Carbon Monoxide & Smoke Alarms

New Law Effective July 1, 2022

As per the Government of Saskatchewan's *Building Code Regulations*, it is law that Saskatchewan residents have carbon monoxide and smoke alarms installed in every residential home before July 1, 2022.

Enforcement will not begin until July 1, 2022, so you can have time to research, purchase and install these alarms in your residence. For more information about this new law, go to:

saskatchewan.ca/smoke-co-alarms

ATV Owners

Please keep the Town of Balgonie's Bylaw #391/2016 in mind when operating ATVs. They can be driven from your property to the nearest exit. Stunting and driving on walking paths is not permitted as it is a major safety concern for those who are walking and/or biking on them. Please be respectful of others and their property when operating ATVs.

New Forms

There are new forms on the Town's website for:

- Address Changes
- Incident Reports
- E-mail Consent Forms

Please use them when you have an address change, incident to report or wish to receive utility and tax notices via e-mail. Check them out here:

<https://townofbalgonie.ca/forms/>

Electronic Payments

Tax and Utility bills may be paid electronically through your online banking service. Please use **Town of Balgonie Taxes** for your tax bills and **Town of Balgonie Utilities** for your water/sewer bills. **DO NOT USE Balgonie Water**—this payee is a previous business and is not associated with the Town Office.

If you are unsure of your account number, please contact the Town Office at 306-771-2284 or townofbalgonie@sasktel.net to obtain your account number.

When making an on-line payment, allow 2-3 business days before any due date so that your payment is receipted prior to any penalties being applied to your account.

2022 Tax & Utilities Notices

Tax notices were sent out June 23. If you have not received yours, please contact the Town Office.

Utility Notices will be sent out the first week of July. If you have not received yours, please contact the Town Office.

**PUBLIC NOTICE
TOWN OF BALGONIE
NOTICE OF INTENTION TO ADOPT BYLAW NO. 432/2022**

Public notice is hereby given that the Council of the Town of Balgonie intends to adopt a Bylaw, under *The Planning and Development Act, 2007*, to amend Bylaw No. 374/2014, known as the Zoning Bylaw.

INTENT:

The proposed Bylaw will rezone a portion of Blk/Par E102190777 from FUD-Future Urban Development District to CS-Community Service District, exempt public utilities from site development regulations in all zoning districts, and increase the maximum area and building height of accessory buildings in the residential districts.

The land to be rezoned is outlined in a bold dashed line on the map below:

REASON FOR THE AMENDMENT:

The reason for the Bylaw amendment is to allow larger accessory buildings and structures in the R1-Residential District and R2-Residential Multiple Dwelling District. The proposed Bylaw will also accommodate the development of a public utility parcel.

PUBLIC INSPECTION:

Any person may inspect the Bylaw at the Town of Balgonie Municipal Office Monday to Friday between 9:00 am to noon and 1:00 pm to 5:00 pm excluding statutory holidays. Printed copies are available at cost at the Municipal Office or may be viewed online at www.townofbalgonie.ca.

PUBLIC HEARING:

Council will hold a public hearing to receive submissions on the proposed bylaw on Monday, July 25, 2022 at 7:00 p.m. at the Town of Balgonie Council Chambers. Council will also consider written submissions received at the hearing or delivered to the undersigned at the municipal office before the hearing. For further information, please contact the Municipal Office at 306-771-2284.

Issued at the Town of Balgonie,
this 30th day of June, 2022.
Karen Craigie, Administrator

Drinking Water Quality and Compliance Town of Balgonie

Introduction

The Water Security Agency and the Ministry of Environment requires that at least once each year waterworks owners provide notification to consumers of the quality of water produced and supplied as well as information on the performance of the waterworks in submitting samples as required by a Minister's Order or Permit to Operate a waterworks. The following is a summary of the Town of Balgonie's water quality and sample submission compliance record for the **June 2021 to June 2022** time period. This report was completed on **June 8, 2022**. Readers should refer to Water Security Agency's Municipal Drinking Water Quality Monitoring Guidelines, June 2015, EPB 502 for more information on minimum sample submission requirements and the meaning of type of sample. Permit requirements for a specific waterworks may require more sampling than outlined in the department's monitoring guidelines. If consumers need more information on the nature and significance of specific water tests, for example, "what is the significance of Selenium in a water supply", more detailed information is available from: http://www.hc-sc.gc.ca/ewh-semt/pubs/water-eau/index_e.html.

Water Quality Standards

Bacteriological Quality

Parameter/Location	Limit	Regular Samples Required	Regular Samples Submitted	# of Positive Regular Submitted (%)

Water Disinfection - Free Chlorine Residual for Water Entering Distribution System from Waterworks Records- From Water Treatment Plant Records

Parameter	Limit (mg/L)	Test Level Range	# Tests Performed	# Tests Not Meeting Requirements
Free Chlorine Residual	at least 0.1	0.19-1.62	365	0

A minimum of 0.1 milligrams per litre (mg/L) free chlorine residual is required for water entering the distribution system. Tests are normally performed on a daily basis by the waterworks operator and are to be recorded in operation records. This data includes the number of free chlorine residual tests performed, the overall range of free chlorine residual (highest and lowest recorded values) and the number of tests and percentage of results not meeting the minimum requirement of 0.1 mg/L free chlorine residual.

Turbidity – From Water Treatment Plant Records

Parameter	Limit (NTU)	Test Level Range	# Tests Not Meeting Requirements	Maximum Turbidity (NTU)	# Tests Required	# Tests Performed
Turbidity	1.0	0.01-0.26	0	0.26	365	365

Chemical – Health Category

All waterworks serving less than 5000 persons are required to submit water samples for SE's Chemical Health category once every 2 years. The Chemical Health category includes analysis for arsenic, barium, boron, cadmium, chromium, fluoride, lead, nitrate, selenium and uranium.

The last sample for Chemical Health analysis was submitted on **January 21, 2022**. Sample results indicated that the provincial drinking water quality standards were not exceeded.

Recreation News - by Shaun McBain

Some of the Ball is winding down and playoffs for teams will start in the middle of July. Great job coaches, players and volunteers for another great year of soccer!

The Pool is now open. Please call 771-2342 to find out times that they are open or even to book swimming lessons for your children. If you want to book a pool party, please call the pool.

The Saskatchewan Lotteries Community Grant Fund form is attached to this issue of the Talk of the Town. Groups, please fill out the form and return it to me by the middle of September. The forms will be discussed in October and the funds will be dispersed at that time also.

The Dinner Theatre committee has made the decision to have the 2022 shows for this coming year. The dates will be November 4th & 5th and November 11th & 12th. Box office will be held at the Balgonie Multiplex on Sunday, October 16th from 9:00 a.m. to 11:00 a.m. The name of the play will be announced in the next month or two.

Have a safe summer... have a great summer!

The Balgonie Soccer Board wishes to thank all coaches, referees, players and helpers during this 2022 outdoor season. We had a great jamboree because of all the hard work you all put in!

We are looking to fill several positions within the soccer board to support our future seasons.

Individuals are welcome to do more than one role. Experienced board members will support you and help you move into the roles. You can reach out to us on our website www.balgoniesoccer.com, or by emailing balgoniesoccer@gmail.com. These roles include:

President (Sets up meetings, main contact and representative of Balgonie Soccer)

Equipment Manager (Handles equipment handout for teams and retrievals at seasons end)

Field Manager (Checks in with town about field conditions)

Rec Board Manager (Monitors and responds to Balgonie Soccer e-mail, Facebook and TeamLinkt)

Secretary (Records meetings and organizes board information)

Member at Large (Assumes no specific role, but assists as a board member)

The outdoor season has now finished up, but soccer is not done for the year. Indoor registration will be here sooner than you think. Please keep an eye on our website and Facebook page for updates.

If you are not a member of our Facebook group, please request to join.

Indoor registration for 6U and up will be open for the month of August.

Thanks again everyone!

Country Breeze Berry Farm

Saskatoon Berries will be available for U-Pick and I-Pick in approximately the first or second week of July.

Raspberries will be available shortly after that.

Call Diana for an appointment at 306-771-2890 to book in advance and I will call you with a date.

I am also looking for pickers 2 days per week for approximately 3 weeks. You can work as many hours as you would like but a minimum of 4 hours makes it worthwhile. You can pick to your music or visit with friends.

The area between the trees is grassed and has very few bugs. I only ask that you pick clean.

I am located 18 km
NE of Balgonie.

Call 306-771-2890 if
you are interested.

Women in Government Campaign School - July 6th

The RM of Edenwold is happy to announce that they will be hosting a series of Campaign School events over the coming months. They have partnered with the non-profit Equal Voice (<https://equalvoice.ca/>) to host these events, with the first event scheduled for **July 6th from 6:30 pm to 8:30 pm at the RM Office in Emerald Park**. Refreshments will be provided, and they are asking that participants RSVP before hand by either emailing rossz@edenwold-sk.ca, or by calling 306-347-2975. Guest speakers will be invited to present on their experiences and knowledge. Note: While Campaign School is part of the Women in Government Program, these events are open to everyone, both men and women.

They've also released a research report based on the survey results, interviews with elected women politicians, and an analysis of electoral data. You can read the full research report at the RM of Edenwold's website - <https://www.rmedenwold.ca/p/women-in-government>

SLC UPDATE

May and June were exciting months for the SLC! They were busy planning end of the year activities for students and their Annual Spring Thing - which was a huge success. On June 2, students had the opportunity to spend the day playing carnival style games, viewing a car show, and enjoying food truck treats from The Sweet Life, Schmitt's Smoked Meats, and Spuds Poutine. It was an amazing event enjoyed by all!

The SLC would like to congratulate and extend their thank you to their graduating members - (L to R) Mya, Elizabeth, Maddy, Alexis, Ashlynn, Kiarra, and Hannah. The contributions, dedication, and efforts displayed by these 7 individuals is second to none. We will miss them, but wish them all the best as they tackle these next chapters!

GREENALL FILM FESTIVAL

Families and community members had an opportunity to come for the public viewing of the documentaries created by Miss Marley's grade 9 English classes. The students independently created these pieces based on their own research skills about contemporary social issues that mattered to them. Thank you to everyone who attended over both nights to celebrate these students! The videos were exceptional, the content maturely addressed, their concerns raised and their high-level editing skills were on full display!

"ONCE A GRIFFIN, ALWAYS A GRIFFIN"

Before we know it the 2021-2022 school year will have come to an end. For our administrative team this concludes our second year at Greenall. We would like to thank the staff, students and community for making this year a valuable and rewarding experience. This year we saw the return of many of our extra-curricular and co-curricular programs to our school. Greenall High School is a school that is constantly on the go with numerous initiatives that are support by our staff and students. We would like to commend the students for their commitment toward academic growth and for being caring members of our Greenall family. To the Graduating Class of 2022, it is a pleasure to see you grow into the individuals you have become. We wish you luck in your future endeavours. Don't forget where you come from and don't hesitate to come back and let us know where your path has taken you. As a graduating class you have certainly been given several challenges in your high school career. Throughout it all you have maintained a commitment to learning and growth. We are so pleased that your year had the potential to be everything you had envisioned it to be. To the student who will be returning next year, please enjoy your summer. We know that when you return in the fall, you will be ready to do the work that makes our school a great place to be. It is your efforts and involvement that make your school year rewarding for yourself and your peers. Lastly, we would like to thank the staff for all that they do for the students of Greenall. We wish Mr. Rod Stroeder all the best in his retirement after 32 years at Greenall High School, you will certainly be missed. Many teachers spend their career hoping to achieve the impact that you have had on your students and the communities of Greenall. To everyone whose time at Greenall is coming to an end, know that your impact will not be forgotten and as always, "Once a Griffin, always a Griffin".

EXTRA CURRICULAR AWARDS

After two years, Greenall was excited to finally host their annual Extra-Curricular Awards Banquet to celebrate so much student talent, dedication, and leadership in athletics, arts, and aesthetics. This event also celebrated all of the incredible community coaches, volunteers, and staff who have dedicated numerous hours to these programs at Greenall. It was an excellent evening to conclude the 2021-22 year!

- TRANSFER STATION -

The Transfer Station is electronically set up and monitored to provide our Town residents with accessibility day and night. The Town of Balgonie offers on site services at the Transfer Station, but has the added responsibility to ensure that environmental regulations are followed. Municipalities can be fined for burning unapproved items and not properly disposing of items set forth by the Ministry of Environment and the *Clean Air Act*.

The red Loraas Disposal bin is delivered on the **first (1st) and third (3rd) Friday** of every month. There is no specific time as to when the bin will arrive on these days. **IF A RED BIN IS UNAVAILABLE, DO NOT LEAVE ANY ITEMS WHERE THE BIN IS NORMALLY LOCATED.** Individuals who leave items which are not permitted will be fined up to \$500.00, and will have their Transfer Station card suspended. The card holder will be held accountable for all occurrences at the Transfer Station whether they accessed the Transfer Station themselves or provided their card to another individual.

Be courteous of others! Although a bin may be available, large items and multiple loads take up the entirety of the bin, making it unusable for other residents. If you have multiple large items, please take them to the Regina Landfill. **Home builders/developers are not permitted to use the red Loraas Disposal bin and are required to rent their own waste container bins.**

Items that **may** be left at the Transfer Station in their designated areas:

- Scrap metal
 - o Propane tanks are accepted in the scrap metal pile.
 - o Please remove the freon from fridges and freezers.
- Tree branches
 - o Absolutely NO treated or painted wood.
- Compostable materials
 - o Bags or boxes containing compostable materials are NOT to be left in the compost area.
- Oil recycling station
- Cement

Items that **may not** be left at the Transfer Station/in the red Loraas Disposal bin:

- Tires
- Shingles

Items you are encouraged to recycle at SARCAN:

- Beverage Containers
- Batteries
- Electronics
- Household Paint
- Non-Beverage Glass Containers (only accepted at Regina and Saskatoon SARCAN locations)

For more information regarding SARCAN's recycling programs, visit www.sarcana.ca.

TRANSFER STATION KEY CARDS

Key cards are provided to newly built homes that are occupied, and new residents, at no charge. However, if a key card is lost, it should be reported to the Town Office immediately to be disabled. The card(s) will be removed from the system and a new card, if requested, will be provided at a cost of \$40.00.

IF YOU ARE MOVING - we request the transfer station card to be brought in to the Town Office so we can provide it to the new homeowners. Thank you.
