Reminder - Snow Removal

We are very fortunate to have great staff to clear our streets and walking paths! This time consuming job is made a lot easier when obstacles (vehicles, trailers, basketball nets, etc.) are moved off of the streets for the grader to come through. Also to please refrain from pushing your snow onto the streets and neighboring properties. Property owners are responsible for keeping the snow on their own property. If you would like the snow removed from your property, it is your responsibility to arrange this.

Thank you for your co-operation and understanding!

The outdoor arena is in full swing. The Zamboni will flood the ice once a week. There is no set day for this. The lights will turn on around 5:30 p.m. and turn off at 9:30 p.m. Time permitting, the town staff will shovel off the ice surface periodically throughout the week.

If the weather is above zero for a few days, please refrain from using outdoor arena. The gate will be locked so we do not damage the ice. Please be courteous to others who are also using the facility.

We hope you had a Merry Christmas and wishing you a Happy New Year. December for the club was a little slow, with holiday plans and some cancellations due to events taking place at the BES. We are looking forward to things getting going again for the new year. A reminder that we meet Thursdays from 7:00 PM to 9:00 PM at the Balgonie Elementary School. “From Canola Field to Field of Dreams”

Jeff Holland and Bob Baker

WCGC members Jeff Holland and Bob Baker will share their challenges and triumphs over the last 5 plus years developing their 22-acre yard.

From this

to

this in 5 years!

In 2016, they purchased the corner of field, and built their dream home. Since then, they have undertaken multiple projects developing 22 acres of farm field into a yard. This included: starting a shelter belt, planting a lawn, developing a three-quarter of an acre garden and orchard (including a 35 ft long greenhouse), and numerous perennial beds. Through numerous pictures (including drone shots), Jeff and Bob will discuss how (WHY) they took on this challenge, and their progress to date.
