# QUESTIONS FREQUENTLY ASKED REGARDING APPEALING YOUR PROPERTY ASSESSMENT

(The following questions and answers are taken from the pamphlet "*Understanding the Property Assessment Appeal Process*" from the Saskatchewan Government Relations, Provincial Municipal Relations and Advisory Services)

## What is Property Assessment?

Property assessment is the process of determining a property's assessed value as of a specific date for property tax purposes. The assessment provides an estimate of the property's value that reflects typical market conditions.

Local governments use property assessments as a basis for the distribution of property taxes among property owners. **Property assessment is not the same as property tax.** The assessment of a property is the value assigned to it as the basis for allocating taxes among various classes of property.

## Who Can I Contact to Explain My Assessment?

You should start with your Administrator of your Municipality (Phone 306-771-2284). You can also call SAMA (Saskatchewan Assessment Management Agency) (Phone 306-924-8000) as it is the agency that performs Balgonie's assessments; however, there may be a charge for this service.

## Preparing the Notice of Appeal Form

When making an assessment appeal, the notice of appeal form must be fully completed. You must provide specific grounds supporting the appeal. You are required to provide as many details as possible and all facts and evidence that an error has been made in the:

- valuation of the property;
- classification of the property;
- preparation of the relevant assessment roll or assessment notice; and/or
- content of the relevant assessment roll or assessment notice.

The grounds for the appeal must be detailed. Phrases such as "assessment too high" or "assessment too low" are **NOT** sufficient.

It is your responsibility to make a case to the Board of Revision. It may be as simple as proving that dimensions or measurements are wrong or that a classification is not correct, or as complex as proving that the value of a property is not fairly assessed compared to another property that is similar in nature.

## Regular Assessment Appeals or Simplified Assessment Appeals?

When making regular or simplified assessment appeals, the Notice of Appeal form must be fully completed. Regular appeal – the appellant must provide specific written grounds supporting the appeal when submitting it to the secretary before the hearing. Simplified appeal - the appellant is not required to submit detailed written grounds to the secretary before the hearing but must have detailed information ready to present to the appeal board.

## Can I Base My Appeal on the Fact that I Feel my Taxes are Too High?

**NO!** Legislation outlines the valid grounds for an appeal. Only your property assessment can be appealed, not the property taxes or the mill rates.

## Reminder – Snow Removal

The Town of Balgonie would like to remind residents that in order to provide the best snow removal services, all unused vehicles should be removed from Town streets, boulevards, and alleyways. This includes trailers, campers, boats or other vehicles that are not used regularly.

The Public Works Staff work hard to remove the snow. Piling snow or blowing snow from your driveway onto the Town's roadways is not permitted. The extra snow makes it hard for vehicles to pass. If you have private work done, the excess snow can be dumped in Westview, west of Greenall Street.

Thank you for your co-operation!

**Follow us on Facebook at  
Balgonie's Talk of the Town!**

If you'd like to receive a paper copy in the mail, please call us at 306.771.4748 to be added to our mailing list.

## Reminder – Boulevards

We would like to kindly remind residents that the Town boulevard portion at the front of each property is approximately 12-20 feet (with exception of bays). Although our residents care for the boulevards, it is the Town's property and therefore that is where snow is placed. Soft landscaping, such as sprinklers, rocks, gardens, etc. are placed on the boulevard at your own risk. Thanks for your understanding.

The red Loraas bin at the Transfer Station is delivered on the first and third Friday of every month. There is no specific time as to when the bin will arrive on these days.

If a red bin is NOT available, do NOT leave any items where the bin is normally located. Residents have been fined (up to \$500) and their cards have been suspended.

Be courteous of others! Large items and multiple loads take up the entirety of the bin, making it unusable for other residents. If you have multiple large items, please take them to the Regina Landfill.

For a complete list of what can be left at the Transfer Station, please see the end of the newsletter.

**Advertise your security system** - clearly advertise that your home is monitored.

**Lock your doors and windows** - make a habit of checking doors before bed each night.

**Make it look like someone is home** - it is important for your home to look occupied even if you are not home. Leave a light on or get timers for your lights.

## March Update

### Greenall Student Honoured with National Award

In May of this year, Kaihl Materi and his dad, cousin, uncle and grandfather were enjoying one of their family hobbies, dirt biking at Barrier Lake. It was during this trip that tragedy struck. Kaihl witnessed his dad clip a rock and fly from his dirt bike into the air and come to a rolling stop on the ground. Kaihl knew instantly that his dad was in trouble. Kaihl and his cousin were first to reach his dad. Kaihl checked to see if his dad was breathing and discovered that he was not. Additionally, he could feel only a faint heart beat. Kaihl began to do compressions and breathing on his dad to attempt to revive him. When his uncle and grandpa arrived they called 911. Kaihl was able to get his dad breathing on his own while they waited for the ambulance. Once the ambulance arrived, STARS was called to the scene. They airlifted Kaihl's dad to the hospital in Saskatoon, to address his life-threatening injuries. Kaihl attributes his quick action to the First-Aid Training he received as a component of the Outdoor School Program he was currently enrolled in at Greenall High School. Thankfully, Kaihl's training and courage kicked in and he was able to deliver life-safe techniques to save his dad. When Mr. Moore, Mrs. Maurer and Mr. Frey, who delivered the First-Aid Training, found out about what Kaihl did, they decided that his heroics should be recognized and nominated him for the Canadian Red Cross "Rescuer Award". The "Rescuer Award" is awarded for demonstrating the Power of Humanity by showing caring and concern for a fellow citizen in an emergency situation and acting decisively to help by applying the skills and training promoted by the Canadian Red Cross. May your actions inspire others in your community and across Canada to respond to others in need. Greenall High School is extremely proud of Kaihl, recipient of the Canadian Red Cross "Rescuer Award".

## **– TRANSFER STATION –**

### **General Rules:**

The Transfer Station is electronically set up and monitored to provide our Town residents with accessibility day and night. The Town of Balgonie offers on site services at the Transfer Station, but has the added responsibility to ensure that environmental regulations are followed. Municipalities can be fined for burning unapproved items and not properly disposing of items set forth by the Ministry of Environment and the *Clean Air Act*.

The card holder will be held accountable for all occurrences at the Transfer Station whether they accessed the Transfer Station themselves or provided their card to another individual. Lending the card out to anyone else is **not permitted**.

Transfer Station cards are initially provided to the “New” home owner at no charge. If a card is lost, it must be reported to the Town Office immediately to be disconnected. The card will be removed from the system and a new card, if requested, will be provided at a cost of \$40.00.

The red Loraas Disposal bin is currently delivered on the first (1st) and third (3rd) Friday of every month. There is no specific time as to when the bin will arrive on these days. IF A RED BIN IS UNAVAILABLE, DO NOT LEAVE ITEMS WHERE THE BIN IS NORMALLY PLACED. Individuals who leave items when the bin is unavailable/full and/or individuals who leave items that are not permitted will be fined up to \$500.00, and will have their Transfer Station card suspended. Additional fines may be levied by the Ministry for individuals dumping illegally.

Be courteous of others! Although the bin may be available, large items and multiple loads take up the entirety of the bin, making it unusable for other residents. If you have multiple large items, please take them to the Regina Landfill.

Home builders/developers are **not** permitted to use the red Loraas Disposal bin and are required to rent their own waste container bins.

**If you are moving, please return the Transfer Station card to the Town Office.**
