# REMEMBRANCE DAY

## Lest We Forget

The 11<sup>th</sup> hour on the 11<sup>th</sup> day of the 11<sup>th</sup> month.

### In Flanders Fields

By John McCrae

*In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.*

*We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie,  
In Flanders fields.*

*Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies  
grow  
In Flanders fields.*

I am involved in a few of the community boards such as the pool board, soccer board, school SCC, as well as had a hand in building the park on main street.

I am running for town council to be a part of the town moving forward in the future, and would like to see more things for the young families that we have moving into our town. I am also interested in knowing and learning how the town runs and the different aspects of what goes into running the town we live in.

Dave and I moved into our home on Qu'Appelle Street in 1995. We raised four kids and have met many here in Balgonie through their activities, as well as our own.

I have been proud to be part of Balgonie Dinner Theatre. I know how important this event is to our community groups, and I want to make sure it has the support and means to continue.

I have also served on other Community Boards over the years such as Secretary of the Pool Board and President of the Balgonie Soccer Board.

I have always felt there was something special about Balgonie. It has heart, and I want to make sure we don't lose that! I hope you will let me do that as a Town Councillor.

I am also a member of the regional emergency measures organization for our town and rural municipality.

## **Lovelace, Lain**

### **Candidate for Councillor of the Town of Balgonie**

I would be pleased to serve the community for another four years as a Town Councillor. Balgonie has been my home since 1988, where my wife Virginia and I raised our two children. It's a community that means so much to me and one that I want to continue to be proud of for many years to come.

Maintaining a close knit, small town atmosphere while developing responsible commercial opportunities to supplement the tax base to continue to provide first rate services without increasing the residents tax burden is my focus.

Also its important to provide a safe and sustainable community for everyone.

My 33 years as a professional engineer and extensive work experience has allowed me to make a unique contribution on council. Over the past eight years the Town has moved forward with many positive accomplishments, I intend to continue this course.

Please vote on November 9th. Thank you!

## **Meier, Dwayne**

### **Candidate for Councillor of the Town of Balgonie**

Six years ago, my wife and I moved to the Town of Balgonie to raise a family. We have two children ages 8 and 6 and having them grow up in a safe and active community is important to us.

Since moving to Balgonie, I have become a Journeyman electrician and have been a member of the Fire Department for four years. I have participated in all the fire schools and additional training events being offered. I also have one-year service with the Medical First Responder team. I have coached youth soccer in Balgonie for both indoor and outdoor seasons. Within the past year, I have also become the president of the Balgonie Soccer Board.

If elected I will bring focus for parents with school aged children and safety and growth for the community.

## **Schneider, Chad**

### **Candidate for Councillor of the Town of Balgonie**

It would be my pleasure to represent you as one of your six Balgonie Councillors. For those of you who do not know me I am a Transmission & Construction Manager with SaskPower, happily married with 3 wonderful children, who have all attended Balgonie schools since Kindergarten.

Some of you may recognize me from my volunteer work with the coveted Balgonie Elks. Others from coaching Storm Softball, broomball, or from my work as President of the Saskatchewan Broomball Association.

Born and raised in rural Saskatchewan, I understand the challenges that a community can face and if given the opportunity I could bring forward community concerns with a fresh outlook and new ideas for all parts of the community new and old.

I look forward to the opportunity to represent you!

## **Solie, Kelvin**

### **Candidate for Councillor of the Town of Balgonie**

My name is Kelvin Solie. I am married to Pat Gottselig and a retired SaskTel employee. I have been a resident of Balgonie since 1998 and have served two terms on Council.

Council has been very busy this last term and I am proud to have been part of its success with the completion of the following projects:

- lagoon with supplemental force main and lift station;
- paved approximately four kilometers of walkways with lights and benches;
- upgrades to multiplex, arena, pool, curling rink and ball diamonds;
- renovations to town office building with addition of a new business space.

I envision a Council that is progressive and financially responsible. One that promotes residential and commercial development and continued improvements to our infrastructure.

On November 9 I am asking for your support, that I may continue to represent you and make our town a place everyone wants to live.

**Wagman, Janet A.**  
**Candidate for Councillor of the Town of Balgonie**

My name is Janet A. Wagman and I am running for the position of Councillor for the Town of Balgonie. I have been a town councillor for the past 8 years and would like to continue to represent Balgonie ratepayers.

My husband Patrick and I have lived in Balgonie for 41 years and I have recently retired after a 42 year career, as a business auditor, from the Saskatchewan Ministry of Finance.

Council has completed several projects in the past 8 years, such as:

- A new water reservoir/distribution line from Pilot Butte;
- A new sewer force man and lift station along with a new lagoon project;
- Several kilometers of paved and lighted walking paths;
- Town Administration Building/Library renovation.

I believe in a common sense, openly transparent, accountable government and, if re-elected, I will continue to abide by these principles and work for the enrichment of our community.

We would like to remind everyone to sanitize their hands upon entry of all facilities. If you are not feeling well, please refrain from entering the facilities.

Just a reminder that masks are now required in the Balgonie Arena for any Saskatchewan Hockey sanctioned events; this includes all practices and games. Please do your part in maintaining 6 feet of distance in all facilities.

## **SNOW REMOVAL**

We are very fortunate to have great staff to clear our streets and sidewalks for us! This time consuming job is made a lot easier when vehicles are moved off of the streets for the grader to come through. As well, the town boulevards (approximately the first 12-15 feet of each property) need to be free of vehicles, trailers and all other items as this is where the snow is placed.

Main streets are done first, followed by side streets and then alleys. Depending on the severity of the storm and the amount of snow, it may take a while for all streets and alleys to be cleared.

The Town staff appreciates your patience and understanding.

# Greenall Griffins Update

October in Review | 2020

Greenall High School has welcomed two new administrators this year. Principal John J. Harvey and Vice Principal Cortney Leonard are excited to join the Griffin family!

Students in Commercial Cooking made and processed homemade salsa!

Greenall's ODE 10 classes recently travelled to Echo Lake Provincial Park. Students learned about edible and medicinal plants, how to build a survival shelter and were treated to a bow drill demonstration by Colin Frey.

Greenall students participated in Orange Shirt Day on September 30. Orange shirt day is meant to open the door to a global conversation on all aspects of Residential Schools. It is an opportunity to create meaningful discussions about the effects of Residential Schools and the legacy they have left behind. It is a discussion all Canadians can tune into and create bridges with each other for reconciliation. It is a day for survivors to be reaffirmed that they matter, and so do those that have been affected.

We continue to recognize our Griffins of the Week, students at Greenall who display our values! Drayden and Gwen are two of our Grade 12 students that were recently celebrated and Emily was our most recently celebrated Grade 11 student.

# A Message from the RM of Edenwold

## Household Hazardous Waste Day

Our first ever Household Hazardous Waste Day was a huge success! With the help of Terrapure Environmental, 150 residents of the RM of Edenwold and town of Pilot Butte safely disposed of paint barrels, used oil, burnt lightbulbs and old batteries.

Due to the overwhelming popularity of the event, we are already looking into options for another Household Hazardous Waste Day in the future. Stay tuned for updates!

## Strategic Plan Update

The RM of Edenwold is developing a Strategic Plan to drive our municipality forward, and we want to hear from you. Stay tuned for information about future public engagement opportunities and ways to get involved.

## RV Parking – Seasonal Restrictions in Effect October 30<sup>th</sup>

A reminder to Emerald Park residents that seasonal parking restrictions take effect on October 30<sup>th</sup>. These restrictions, enacted by the Parking Bylaw 2020-29, require all campers and motorhomes parked in the front driveway or the street to be removed. RVs can be parked in the backyard or between the side of the house and the side property line, but the front of the RV cannot extend past the front of the house or garage. Homeowners found to be in violation of the Parking Bylaw will be ticketed. For more information, please contact the Planning Department.
