## **IMPORTANT MESSAGE**

School is back in session in Balgonie this fall. As the young people are back in Town, so too are some challenges for our local residents, school administration and law enforcement. There have been reports of:

- Driving offences.
- Littering.
- Large groups of students congregating.
- Blocking traffic in the community.
- Parking in “residential only” parking areas during the day.
- Fights and large groups of spectators.

The Town of Balgonie, Greenall High School, the White Butte RCMP and the Community Safety Officers are working together to address the reports that community members have reported. There will be times that incidents are witnessed by community members and it would be extremely helpful for witnesses to come forward with specific information to assist in issuing tickets or the application of disciplinary action on the individuals from the school.

Complaints regarding driving infractions, illegal activities, etc. should be reported to the RCMP at the White Butte Detachment (306-781-5050) with as much information as possible. If the incident involves a student’s behaviour during the school day, the report should also be made to the Greenall High School (306-771-2566) to follow up.

**The report from a community member should include as many of the following details as possible. Your name and contact information will also be required for any follow up. Your involvement in the reporting process will help to make Balgonie a safer place. Prepare your report to the RCMP and school by answering these questions:**

- Description of the incident: What happened?
- Where did it happen?
- Date and time of the incident.
- Description (or names) of the person (s) involved.
- Description of the vehicle? Make/Model/Color/specific identifiers/License plate #.
- Pictures/videos? If you have any evidence to send, ask for contact address to do so.

---

To report situations where an individual or business is suspected of being in non-compliance with Public Health Orders, use the following online form. You must provide your full name and number. Anonymous reports will not be addressed.

# TRANSFER STATION

The TRANSFER STATION is electronically set up and monitored, to provide our town residents with accessibility day or night. The Town of Balgonie offers services on site at the TRANSFER STATION, but has the added responsibility to ensure that environmental regulations are followed. Municipalities can be fined for burning unapproved items and not disposing of items in the manner set forth by the Provincial Ministry of Environment and the *Provincial Clean Air Act*.

Items are continually being left at the TRANSFER STATION which are not permitted, even though the areas are clearly marked. **IF THERE IS NO BIN, DO NOT LEAVE ANY ITEMS WHERE THE BIN IS NORMALLY LOCATED.** The red bins are available on the first (1<sup>st</sup>) and third (3<sup>rd</sup>) Friday of every month. There is no specific time as to when the bin will arrive on those days. Individuals who leave items which are not permitted will be fined up to \$500.00, and will have their transfer station card suspended. The card holder will be held accountable for all occurrences at the Transfer Station whether they accessed the transfer station themselves or lent their card out.

**Items that may be left at the TRANSFER STATION in their designated areas:**

- Scrap metal—Freon removed from fridge/freezers.
- Tree branches—Absolutely **NO** treated or painted wood.
- Compostable materials—Bags or boxes containing items not to be left in compostable area.
- Oil recycling station—Oil in its spot, and a place to leave the jugs.

## **YOU MAY NOT LEAVE THE FOLLOWING AT THE TRANSFER STATION:**

Microwaves	Propane tanks	Plastics	Televisions
Gyproc	Batteries	Shingles	Computer equipment
Tires	Cement	Toilets	Fiberglass insulation
Couches	Mattresses	Painted wood	Flat glass-window panes
Chairs	Windshields	Paint cans	Pressure treated wood

These items must be taken to the Regina Landfill site. Although a bin may be available, some of these items take up the entirety of the bin, making it unusable for other residents.

Key cards that are lost should be reported to our office immediately. They will be removed from the system and a new card, if requested, will be provided to your residence at a cost of \$40.00. If you are moving, we request that the card be left in a visible place for the new residents. The card is associated with the physical address of your home.
