Health Category

All waterworks serving less than 5000 persons are required to submit water samples for SE's Chemical Health category once every 2 years. The Chemical Health category includes analysis for arsenic, barium, boron, cadmium, chromium, fluoride, lead, nitrate, selenium and uranium.

The last sample for Chemical Health analysis was submitted on January 2020. Sample results indicated that the provincial drinking water quality standards were not exceeded.

The Balgonie Elks have made the very difficult decision to cancel this year's Canada Day Celebrations. Due to the Covid-19 virus and the uncertainty of large public gatherings, we will continue to do our part in ensuring our community stays healthy and safe.

We will however give our support to the Balgonie Fire Department in the annual fireworks display. Date and time to be determined, pending status of regulations from Saskatchewan Health Authority.

Thank you to everyone for your support and we look forward to hosting an amazing Canada Day Celebration in 2021!!

Fireworks of any kind are not to be set off in Town with the exception of Town of Balgonie

Fire Dept.! Parents please remind your children how dangerous fireworks can be.

Our environment is very dry right now, fireworks have the potential to start many grass fires at once.

## A Message from the RM of Edenwold

### Congratulations Grads!

Council and staff of the RM of Edenwold would like to extend their sincere congratulations to all Grade 12 students graduating this spring. We know you haven't been able to celebrate as you would've liked, but know that the community recognizes the hard work you have put in to get to where you are. We wish you nothing but the best of luck as you pursue your future endeavors and know that you will represent our region well!

Thanks to the Emerald Park/White City Garden Club for planting these beautiful flower pots in front of our municipal office!

Next time you're out for a walk, be sure to check out the Club's recent work at the pergola in Kuzmicz Commemorative Park.

### COVID-19 Update

- The municipal office is now open to the public. To maintain safe physical distance while in the office, be sure to follow the stickers on the floor and stay behind the plexiglass when conducting your business at the front counter. If you have any symptoms of COVID-19 including a cough, fever, fatigue, or shortness of breath, we ask that you please stay home and phone or email our office instead. Office hours are Monday to Friday, 9 a.m. to 5 p.m.
- Tennis/pickleball courts and playgrounds are now open in Emerald Park, however the washroom facility at Kuzmicz Commemorative Park will remain closed until further notice.

### Reminders:

- Proposed changes to the electoral boundaries of Division 3 (Emerald Park) will be discussed at Council on Tuesday, July 14<sup>th</sup> at 7:00 p.m.
- Information about upcoming public hearings can be now found on the RM's website under "Administration & Bylaws".
- The next inspection of yards for overgrown grass and weeds is scheduled for Monday, July 27<sup>th</sup>. Refer to the RM's Yard Maintenance Policy for more information.
