REPORT OF THE INDEPENDENT AUDITORS ON THE SUMMARY CONSOLIDATED FINANCIAL STATEMENTS

To the Mayor and Councillors
TOWN OF BALGONIE

Opinion

The summary consolidated financial statements, which comprise the statement of consolidated financial position as at December 31, 2021 and the consolidated statement of operations for the year then ended, are derived from the audited consolidated financial statements of the TOWN OF BALGONIE for the year ended December 31, 2021.

In our opinion, the accompanying summary consolidated financial statements are a fair summary of the audited consolidated financial statements in accordance with Canadian public sector accounting standards.

Summary Consolidated Financial Statements

The summary consolidated financial statements do not contain all the disclosures required by Canadian public sector accounting standards. Reading the summary consolidated financial statements and the auditors' report thereon, therefore, is not a substitute for reading the municipality's audited consolidated financial statements and the auditors' report thereon.

The Audited Consolidated Financial Statements and Our Report Thereon

We expressed an unmodified audit opinion on the audited consolidated financial statements in our report dated May 12, 2022.

Management's Responsibility for the Summary Consolidated Financial Statements

Management is responsible for the preparation of the summary consolidated financial statements in accordance with Canadian public sector accounting standards.

Auditors' Responsibility

Our responsibility is to express an opinion on whether the summary consolidated financial statements are a fair summary of the audited consolidated financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, "Engagements to Report on Summary Consolidated Financial Statements".
