**An adorable and important
message from one of our
Balgonie Residents...**

Dear Mayor Thauberger,

My name is Liam and I am 7 years old. I live in Balgonie.

I would like to ask if you can make smoking cigarettes illegal because I am finding cigarettes scattered around the Town and it harms the Town. This garbage is toxic for kids and animals and makes our Town look dirty. It is disgusting that people just throw them away on the ground.

What can we do to fix this problem, Mr. Mayor?

Maybe you can call the Earth Rangers to come here and help pick up the garbage; I am one myself. My class and I just did a town clean-up. We found so many cigarettes and flammable lighters around our school.

Can you help with this problem?

I don't want to see the Town harmed by this bad habit. It is unfair for the Earth and kids like me.

I want to keep the kids in Balgonie safe.

I really don't like that people throw flammable stuff around Town, wherever they want.

Please help me make this illegal.

Sincerely,

Liam

July 1st Update from the Balgonie Elks

The Balgonie Elks have made the difficult decision to not proceed with the July 1st Family Fun Day to celebrate this extraordinary country and our communities.

Our Communities and Province have demonstrated an extraordinary effort to bend the curve down and to #StickittoCovid by getting vaccinated. Saskatchewan has put in place a re-open plan and by July 1st the re-opening limits for safe outdoor gatherings will not be at a place to support the large July 1st celebration we all enjoy.

The Balgonie Elks want to thank all community members for your efforts through this pandemic.

The Balgonie Elks continue to meet virtually, plan for future events, and support community projects that fit into our mandates of hearing and children.

The Balgonie Elks look forward to your future support in fundraising events that will be announced shortly.

July 1st Fireworks

Although the Balgonie Elks have made the difficult decision to cancel the July 1st Family Fun Day, the Fireworks will still take place at 10:30 p.m. on July 1st, 2021 at the Sportsgrounds.

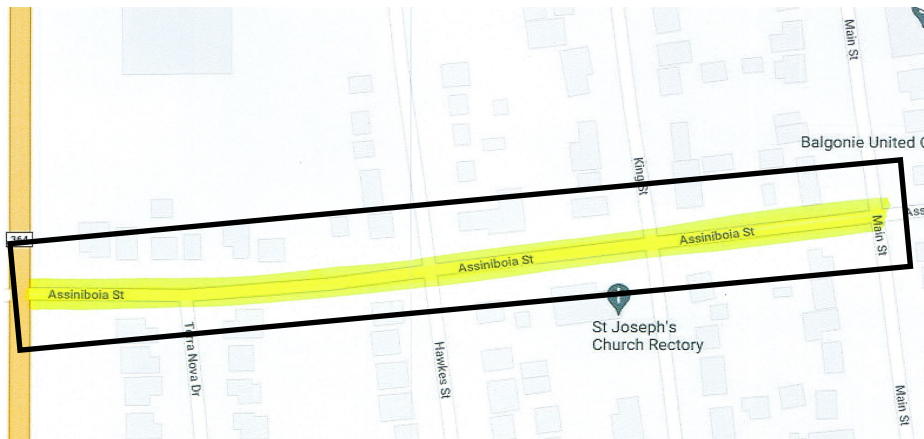

The Balgonie Fire Department, Town of Balgonie, and the R.M. of Edenwold are proudly sponsoring the Fireworks. Appropriate Covid-19 measures will be in place and we ask that community members continue to wear their masks and distance.

No Parking on Assiniboia

The Council of the Town of Balgonie reviewed the letters and e-mails from residents with regard to installing “No Parking” signs along the South Side of Assiniboia Street from Highway 365 to Main Street. After further discussion, a resolution was passed to install “No Parking” signs along this corridor.

Council wants to thank those of you who took the time to provide input on this decision.

Thank You

The Wagner Family would like to thank the whole community for the food, flowers and overwhelming support we received on the recent passing of our Wife and Mom, Deanna. We were lifted up by everyone's condolences and well wishes during this very difficult time. It helps us all very much to know that so many people also have fond memories of Deanna and are sharing in our loss. We are blessed to be part of such an amazing community.

Thank You

Our family would like to say a big Thank You to our community!

Myself, Kathy Boucha, my partner, Ryan Laverdiere, and our son, Hunter, are very appreciative of all the help and support from our community. We went through something unimaginable and without all of the support that we received from the community, we would not be where we are today. We have received a generous amount of donations and will never be able to say thank you enough. Slowly but surely we are getting back to our every day lives and we could not be more grateful.

We would like send a huge Thank You to the Balgonie Early Learning Centre, Balgonie Volunteer Fire Department, Town of Balgonie, Graham's Tire, our friends and especially our families!

Drinking Water Quality and Compliance Town of Balgonie

Introduction

The Water Security Agency and the Ministry of Environment requires that at least once each year waterworks owners provide notification to consumers of the quality of water produced and supplied as well as information on the performance of the waterworks in submitting samples as required by a Minister's Order or Permit to Operate a waterworks. The following is a summary of the Town of Balgonie's water quality and sample submission compliance record for the **June 2020 to June 2021** time period. This report was completed on **May 25, 2021**. Readers should refer to Water Security Agency's Municipal Drinking Water Quality Monitoring Guidelines, June 2015, EPB 502 for more information on minimum sample submission requirements and the meaning of type of sample. Permit requirements for a specific waterworks may require more sampling than outlined in the department's monitoring guidelines. If consumers need more information on the nature and significance of specific water tests, for example, "what is the significance of Selenium in a water supply", more detailed information is available from: http://www.hc-sc.gc.ca/ewh-semt/pubs/water-eau/index_e.html.

Free Chlorine Residual	at least 0.1	0.57-1.00	365	0

A minimum of 0.1 milligrams per litre (mg/L) free chlorine residual is required for water entering the distribution system. Tests are normally performed on a daily basis by the waterworks operator and are to be recorded in operation records. This data includes the number of free chlorine residual tests performed, the overall range of free chlorine residual (highest and lowest recorded values) and the number of tests and percentage of results not meeting the minimum requirement of 0.1 mg/L free chlorine residual.

Turbidity – From Water Treatment Plant Records

Parameter	Limit (NTU)	Test Level Range	# Tests Not Meeting Requirements	Maximum Turbidity (NTU)	# Tests Required	# Tests Performed

Chemical – Health Category

All waterworks serving less than 5000 persons are required to submit water samples for SE's Chemical Health category once every 2 years. The Chemical Health category includes analysis for arsenic, barium, boron, cadmium, chromium, fluoride, lead, nitrate, selenium and uranium.

The last sample for Chemical Health analysis was submitted on **January 19, 2021**. Sample results indicated that the provincial drinking water quality standards were not exceeded.

Balgonie Elementary School & Community Council

BES needs the help of parents and community members!

Have you thought about getting more involved with school activities? BES is in need of people just like you to help out our School & Community Council (SCC)!

There are many ways you can get involved, but here are a few of the immediate needs:

- Help with our monthly hot lunch (called “Munch-A-Lunch”):
 - “Munch-A-Lunch Coordinator”: seeking an organized individual who will oversee inventory, order supplies, arrange volunteers for monthly lunches, and liaise with the “Munch-A-Lunch Administrator” (person that deals with finances/lunch ordering system; position is filled)
 - “Lunch Prep Helpers”: Each month, helpers are needed to prepare lunches for students on the morning of the Munch-A-Lunch. This involves cooking, clean-up, stuffing lunch bags as per each student’s order, and delivering orders to classrooms.
- School Community Council (SCC) Secretary for 2021-2022: The Secretary attends all SCC meetings (5 per year) and records, prepares, and distributes meeting minutes.
- Members-at-Large (SCC): Be a member of the School & Community Council, attend SCC meetings as available, assist with a sub-committee based on personal interests, but don’t have to commit to any particular role!

For more information, please contact christine.mcbain@uregina.ca or raeanne.skihar@uregina.ca. Currently, meetings have been held remotely due to public health restrictions, but when we meet in person, child care can be provided.

Greenall Griffins Update

May in Review | 2021

We are so grateful to the Greenall Booster Club and all of their supporters! The Booster Club has supported many initiatives within and around Greenall High School. Most recently, the Booster Club has been working to create a multi-use sports court on the east side of the school. We know that these courts will be well utilized for many years to come. Thank you Greenall Booster Club!

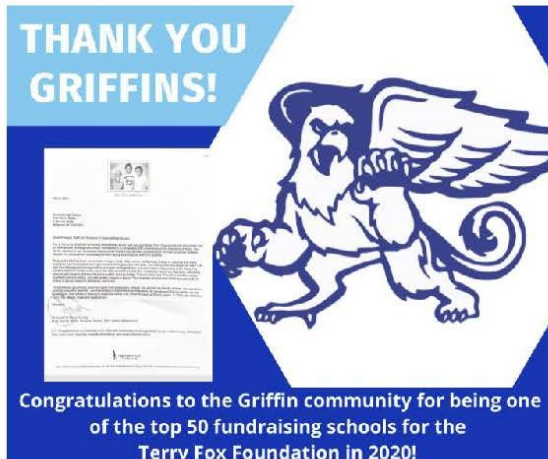

Greenall teachers and students have been excited to share their Covid-19 vaccine selfies! Head over to our social media pages, @greenallschool for more information and to see more fun photos of this historic moment!

Greenall students Hayden and Calla were recently celebrated as Griffins of the Week. Hayden and Calla are both thoughtful, kind, hardworking, and responsible individuals who have excelled academically this year! We are so proud of them. ❤️

Congratulations to the Griffin community for raising \$1435.00 for the Terry Fox Foundation this year. This total earned us a spot in the Top 50 amounts raised in schools throughout Saskatchewan. Greenall High School and the Terry Fox Foundation thank you for your generous donations! We are proud to be part of the Griffin family.

Balgonie Dance & Twirl

THANK YOU and CONGRATULATIONS!!!

THANK YOU to all of our dedicated and remarkable dancers, teachers, and families for all of their hard work, patience and talent that made this year so special!

We would also like to CONGRATULATE our 3 graduating dancers, Payton Oswald, Merissa Tomaschefski and Hayley Bereti. All the best in your future endeavors. We will miss watching your beautiful dancing!

A big Thank you to Kendal Oswald and Deanne Tomaschefski who both provided years and years of volunteer service to the club. We can not Thank you enough for everything you both did!

A few other special Thank You's, Leeann Waite for all costume alterations, White City Dance School for the use of their facility to record recital routines, Cody with Pro AV who spent many hours with us recording all the amazing dances and the Town of Balgonie for helping set up the dance studio each week.

We are so proud of every dancer during this unprecedented year. Thank you, Thank you, Thank you! We can not wait to see you all back on the dance floor in the fall! Stay tuned for Dance Camp and 2021-2022 Season Information.

Help us meet our sponsorship goal, and be a part of history by keeping youth baseball in our community!

Broncos Baseball is a branch of the White Butte Minor Ball Association that brings together youth aged 4-18 to form baseball teams with skill levels that range from recreational to competitive. We serve youth from Balgonie, Pilot Butte, White City and Emerald Park, as well as the immediate surrounding communities. In the upcoming 2021 season, and for the first time, Broncos Baseball plans to field a team in 18U AAA - the marquee division of youth baseball.

However, we have a major problem, and it is the focus of this sponsorship drive. In our community, the Balgonie Sports grounds houses our only 18U diamond. This diamond does not meet Baseball Sask guidelines and is lacking in safety measures which will force our AAA team to play its home games in Regina until a new diamond can be completed.

We are asking for your assistance in creating a safe regulation-sized 18U diamond.

As you can imagine, this renovation will come with large costs. Although the Town of Balgonie is willing to assist with funding, and Broncos Baseball is working to acquire grants and raise funds, we cannot make this renovation a reality without corporate sponsorship. We have several sponsorship options:

GRAND SLAM	\$250,000 +
10 year naming rights to Balgonie Sports grounds	
Logo on website and promotional materials	
Name/logo on donor-recognition wall	
HOME-RUN	\$50,000 - \$100,000
10 year naming rights to diamond #4	
Logo on website and promotional material	
Name/logo on donor recognition wall	
TRIPLE	\$3000-\$50,000
Company logo on scoreboard	
Logo on website and promotional material	
Name/logo on donor recognition wall	
DOUBLE	\$500 - \$3000
Name/logo on donor-recognition wall	

Throughout Saskatchewan, communities of all sizes feature beautiful 18U diamonds. Your sponsorship can help make our 18U diamond the crown jewel of our association and keep our youth playing in their community. On behalf of Broncos Baseball, I would like to thank you for your time and for your consideration in partnering with us!
