## Fall Clean-up Bins at the Transfer Station

The **red Loraas bin** at the Transfer Station will be available the entire month of October. **Please continue to use the designated area for leaves, plants and pumpkins.**

Be courteous of others! Large items and multiple loads take up the entire bin, making it unusable for other residents. If you have multiple large items, please take them to the Regina Landfill. Home builders/developers are not permitted to use the red Loraas bin.

For a complete list of what can be left at the Transfer Station, please see the end of the newsletter.

With cellular phones replacing land lines, we graciously ask that you contact our office with your updated contact information.

Please call us at 306.771.2284 or email [townofbalgonie@sasktel.net](mailto:townofbalgonie@sasktel.net). The information is intended for office use only. Thank you for your assistance!

### School Bus Reminder to all Residents (From the SGI website):

School bus drivers have a difficult job. There are plenty of distractions inside the bus. Knowing this, you should make extra allowances, and be aware of the possibility that the bus driver may not see you or your signals. Rear-end collisions are the most frequent type of crash involving school buses and are usually caused by another driver failing to stop while the bus is loading or unloading passengers.

When approaching a school bus, **if you see amber flashing lights, slow down and proceed with caution. If the red flashing lights are activated, you must come to a complete stop.** If you're approaching the bus from the opposite direction on an undivided highway, you must also stop. The single greatest threat to the safety of children who ride school buses is motorists who pass the bus when children are loading and unloading.

When approaching a bus that has its stop arm out and its red flashing lights activated, as a driver:

- You must stop no closer than 5 m (15 ft.) from the front or back of the bus
- You must not advance your vehicle until the bus driver turns off the flashing red stop lamps and deactivates the stop arm.
- Before moving, check to see that all children have safely crossed the roadway.

**Passing a school bus with red flashing lights is a serious offence and will result in a minimum fine of \$360.**

Back to YouRoots

Back To YouRoots focuses on wholesome, plant-based “soul food”, vegan kimchi, and kraut, and fermented products are some of their most popular. All of their ferments are never pasteurized and are vinegar free. ## **– TRANSFER STATION –**

The Transfer Station is electronically set up and monitored to provide our Town residents with accessibility day and night. The Town of Balgonie offers on site services at the Transfer Station, but has the added responsibility to ensure that environmental regulations are followed. Municipalities can be fined for burning unapproved items and not properly disposing of items set forth by the Ministry of Environment and the *Clean Air Act*.

The card holder will be held accountable for all occurrences at the Transfer Station whether they accessed the Transfer Station themselves or provided their card to another individual in their household. Lending the card out to another residence in Town or anyone else is definitely NOT PERMITTED.

Transfer Station cards are initially provided to the “New” home owner at no charge. However, if a card is lost; it must be reported to the Town Office immediately to be disabled. The card will be removed from the system and a new card, if requested, will be provided at a cost of \$40.00.

The red Loraas Disposal bin is currently delivered on the first (1st) and third (3rd) Friday of every month. There is no specific time as to when the bin will arrive on these days. IF A RED BIN IS UNAVAILABLE, DO NOT LEAVE ANY ITEMS WHERE THE BIN IS NORMALLY LOCATED. Individuals who leave items which are not permitted will be fined up to \$500.00, and will have their Transfer Station card suspended. Additional fines may be levied by the Ministry for individuals dumping illegally.

Be courteous of others! Although the bin may be available, large items and multiple loads take up the entirety of the bin, making it unusable for other residents. If you have multiple large items, please take them to the Regina Landfill.

Home builders/developers are NOT permitted to use the red Loraas Disposal bin and are required to rent their own waste container bins.

### **Items that may be left at the Transfer Station in their designated areas:**

- Scrap Metal
  - Propane tanks are accepted in the scrap metal pile

Items that are accepted or NOT accepted at the Transfer Station in Balgonie may be subject to change. Be sure to follow the current signage.
