## **1 INTRODUCTION**

### **1.1 Authority**

Under the authority granted by *The Planning and Development Act, 2007*, the Mayor and Council of the Town of Balgonie in the Province of Saskatchewan, in open meeting, hereby enact as follows:

### **1.2 Title**

This Bylaw shall be known and may be cited as the "Zoning Bylaw" of the Town of Balgonie.

### **1.3 Purpose**

**1.3.1** The purpose of this Bylaw is to regulate development and to control the use of land in the Town of Balgonie in accordance with the Town of Balgonie Official Community Plan Bylaw 374/2014.

**1.3.2** The intent of this zoning Bylaw is to provide for the amenity of the area within The Town of Balgonie (hereinafter referred to as Balgonie) and for the health, safety, and general welfare of the inhabitants of Balgonie and area:

- a) To minimize land use conflicts;
- b) To establish minimum standards to maintain the amenity of Balgonie;
- c) To ensure development is consistent with the physical limitations of the land;
- d) To restrict development that places undue demand on Balgonie for services; and
- e) To provide for land-use and development that is consistent with the goals and objectives of Balgonie.

### **1.4 Scope**

This Bylaw applies to all land included within the boundaries of the Town of Balgonie. All development within the limits of the Town of Balgonie shall hereafter conform to the provisions of this Bylaw.

### **1.5 Severability**

A decision of a Court that one or more of the provisions of this Bylaw are invalid in whole or in part does not affect the validity, effectiveness, or enforceability of the other provisions or parts of the provisions of this Bylaw.

## 2 DEFINITIONS

Whenever the subsequent words or terms are used in the Official Community Plan, Bylaw No. 372/2014 and this Bylaw, they shall, have the following definition unless the context indicates otherwise.

**Flood:** A temporary rise in the water level that results in the inundation of areas not ordinarily covered by water.

**(Design) Flood Level:**

- a) a 1:500 year flood;
- b) a flood having a return period greater than 1:500 years;
- c) a recorded flood having a water surface elevation equal to or exceeding that of a 1:500 year flood.

**Flood Fringe:** The portion of the floodplain where the waters in the 1:500 year flood are projected to be less than a depth of one metre or a velocity of one metre per second.

**Floodproofed:** A measure, or combination of structural and non-structural measures, incorporated into the design of a structure which reduces or eliminates the risk of flood damage to a defined elevation.

**Floodway:** The portion of the flood plain adjoining the channel where the waters in the 1:500 year flood are

projected to meet or exceed a depth of one metre or a velocity of one metre per second.

**Floor Area:** The maximum area contained within the outside walls of a building, excluding in the case of a dwelling, any private garage, porch, veranda, open deck, unfinished attic, or unfinished basement or cellar and in a commercial or industrial building, any utility room.

**Freeboard Elevation:** The elevation of the Design Flood Level (the 1:500 flood elevation) plus an extra 0.50 metres (1.64 feet) to provide protection against wave run-up and ice surge.

**Frontage (Lot Frontage):** The distance across the street side of a lot (a lot must front on a street), between the points where the side lines of the lot meet the street right of way or boulevard; or, where a lot is irregular in shape and is narrowest at the front street end, the width of the lot shall be measured parallel to the street line at the centre of the front lot line, and at a setback from the front lot line no greater than the minimum permitted building setback.

**Future Land Use Map:** In its projections, the map specifies certain areas for residential growth and others for residential, industry, commercial and conservation. The Future Land Use Map for Balgonie is attached, as Appendix "A" in the Official Community Plan.

**Garage, Private:** A building or part of a building used for or intended to be used for the storage of motor vehicles and wherein neither servicing nor repairing of such vehicles are carried on for remuneration.

**Garage, Public:** A building or place where motor vehicles are stored or repaired for remuneration but does not include car washing establishments, an auto sales lot or an automobile service station.

**Garden (Granny) Suite:** A second, small, dwelling on the site of a primary, single-family dwelling that accommodates one or two family members of the owner/occupants of the primary residence and is intended to allow the family to live independently but with the support nearby of the extended family.

**Gas Bar:** A building or place where fuel and automotive fluids are sold and may be added to a vehicle on the property, and which may have a convenience store and/or restaurant.

**General Commercial Type I:** Those developments where activities and uses are primarily carried on within an enclosed building intended to provide for the merchandising of refined goods and services targeted for the travelling public and the surrounding community for financial gain.

**General Industry Type I:** Those developments where activities and uses are primarily carried on within an enclosed building where no significant nuisance factor is created or apparent outside an enclosed building. Developments of this type shall not pose, in the opinion of a Development Officer, any significant risk of interfering with the amenity of adjacent sites because of the nature of the site, materials or processes and shall include but not be limited to the following activities:

- The assembling of goods, products or equipment.
- The limited processing of raw, value-added or finished materials.
- The storage or trans-shipping of materials, goods and equipment.
- The training of personnel in general industrial operations.

It may include any indoor display, office, technical or administrative support areas or any sales operation accessory to the general industrial uses.

**General Industry Type II:** Those developments in which all or a portion of the activities and uses are carried on outdoors, without any significant nuisance or environmental factors such as noise, appearance, or odour, extending beyond the boundaries of the site. Developments of this type shall not pose, in the opinion of a Development Officer, any significant risk of interfering with the amenity of adjacent sites because of the nature of the site, materials or processes and shall include but not be limited to the following activities:

- Manufacturing, fabricating, processing, assembly, finishing, production or packaging of materials, goods or products.
- The storage or transshipping of materials, goods and equipment.
- The cleaning, servicing, repairing or testing of materials, goods and equipment normally associated with industrial or commercial businesses or cleaning, servicing and repair operations to goods and equipment associated with personal or household use, where such operations have impacts that would make them incompatible in non-industrial districts.

**General Industry Type III (Exclusionary Uses):** Refers to certain industrial activities that maybe characterized as exhibiting a high potential for adversely affecting the safety, use, amenity or enjoyment of adjacent and nearby industrial and non-industrial sites due to their scale, appearance, noise, odour, emissions and hazard potential. Such activities are considered exclusionary when the only means of mitigating the associated negative effects on surrounding land uses is

through spatial separation. Such uses would include, but not be limited to, the following: Landfill, Ethanol Plant, Transformer Stations, Uranium Refiners, Anhydrous Ammonia Storage and Distribution Centres.

**Grade:** The average elevation of the natural ground level at the walls of a building or structure as determined by the elevation of the four outside corners of the building.

**Greenhouse, Commercial:** A building for the growing of flowers, plants, shrubs, trees and similar vegetation that are not necessarily transplanted outdoors on the same site, but are sold directly at wholesale or retail from the site.

**Greenhouse, Private:** A building for the growing of flowers, plant, shrubs, trees and similar vegetation that are transplanted outdoors on the same site containing such greenhouse(s), and where greenhouse products may not be offered for sale.

**Greenways:** A linear park which may accommodate pathways principally for foot traffic and/or bicycles. Typically, greenways are planned along creeks or streams and managed as natural environments, or bikeways along landscaped roads.

**Group Home** (see Personal Care Home)

**Hazardous Industry/Substance:** A substance that, because of its quality, concentration or physical, chemical or infectious characteristics, either individually or in combination with other substances on the site is an existing or potential threat to the physical environment, to human health or other living organisms.

**Hazard(ous) Land:** Land having inherent environmental hazards; land subject to flooding, earth movement, or slope instability, land with poor natural drainage, ground water seepage, erosion, steep slopes, rock formations, or other similar features.

**Health Service Facility (Health Clinic):** A building or part thereof used by qualified health service practitioners for the treatment of human health needs.

**Heritage Resource:** The history, culture and historical resources of an area and its residents.

**Highway Commercial:** Commercial activities normally located along highways, major roadways and in other locations considered strategic by the type of business involved serving the needs of local residents and the traveling public. **SEE BYLAW 424**

**Highway Sign Corridor:** A strip of land parallel and adjacent to a provincial highway, where private signs may be permitted to advertise goods and services of local area businesses and attractions, as provided by regulations of the Department of Highways entitled *"The Erection of Signs Adjacent to Provincial Highway Regulations, 1986"*, as may be amended from time to time.

**Home Occupation (Home Based Business):** An occupation, trade, profession, or craft customarily conducted for gain in a

dwelling unit or accessory building by the resident or residents, which is clearly incidental and secondary to the principal use of the site and which does not create or become a public nuisance as a result of noise, traffic, pollution, or parking. Home occupations shall not occupy more than 25% of the total finished floor area of a dwelling unit in any Residential District.

**Hotel:** A building or structure or part of a building or structure in which sleeping accommodation with or without meals is provided for tourists or travelers, and where a guest register or record is kept, but does not include a motel or rooming house.

**Industrial Use:** The use of land, buildings or structures for the manufacturing, assembling, processing, fabrication, warehousing or storage of goods and materials.

**Industrial Park:** An area of land set aside for industrial development, usually located close to transport facilities, especially where more than transport mode coincides, i.e. highways, railroads, airports.

**Infill Development:** Re-development within existing areas or neighbourhoods.

**Institutional Use:** The use of land, buildings, or structures for religious, charitable, educational, health or welfare purposes and includes churches, public or private schools, nursery schools, hospitals, and special care.

**Intermodal Freight Container:** Is a standardized reusable steel box used for the safe, efficient and secure storage and movement of materials and products within a global containerized intermodal freight transport system. "Intermodal" indicates that the container can be moved from one mode of transport to another (from ship, to rail, to truck) without unloading and reloading the contents of the container. Lengths of containers, which each have a unique ISO 6346 reporting mark, vary from 2.44 metres to 17.07 metres (8 feet to 56 feet) and heights from 2.44 metres to 2.90 metres (8 feet to 9 feet 6 inches).

**Kennel, Boarding:** The temporary accommodation of more than four dogs, cats or other domestic animals for commercial purposes.

**Kennel, Breeding:** The keeping of domestic animals, male and female, and which are more than 12 months old, for breeding purposes.

**Kennel, Enclosure:** An accessory building or enclosure intended to house one or more domestic animals.

**Landfill:** A specially engineered site for disposing of solid waste on land, constructed so that it will reduce hazard to public health and safety.

**Landscaped Area:** An area not built upon and not used for any purpose other than as an open space that may include grass, shrubs, flowers, trees, and similar types of vegetation and may contain paths, walks, patios, fences and similar

outdoor amenities, but does not include parking areas, parking lots, driveways or ramps.

**Land Use Zoning District:** Divisions identified in the Zoning Bylaw establishing permitted and discretionary uses of land or buildings with attendant regulations.

**Lane:** A secondary public thoroughfare intended primarily to give access to the rear or side of the abutting property.

**Livestock:** Domesticated animals used primarily as beasts of burden or for the production of fur, hides, meat, milk, eggs or other product, or as breeding stock, but excluding companion animals.

**Loading Space:** A space measuring at least 3.0 metres (9.84 feet) in width and 8.5 metres (27.88 feet) in depth, located on a lot, and having access to a street or lane, in which a vehicle may park to load or unload.

**Lot (see Site):** An area of land with fixed boundaries on record with the Information Services Corporation (ISC) by Certificate of Title. For the purposes of this Bylaw the terms "lot" and "site" shall be deemed not to mean the same.

**Lot Coverage:** The percentage of the lot area covered by all the buildings above the ground level.

**Lounge:** A room or area adjoining a restaurant set aside for the sale of beverage alcohol for consumption on the premises, with or without food, and where no area has been set aside for dancing or entertainment, either in the lounge or in the adjoining restaurant. The area of a lounge may not exceed 50% or the public assembly area in the adjoining restaurant, subject to Provincial Regulations.

**Manufacturing Establishment:** A firm or business engaged in the mechanical or chemical transformation of materials or substances into new products including the assembling of components parts, the manufacturing of products and the blending of materials.

**Marquee:** A roof-like structure of a permanent nature which projects from the wall of a building that is independently supported by a system of columns or piers without walls over an entrance to a building.

**Mayor:** The Mayor of the Town of Balgonie.

**Minister:** The member of the Executive Council to whom for the time being is assigned the administration of *The Planning and Development Act, 2007*.

**Mini-Storage:** Commercial facility made up of more than one unit in which customers can rent space to store possessions.

**Mixed-Use:** A mix of land uses that facilitate the mixing, rather than separation of, land uses in one distinctive environment, either vertically in the same building or horizontally adjacent. It is intended to be compatible with adjacent uses.

**Mobile Home:** A prefabricated trailer coach supported on a steel frame that conforms to the Canadian Standards

Association # Z240 MH. A trailer coach may be used as a dwelling all year round; has water faucets and shower or other bathing facilities that may be connected to a water distribution system; has facilities for washing and a water closet or other similar facility that may be connected to a sewage system.

Double Wide Mobile Home

**Mobile Home Park:** A site under single management for the placement of two or more mobile homes and shall include all accessory buildings necessary to the operation but does not include an industrial or construction camp or tourist campsite. For the purpose of this Bylaw the terms mobile home park and mobile home court shall be deemed to mean the same.

### **3 ADMINISTRATION AND INTERPRETATION**

#### **3.1 Development Officer**

**3.1.1** Unless otherwise designated by Council, the Town Administrator of the Town of Balgonie shall be the Development Officer responsible for the administration of this Bylaw.

**3.1.2** The Development Officer shall:

- a) Receive, record, and review development permit applications and issue decisions in consultation with Council, particularly those decisions involving subdivision, discretionary uses, development permit conditions, and development and servicing agreements;
- b) Maintain, for inspection by the public during office hours, a copy of this Bylaw, zoning maps and amendments, and ensure that copies are available to the public at a reasonable cost;
- c) Make available, for public inspection during office hours, a register of all development permits and subdivision applications and decisions;
- d) Collect development fees, according to the fee schedule established in this Bylaw;
- e) Perform other duties as determined by Council.

**3.1.3** The Development Officer shall be empowered to make a decision, in consultation with Council, regarding a development permit application for a "permitted use."

#### **3.2 Council**

**3.2.1** Council shall make all decisions regarding discretionary uses, development and servicing agreements, and Zoning Bylaw amendments.

**3.2.2** Council shall make a recommendation regarding all subdivision applications circulated to it by Saskatchewan Ministry of Government Relations, prior to a decision being made by the Minister.

**3.2.3** Council shall act on discretionary use, rezoning, and subdivision applications in accordance with the procedures established by *The Planning and Development Act, 2007* and in accordance with the Official Community Plan.

#### **3.3 Application for a Development Permit**

**3.3.1** Unless the proposed development or use is exempt from development permit requirements, before commencing any principal or accessory use development, including a public utility use, every developer shall:

- a) Provide the information outlined in Appendix B: Development Permit Application Requirements.
- b) Complete and submit a development permit application, and (refer to permit application form in Appendix C).
- c) Receive a development permit for the proposed development.

**3.3.2** A Development Permit shall not be issued for any use in contravention of any of the provisions of this Bylaw and the Official Community Plan.

### **3.4 Development Requiring A Permit And Not Requiring A Fee** amended by 459/2024

The following developments shall require a Development Permit and shall conform to all other Bylaw requirements (e.g., building permits, setbacks, environmental and development standards):

#### **3.4.1 Residential Zoning Districts**

- a) Buildings and structures under 14.0 m<sup>2</sup> (150.70 ft<sup>2</sup>) in area, which are accessory to a principal, residential use except where such dwelling is a discretionary use.
- b) The erection of any fence, wall, gate, television antennae, or radio antennae under 5 metres (16.41 feet).
- c) Relocation of any residential or accessory building provided development standards are still met on the site.
- d) A portable storage unit, the sole purpose of which is incidental to the erection or alteration of a building for which a building permit has been granted.

#### **3.4.2 Commercial Zoning Districts**

- a) Buildings and structures under 14.0 m<sup>2</sup> (150.70 ft<sup>2</sup>) in area, that are accessory to a permitted, principal, commercial use, except where such use is discretionary.
- b) The erection of any fence or gate.
- c) A temporary building, the sole purpose of which is incidental to the erection or alteration of a building for which a building permit has been granted.

#### **3.4.3 Accessory Uses**

All accessory uses, unless otherwise specified in this Bylaw.

#### **3.4.4 Official Uses**

Uses and buildings undertaken, erected, or operated by the Town of Balgonie.

#### **3.4.5 Internal Alterations**

- a) Residential Buildings

Internal alterations to a residential building, provided that such alterations do not result in a change of use or an increase in the number of dwelling units within the building or on the site.

b) All Other Buildings

Internal alterations and maintenance to other buildings, including mechanical or electrical work, provided that the use, or intensity of use of the building, does not change.

c) Landscaping

Landscaped areas, driveways and parking lots, provided the natural or designed drainage pattern of the site and adjacent sites are not adversely impacted.

### 3.5 Development Permit Procedure

Where an application for a Development Permit is made for a permitted use in conformity with this Bylaw, The Act and all other Town Bylaws, the Council shall hereby direct the Development Officer to issue a Development Permit.

#### 3.5.1 Discretionary Use Application

3.5.1.1 Where an application for a Development Permit is made for a discretionary use, the Development Officer shall advise the Council as soon as practicable.

3.5.1.2 As soon as practicable after Council is advised that an application has been made for a Development Permit for a discretionary use, Council shall consider the application. Prior to making a decision, Council may refer the application to whichever Government Agencies or interested groups, as Council may consider appropriate. Council also may require the application to be reviewed by planning, engineering, legal, or other professionals, with the cost of this review to be borne by the applicant.

3.5.1.3 Upon approval of a discretionary use by resolution of Council, the Development Officer shall issue a Development Permit for the discretionary use at the location and under such terms and development standards specified by Council in its resolution.

#### 3.5.2 Development Permit Decision

3.5.2.1 The applicant shall be notified in writing of the decision of their application within 30 days of all required information being submitted to the Development Officer. The applicant shall be advised of their right to appeal a decision on a permitted use application and any terms and conditions attached to a discretionary use application to the Development Appeals Board subject to the provisions of *The Planning and Development Act, 2007*.

- 3.5.2.2 If the proposal conforms to the provisions of this Bylaw, a Development Permit shall be issued, subject to any development standards, special regulations, or performance standards that may be required.

### **3.6 Development Permit: Validity**

- 3.6.1 A Development Permit is valid for a period of twelve months unless otherwise stipulated when the permit is issued.
- 3.6.2 Where the Development Officer determines that a development is being carried out in contravention of any condition of a Development Permit or any provision of this Bylaw, the Development Officer shall suspend or revoke the Development Permit and notify the permit holder that the permit is no longer in force.
- 3.6.3 Where the Council is satisfied that a development, the permit for which has been suspended or revoked, will be carried out in conformity with the conditions of the Permit and the requirements of this Bylaw the Council may reinstate the Development Permit and notify the permit holder that the permit is valid and in force.

### **3.7 Development Permit Application Fees**

An applicant seeking the approval of a development permit application shall pay the fee as set out in the Development and Planning Fee Bylaw for the Town.

### **3.8 Discretionary Use Application Fees**

An applicant seeking a discretionary use approval shall pay the fee as set out in the Development and Planning Fee Bylaw for the Town.

- 3.8.1 The Development Officer shall direct the applicant for a discretionary use, or carry out on behalf of the applicant, the advertisement of the proposed use by posting a notice of the application at the entrance to the property in question and by mailing a copy of the notice to the assessed owner of each abutting property and each assessed owner of property within a 75 metre radius of the proposed development.
- 3.8.2 The Development Officer shall publish a notice of the application in accordance with the provisions of *The Planning and Development Act, 2007*, whereby the applicant shall pay to the municipality a fee equal to the costs associated with the public advertisement.

### 3.9 Fee for Zoning Amendment Application

When an application is made to Council for an amendment to this Bylaw, the applicant making the request shall bear the actual cost of advertising such zoning amendment as permitted by *The Planning and Development Act, 2007*. Council shall require the applicant to pay all costs incurred in professional review of the application and in carrying out a public hearing.

### 3.10 Concurrent Processing of Development Permits, Building Permits and Business Licenses

A Building Permit, where required, shall not be issued unless a Development Permit has been issued, or is issued concurrently. Nothing in this Bylaw shall exempt any person from complying with a building Bylaw, or any other Bylaw in force within The Municipality, or from obtaining any permission required by this, or any other Bylaw of The Municipality, the province or the federal government.

### 3.11 Referral Under The Public Health Act

The Development Officer shall make available, in addition to plumbing permits and plan information, a copy of all approved Development Permit applications involving installation of water and sanitary services, should such information be requested by provincial officials under the Public Health Act and Regulations.

### 3.12 Development Appeals Board

**3.12.1** Council shall appoint a Development Appeals Board consisting of five members or contract the service to a firm to act as the Development Appeal Board, to hear appeals in accordance with Section 213 to 227 inclusive, of *The Planning and Development Act, 2007*.

**3.12.2** Right of Appeal:

- a) Where an application for a permitted use has been denied, the applicant shall be advised of the right of appeal to the Development Appeals Board.
- b) Appellants also may appeal where they are of the opinion that development standards prescribed by Council with respect to a discretionary use exceed those necessary to secure the objectives of the Zoning Bylaw.

### 3.13 Minor Variances

- 3.13.1** The Development Officer may vary the requirements of this Bylaw subject to the following requirements:
- a) A minor variance may be granted for the following only:
    - i. Minimum required distance of a building from a lot line; and
    - ii. The minimum required distance of a building from any other building on the lot.
  - b) The maximum amount of a minor variance shall be 10% variation from the Requirements of this Bylaw.
  - c) The development must conform to all other requirements of this Bylaw.
  - d) The relaxation of the Bylaw requirement must not injuriously affect a neighbouring property.
  - e) No minor variance shall be granted for a discretionary use or form of development, or in connection with an agreement to rezone pursuant to Section 60 of *The Planning and Development Act 2007*.
  - f) Minor variances shall be granted only in relation to residential properties.
- 3.13.2** An application form for a minor variance shall be in a form prescribed by the Development Officer and shall be accompanied by an application fee as set out in the Development and Planning Fee Bylaw for the Town.
- 3.13.3** Upon receipt of a minor variance application the Development Officer may:
- a) Approve the minor variance;
  - b) Approve the minor variance and impose terms and conditions on the approval; or
  - c) Deny the minor variance.
- 3.13.4** Terms and conditions imposed by the Development Officer shall be consistent with the general development standards in this Bylaw.
- 3.13.5** Where a minor variance is refused, the Development Officer shall notify the applicant in writing, providing reasons for the refusal.
- 3.13.6** Where a minor variance is approved, with or without terms, the Development Officer shall provide written notice to the applicant and to the assessed owners of the property having a common boundary with the applicant's land that is the subject of the approval.
- 3.13.7** The written notice shall contain:
- a) A summary of the application;
  - b) Reasons for and an effective date of the decision;

- c) Notice that an adjoining assessed owner has 20 days to lodge a written objection with the Development Officer, which, if received, will result in the approval of the minor variance being revoked; and
- d) Where there is an objection and the approval is revoked, the applicant shall be notified of the right to appeal to the Development Appeals Board.

**3.13.8** A decision to approve a minor variance, with or without terms and conditions, does not take effect until 23 days from the date the notice was provided.

**3.13.9** If an assessed owner of a property having an adjoining property with the applicants land objects to the minor variance in writing to the Development Officer within the prescribed 20 day time period, the approval is deemed to be revoked and the Development officer shall notify the applicant in writing:

- a) Of the revocation of the approval; and
- b) Of the applicant's right to appeal the revocation to the Development Appeals Board within 30 days of receiving the notice.

**3.13.10** If an application for a minor variance is refused or approved with terms or conditions, the applicant may appeal to the Development Appeals Board within 30 days of the date of that decision.

### **3.14 Non-Conforming Buildings, Uses and Sites**

**3.14.1** Any use of land or any building or structure lawfully existing at the time of passing this Bylaw that is rendered non-conforming by the enactment of this Bylaw or any subsequent amendments, may be continued, transferred, or sold in accordance with provisions of Section 88 to 93 inclusive, of *The Planning and Development Act, 2007*.

**3.14.2** No enlargement, additions, or reconstruction of a non-conforming use, building or structure shall be undertaken, except in conformance with these provisions.

**3.14.3** No existing use, building or structure shall be deemed to be nonconforming by reason only of the conversion of this Bylaw from the Metric System of Measurement to the Imperial System of Measurement where such non-conformity is resultant solely from such change and is reasonably equivalent to the metric standard herein established.

**3.14.4** No existing non-conforming site shall be deemed to be non-conforming by reason only of its dimensions or area failing to at least equal the standards prescribed for proposed sites in the zoning district in which the site is located.

**3.14.5** If a non-conforming building is damaged to an extent greater than 50% of the value of the building above its foundation, the building is not to be repaired or rebuilt except in accordance with this Zoning Bylaw.

### 3.15 Development Permit – Invalid

A development permit shall be automatically invalid and development shall cease, as the case may be:

- a) If the proposed development is not commenced within the period for which the Permit is valid;
- b) If the proposed development is legally suspended, or discontinued, for a period of six or more months, unless otherwise indicated by Council or the Development Officer, or
- c) When development is undertaken in contravention of this bylaw, the development permit and specified development standards, and/or
- d) When a written appeal notice is received by the Development Appeals Board secretary regarding the development permit.

### 3.16 Cancellation

Council or the Development Officer may cancel a Development Permit, and when cancelled, development shall cease:

- a) Where the Development Officer or Council is satisfied that a development permit was issued based on false or mistaken information,
- b) Where new information is identified pertaining to environmental protection, flood potential, or slope instability, and/or
- c) When a developer requests a development permit modification.

### 3.17 Stop-Work

The Development Officer may authorize action to stop any development which does not conform to this Bylaw, a development or servicing agreement, a development permit or condition, or a caveat under this Bylaw.

### 3.18 Interpretation

- a) Where any provision of this Bylaw appears unclear, Council shall make the final Bylaw interpretation.
- b) All Bylaw requirements shall be based on the stated metric units. The imperial units shown in this Bylaw shall be approximate guidelines only.

### 3.19 Offences and Penalties

Any person who violates this Bylaw may be charged and liable on summary conviction to the penalties in *The Planning and Development Act, 2007*.

### 3.20 Inspection of Premises

The Development Officer, or any official or employee of the Municipality acting under their direction or Building Official, is hereby authorized to enter, at all reasonable hours,

upon any property or premises in or about which there is reason to believe that provisions of this Bylaw are not being complied with, and for the purpose of carrying out their duties under this Bylaw in accordance with Section 242 of *The Planning and Development Act, 2007*.

### **3.21 Bylaw Compliance**

Errors and/or omissions by any person administering or required to comply with the provisions of this Bylaw do not relieve any person from liability for failure to comply with the provisions of this Bylaw.

### **3.22 Moving Of Buildings**

No building shall be moved within or into or out of the area covered by this Bylaw without the building being inspected by and obtaining a Development Permit from the Development Officer.

### **3.23 Demolition of Buildings**

No building shall be demolished without first obtaining a Development Permit from the Development Officer. Such Permit shall not be issued unless a proposal for the interim or long-term use or redevelopment of the site is also submitted, and the proposed use is in conformity with this Bylaw. A separate Development Permit is required for any redevelopment of the site.

### **3.24 Temporary Development Permits**

The Development Officer may issue a temporary Development Permit, with specified conditions for a specified period of time, to accommodate developments incidental to approved construction, temporary accommodation, or temporary gravel operations or asphalt plants. Nothing in this Bylaw shall prevent the use of land, or the erection or use of any building or structure for a temporary residence, construction camp, work camp, tool shed, scaffold, or other building or structure incidental to and necessary for construction work on the premises, but only for so long as such use, building, or structure is necessary for such construction work as has not been finished or abandoned.

### **3.25 Development Agreements**

**3.25.1** Council may request a developer to enter into a development agreement to ensure development conformity with the Official Community Plan and this Bylaw, pursuant to Section 171 to 176 inclusive, *The Planning and Development Act, 2007*.

**3.25.2** A development agreement is mandatory for approval of an accessory dwelling or secondary suite.

### 3.26 Servicing Agreements

- 3.26.1** Where a development proposal involves subdivision, Council may require a developer to enter into a servicing agreement to ensure appropriate servicing pursuant to *The Planning and Development Act, 2007*. Council may direct the Administration to vary the agreement on a case-by-case basis, or not require it.
- 3.26.2** In accordance with Sections 172 to 176 inclusive, *The Planning and Development Act, 2007*, the agreement may provide for:
- a) The undertaking and installation of storm sewers, sanitary sewers, drains, water mains and laterals, hydrants, sidewalks, boulevards, curbs, gutters, street lights, graded, graveled or paved streets and lanes, connections to existing services, area grading and levelling of land, street name plates, connecting and boundary streets, landscaping of parks and boulevards, public recreation facilities, or other works that Council may require, including both on-site and off-site servicing;
  - b) The payment of levies and charges, in whole or in part, for the capital cost of providing, altering, expanding or upgrading sewage, water, drainage and other utility services, public highway facilities or park and recreation space and facilities located within or outside the proposed subdivision and that directly or indirectly serve the proposed subdivision.
  - c) The payment of levies and charges as outlined above, shall be in the amount prescribed in the Development and Planning Fee Bylaw for the Town.

### 3.27 Performance Bonds

Council may require a developer, including host owners of property where an accessory dwelling is located, to post and maintain a performance bond to ensure developer performance and to protect the public interest.

### 3.28 Liability Insurance

Council may require developers to provide and maintain liability insurance to protect the municipality, developer and public.

### 3.29 Interests

Council may require that development and servicing agreements and other documents may be registered as an interest against the title to the affected lands, to protect municipal and public interests.

## 4 GENERAL REGULATIONS

The following regulations shall apply to all Zoning Districts in this Bylaw.

### 4.1 Licenses, Permits, and Compliance with Other Bylaws and Legislation

In their interpretation and application, the provisions of this Bylaw shall be held to be the minimum requirements adopted for the promotion of the public health, safety, and general welfare. Nothing in this Bylaw shall exempt any person from complying with the requirements of a building regulation Bylaw or any other Bylaw in force within the Town of Balgonie or law within the Province of Saskatchewan or Canada; or from obtaining any license, permission, permit, authority, or approval required by this or any other Bylaw of the Town of Balgonie or any law of the Province of Saskatchewan or Canada. Where requirements in this Bylaw conflict with those of any other municipal, provincial, or federal requirements, the more stringent regulations shall prevail.

### 4.2 Principal Use Established

In any Zoning District in this Bylaw, the principal use of the land must be established prior to any accessory buildings, structures, or uses being permitted.

### 4.3 Multiple Uses

Notwithstanding anything contained in this Bylaw, where any land, building, or structure is used for more than one purpose, all provisions of this Bylaw relating to each use shall be complied with, but no dwelling shall be located within 3.0 metres of any other building on the site except to a building accessory to such dwelling.

### 4.4 Number of Principal Buildings on a Site      See Bylaw #417/2020

4.4.1 Only one principal building shall be permitted on any one site except for the following: parks, schools, hospitals, recreation facilities, special care homes, senior citizen homes, and approved dwelling groups and condominium developments.

4.4.2 Multiple unit residential buildings (e.g. duplex, four-plex) are considered to be one principle building under this Bylaw, and all other uses and buildings on the site must be accessory.

### 4.5 Front Yard Reduction

Notwithstanding the minimum depth of front yard required by this Bylaw, is situated between two sites each of which contains a principal building which projects beyond the standard required front yard depth, the front yard required on said site may be reduced to an average of the two established front yards on the adjacent sites; but not be less than 4.5 metres (14.74 feet) in a Residential district unless otherwise permitted in this Bylaw.

#### **4.6 Frontage for Irregular Sites**

Where the site frontage is along a cul-de-sac, curve or is irregular, the minimum site frontage shall be 11.0 metres (36.09 feet) and the mean site width shall not be less than the minimum frontage for regular sites in the same Zoning District.

#### **4.7 Permitted Yard Encroachments**

Where minimum front, side or rear yards are required in any zoning district, the following yard encroachments shall be permitted.

- a) Uncovered and open balconies, terraces, verandas, decks, and patios having a maximum projection from the main wall of 1.8 metres (5.91 feet) into any required front or rear yard.
- b) Window sills, roof overhangs, eaves, gutters, bay windows, chimneys, and similar alterations projecting a distance of 0.6 metres (1.99 feet) into any required yard.

#### **4.8 Restoration to a Safe Condition**

Nothing in this Bylaw shall prevent the structural improvement or restoration to a safe condition of any building or structure, provided that such structural improvement or restoration shall not increase the height, area or volume so as to contravene the provisions of this Bylaw.

#### **4.9 Grading and Leveling Of Sites**

Every development shall be graded and leveled at the owner's expense to provide for adequate surface drainage that does not adversely affect adjacent property, or the stability of the land.

- a) All excavations or filling shall be re-vegetated immediately after other construction activities conclude, with a suitable ground cover as may be necessary to prevent erosion.
- b) All vegetation and debris in an area to be re-graded or filled must be removed from the site prior to site grading and leveling.
- c) All topsoil from an area that is to be re-graded must be stripped, stockpiled, and replaced on the re-graded area, or re-located to a site approved by Council.

#### **4.10 Restrictions on Changes**

**4.10.1** The purpose for which any land or building is used shall not be changed, no new building or addition to any existing building shall be erected, and no land shall be severed from any site, if such change, erection or severance creates a situation that contravenes any of the provisions of this Bylaw applicable to each individual remaining building, accessory building, site, or lot.

**4.10.2** Notwithstanding the provisions of clause 4.10.1 of this subsection, no person shall be deemed to have contravened any provision of this bylaw if only part or

parts of any site or lot has, or have, been conveyed to, or acquired by, the Municipality or the Province of Saskatchewan for a public work.

#### **4.11 Uses Permitted In All Zoning Districts**

- 4.11.1** Nothing in this Bylaw shall prevent the use of any land as a public street or public park.
- 4.11.2** Nothing in this Bylaw shall prevent the erection of any properly authorized traffic sign or signal, or any sign or notice of any local or other government department or authority.
- 4.11.3** Nothing in this Bylaw shall prevent the use of any land for the erection of buildings or structures, or the installation of other facilities, essential to the operation of public works provided that such use, building, or structure shall be in substantial compliance with the relevant provisions of this Bylaw and shall not adversely affect the character or amenity of the neighbourhood in which the same is located.

#### **4.12 Signage on Natural and Human Heritage Sites**

Small plaques, markers, and interpretation signs will be encouraged on properties that have significant natural or human heritage resources, with the approval of the owner, and where the signage is appropriate in scale, design, and placement with the site and surrounding area, and does not cause safety concerns or negatively impact the heritage value of the site.

#### **4.13 Heritage Properties**

Provincial and Municipal heritage properties subject to preservation agreements are subject to development review processes as defined by *The Heritage Property Act*, Sections 23, 24, and 25. Provincial designations are afforded special protection, and any alterations and development must be reviewed and approved by the Heritage Programs of the Province of Saskatchewan.

#### **4.14 Site Development Regulations for Development Near Water Sources**

- 4.14.1** If the proposed development will be within 150.0 metres of any public well or private or public dam which is licensed by the Saskatchewan Watershed Authority (SWA), and identified in the OCP, Council may also require additional information from the applicant to ensure that the existing water supplies will not be jeopardized.
- 4.14.2** Council may require that before a permit may be issued, the applicant shall submit a report prepared by a professional who is competent to assess the suitability of the site for a development and that the development is suitable

with respect to the required mitigation measures to develop in areas of high water table, near public wells, waste disposal sites or a private or public dam which is licensed by the SWA, and identified in the OCP.

- 4.14.3** Notwithstanding any other portion of this bylaw, the development of new buildings and/or additions to building in the flood way of the 1:500 year flood elevation of any watercourse or water body is prohibited. In addition, development in the 1:500 year flood fringe is not allowed unless flood proofed up to an elevation of 0.5 metres (1.65 feet) above the 1:500 year flood elevation to be determined by a qualified hydraulic engineer or as established by the Saskatchewan Water Security Agency.

#### **4.15 Fence and Hedge Heights**      **SEE ALSO BYLAW 424**

- 4.15.1** Subject to traffic sight lines, the following height limitations shall apply to fences, walls, chain-link fences and hedges in all Residential Districts:
- a) No hedge, fence or other structure shall be erected past any property line.
  - b) In a required front yard, to a height of more than 1 metre (3.28 feet) above grade level.
  - c) In a required rear yard, to a height of more than 2 metres (6.56 feet) above grade level.
- 4.15.2** Screen fences shall be consistent and complement the quality of building design and materials of the primary building.
- 4.15.3** No fence in a commercial or industrial zone shall exceed 2.4 metres (7.88 feet).
- 4.15.4** No barbed wire, or razor wire fences shall be allowed in any District.
- 4.15.5** On a corner lot in any district, no hedge, planting, tree, fence or other structure shall be erected, placed or maintained to a height of more than 1.0 metre (3.28 feet) within a site triangle formed by measuring 6.0 metres (19.69 feet) distance along the property lines of the side and front yard to their point of intersection.

#### **4.16 Landscape Buffers**

- 4.16.1** Landscape buffers are intended to improve land use compatibility and environmental quality by reducing noise, lighting glare and other nuisances, or facilitating natural drainage. Landscape buffers, where required to separate uses from adjacent properties may require a minimum 1.0 metre vegetative landscape buffer, unless a fence is required for other reasons.
- 4.16.2** Primary entrances into the Town and parking lots abutting major roads will require a landscape buffer

- 4.16.3** Notwithstanding any other provisions in this bylaw, where buffers are required for Greenways trails, parks and landscaped areas, they shall be required to reflect the character and intent of the Official Community Plan.

#### **4.17 Height of Buildings**

Where a maximum height of buildings is specified in any District, the maximum height shall be measured at the front of the building from the finished grade level to the highest peak of the roof on the building exclusive of any chimney or antenna.

#### **4.18 Prohibited and Noxious Uses**

- 4.18.1** The keeping of livestock shall not be allowed except for permitted agricultural uses in the FUD - Future Urban Development and District.
- 4.18.2** Any use is prohibited which, by its nature or the materials used therein, is declared by The Public Health Act and Regulations to be a noxious trade, business, or manufacture.
- 4.18.3** Noxious Uses: Notwithstanding any use contained within a building, no land shall be used and no building or structure shall be erected, altered or used for any purpose that is noxious and, without limiting the generality of this subsection, for any purpose that creates or is likely to become a nuisance or offence, or both:
- a) by the creation of noise or vibration;
  - b) by the emission of light and glare;
  - c) by reason of the emission of gas, fumes, smoke, dust or objectionable odour;
  - d) by reason of the unsightly storage of goods, wares, merchandise, salvage, refuse matter, motor vehicles, trailers or parts of vehicles or trailers, machinery, or other such material; or
  - e) by any combination of things in this subsection.

#### **4.19 Closings**

In the event a dedicated street or lane shown on the Zoning District Map forming part of this Bylaw is closed, the property formerly in such street or lane shall be included within the zoning district of the adjoining property on either side of such closed street or lane. If a closed street or lane is the boundary between two or more different zoning districts, the new district boundaries shall be the former centre line of the closed street or lane.

#### **4.20 Railway Crossings and Sight Distances**

Notwithstanding anything contained in this Bylaw, where any public street crosses a railway at the same grade, no building or structure shall be erected within 46 metres (150.92 feet) of the point of intersection of the centre line of both the railway and the street.

#### 4.21 Bareland Condominium Developments

- 4.21.1 Bareland Condominium Developments shall comply with the minimum site area, coverage, width, height and yard setbacks as stated in the residential zones.
- 4.21.2 One primary dwelling unit and one accessory are permitted per bareland condominium site.
- 4.21.3 Bareland condominium developments may include private open space and one accessory building for joint recreation use by residents of the development, subject to all yard setback requirements of the zone in which it is located.

#### 4.22 Satellite Dishes

- 4.22.1 Satellite dishes in excess of 1.0 metre (3.29 feet) in diameter shall not be located in any front yard or side yard, and shall not be permitted to be erected on the roof of any principal building that is located within a Residential District and is less than three stories in height.
- 4.22.2 Satellite dishes located in Residential Districts, which exceed 1.0 metre (3.29 feet) in diameter shall only be erected on the roof of an accessory building if said accessory building is located entirely within a rear yard.
- 4.22.3 Satellite dishes may be erected in Commercial or Industrial Districts for communications purposes or re-broadcasting of television signals and part 4.22.1 of this subsection shall not apply.

#### 4.23 Communication Towers

amended by  
397 2017

The erection of cellular telephone transmission towers shall not be permitted in, or closer than ~~100 metres (328.09 feet)~~ of any Residential District.

20 meters (65.62 feet)

#### 4.24 Private Garages, Sunrooms, Solariums, and Greenhouses

Private garages, carports, sunrooms, solariums, and greenhouses attached to main buildings by a substantial roof structure shall be considered as part of the main building and shall be subject to the regulations for the main building.

**Amendment #411/2019- Deletes former section of bylaw 4.25 and replaces with:****4.25 Swimming Pools**

4.25.1 Notwithstanding anything contained in this Bylaw, a swimming pool is permitted as an accessory use to a permitted use in the residential districts, future urban development district, or accessory to a motel (motor hotel) in the high-profile commercial district, provided:

- a) The pool would be located in the side or rear yard;
- b) No part of such pool is located closer to any lot or street line than the minimum distance required for the principal building located on such lot;
- c) The maximum height of such pool is 1.2 metres (3.94 feet) above the average finished grade level of the ground adjoining the pool;
- d) The yard shall be enclosed by a non-climbable fence of at least 1.8 metres (5.91 feet) in height and not more than 10 cm (3.94 inches) from the ground, and located at a distance of not less than 1.5 metres (4.92 feet) from the pool with a lockable gate, equal in height to the fence; and
- e) Any deck attached to or abutting a swimming pool shall be considered as part of the swimming pool and shall:
  - i. Have a minimum side yard of 0.75 metres (2.46 feet) if detached from the principal building and have a minimum distance of 1.2 metres (3.94 feet) from the principal building.
  - ii Have a minimum side yard of 1.5 metres (4.92 feet) if attached to or abutting the principal building.

4.25.2 Any building or structure, other than a dwelling, required for changing clothing or for pumping or filtering facilities, or other similar uses, complies with the provisions the applicable Zoning Districts in Section 5 of this Bylaw, respecting accessory buildings.

**4.26 Private Wells**

Private wells shall be prohibited within all Districts.

**4.27 Wind Turbines**

Wind turbines shall be prohibited within all Districts.

**4.28 Disposal of Wastes**

- 4.28.1 Subject to all Acts and Regulations pertaining in any way to the storage, handling, and disposal of any waste material or used item, and except as permitted by these Acts and Regulations, no liquid, solid, or gaseous wastes shall be allowed to be discharged into any stream, creek, river, lake, pond,

slough, intermittent drainage channel or other body of water, onto or beneath the surface of any land, or into the air.

- 4.28.2** No development or use of land which requires solid or liquid waste disposal facilities shall be permitted unless those facilities are approved by Saskatchewan Health and the Saskatchewan Water Security Agency. Disposal of liquid, solid, or gaseous waste shall be governed by Acts administered by Saskatchewan Agriculture and Food, Saskatchewan Environment, Saskatchewan Health and the Saskatchewan Water Security Agency.

#### **4.29 Development Standards for Discretionary Uses**

This Section addresses special provisions and specific development standards that apply to the following developments. These standards apply in addition to any standards of the District.

In approving any discretionary use to minimize land use conflict, Council may prescribe specific development standards related to:

- a) site drainage of storm water;
- b) the location of buildings with respect to buildings on adjacent properties;
- c) access to, number and location of parking and loading facilities;
- d) appropriate space for vehicle movement in order to reduce disruption of traffic flows on adjacent roadways;
- e) control of noise, glare, dust and odour;
- f) adequate receptacles for refuse and litter shall be supplied;
- g) landscaping, screening and fencing to buffer adjacent properties.

#### **4.30 Home Occupations (Home Based Businesses)**

- 4.30.1** Home-based occupations and businesses will be accommodated provided that they are clearly secondary to the principal residential use of the dwelling unit, compatible with the surrounding residential area, and not of a size that provide services or products that would detrimentally affect the viability of the neighbourhood.

- 4.30.2** Home occupations shall be permitted only in single detached, semi-detached, duplex, mobile homes and associated accessory structures.
- 4.30.3** The total floor area for all home occupation uses shall not occupy more than 20% of the gross floor area of the dwelling unit and accessory structure.
- 4.30.4** Home occupations shall be conducted entirely within the dwelling or accessory building.
- 4.30.5** One advertising display sign shall be allowed on the site or premise from which the home occupation is conducted. No LED or neon signs shall be allowed.
- 4.30.6** There shall be no exterior display or storage of any merchandise or material relating to the home occupation.
- 4.30.7** Home occupations shall not create any conflict with surrounding residential uses or endanger public safety.
- 4.30.8** No equipment or process used in the home occupation shall create dust, noise, vibration, glare, fumes, odour or air pollution that is detectable at or beyond the property lines of the lot where the home occupation or business is located.
- 4.30.9** No mechanical, electrical or construction equipment shall be used, except such as is normally used for domestic, office, or personal care purposes.
- 4.30.10** A retail store shall not be the principal purpose of a home occupation.
- 4.30.11** One (1) person other than a resident of the dwelling unit may be engaged in any home occupation as an employee or a volunteer.
- 4.30.12** Parking: The home occupation shall not cause or add to on-street parking congestion or cause an increase in traffic through residential zones.
- a) No more than one business vehicle, for which off-street parking is provided, shall be operated in connection with the home occupation.
  - b) Parking of vehicles of employees hired for off-site jobs shall not be allowed at or in the vicinity of the dwelling unit. PRESENT BYLAW ALLOWS ONE PER NON-RESIDENT EMPLOYEE.

#### **4.31 Secondary Suites**

- 4.31.1** Secondary suites may be constructed within a principal, single detached dwelling in a residential zone. Only one secondary suite is permitted on each residential site.
- 4.31.2** Secondary suites must be located within the principal dwelling and must have a separate entrance from the principal dwelling either from a common indoor landing or directly from the exterior of the building.

- 4.31.3 Secondary suites must contain cooking, eating, living, sleeping, sanitary facilities and have its own heating/cooling system and controls separate from the principal dwelling.
- 4.31.4 Secondary suites may not exceed 35% of the total floor space, including basements, and may not have more than two bedrooms.

#### **4.32 Modular Homes/Ready-To-Move (RTM) Homes**

- 4.32.1 All Modular/RTM homes shall:
  - a) be placed on a permanent, concrete foundation;
  - b) be multi-modular, with the width approximately equivalent to the length;
  - c) have architectural features similar or complementary to adjacent and nearby homes.
- 4.32.2 Modular/RTM homes shall be permanently connected to water and sewer services provided by the Municipality and permanently connected as available to other public utilities.
- 4.32.3 All other requirements of this Bylaw apply.

#### **4.33 Solid and Liquid Waste Disposal Facilities**

Municipal and commercial solid or liquid waste disposal facilities are subject to the following conditions:

**BYLAW NO. 424/2021**  
**A BYLAW TO AMEND BYLAW NO. 374/2014 KNOWN**  
**AS THE ZONING BYLAW**

Pursuant to Section 46(3) of *The Planning and Development Act*, 2007, the Council of the Town of Balgonie, in the Province of Saskatchewan, enacts to amend Bylaw No. 374/2014 as follows:

A. Section 2 Definitions is amended by:

- i. Adding the following definition directly after the definition for Highway Commercial:

**Highway, Provincial:** A public highway or a proposed public highway that: (i) is the subject of a plan prepared by the Ministry of Highways and Infrastructure; or (ii) is prescribed as a provincial highway; and includes a weighing and inspection facility.

- ii. Adding the following definition directly after the definition for Highway, Provincial:

**Highway, Public:** A road allowance or a road, street or lane vested in the Crown in right of Saskatchewan or set aside for the purposes of the Crown in right of Saskatchewan pursuant to *The North-West Territories Act* or any Act, and includes anything erected on or in connection with the public highway.

- iii. Adding the following definition directly after the definition for Street:

**Street, Local:** A street providing direct access to abutting properties along its length and not intended to carry through traffic, other than to adjoining streets.

B. Section 4 General Regulations is amended by:

- i. Deleting Subsection 4.15-Fence and Hedge Heights in its entirety, and replacing it with:

**4.15 Fence, Hedge Heights and Sight Triangles**

4.15.1 Subject to traffic sight lines, the following height limitations shall apply to fences, walls, chain-link fences and hedges in all Residential Districts:

- a) No hedge, fence or other structure shall be erected past any property line.
- b) In a required front yard, to a height of more than 1 metre (3.28 feet) above grade level.
- c) In a required rear yard, to a height of more than 2 metres (6.56 feet) above grade level.

4.15.2 Screen fences shall be consistent with and complement the quality of building design and materials of the primary building.

4.15.3 No fence in a commercial or industrial zone shall exceed 2.4 metres (7.87 feet).

4.15.4 No barbed wire, or razor wire fences shall be allowed in any District.

4.15.5 In all zoning districts, no building, structure, earth pile, vegetation, etc. shall obstruct the view of pedestrians or drivers within a required sight line triangle as follows:

- a) Where a tree is located in a required sight triangle, the foliage and branches shall be trimmed to a height of 1.6 metres (5.25 feet) from ground level.
- b) Hedges, shrubs and fences shall not exceed 1.0 metre (3.28 feet) in height from ground level.
- c) If, in Council's opinion, an object or vegetation within a required sight triangle could obstruct the view of traffic, Council may require the landowner to remove, relocate or trim the obstruction at the landowner's expense.
- d) Signs, neighbourhood mailboxes, or other objects administered by the local, provincial, or federal government may be exempt from requirements, provided they do not pose a threat to public safety.

- 4.15.6 The sight triangle area shall be measured by connecting straight lines, which are measured from the intersection of the top of the curb adjacent to the two roadways to points established along these lines in accordance with the following distances, as shown in Figure A. Where a road does not have a curb, the edge of the road shall be used to measure the sight triangle.

**FIGURE A  
INTERSECTION SIGHT TRIANGLE  
DIAGRAM**

- 4.15.7 Unless greater distances are required by the Ministry of Highways and Infrastructure, a railway company, or as a result of topographical constraints, sight triangle setbacks shall be as follows:

- Provincial/public highways – 90 metres (295.27 feet).
- Municipal grid roads and/or railways – 46 metres (150.92 feet).
- Local streets – 10 metres (32.81 feet). Distance can be revised.

**BYLAW NO. 430/2022**  
**A BYLAW TO AMEND BYLAW NO. 374/2014 KNOWN**  
**AS THE ZONING BYLAW**

Pursuant to Section 46(3) of *The Planning and Development Act, 2007*, the Council of the Town of Balgonie, in the Province of Saskatchewan, enacts to amend Bylaw No. 374/2014 as follows:

A. Section 2 Definitions is amended by:

- i. Deleting the definition for Agricultural and replacing it with:

**Agricultural:** A use of land, buildings or structures for the purpose of animal husbandry, fallow, field crops, forestry, market gardening, pasturage, private greenhouses and includes the growing, packing, treating, storing and sale of produce produced on the premises and other similar uses customarily carried on in the field of general agricultural, but does not include cannabis operations.

- ii. Adding the following definition directly after the definition for Campground:

**Cannabis:** As defined in *The Cannabis Control (Saskatchewan) Act*.

- iii. Adding the following definition directly after the definition for Cannabis:

**Cannabis Micro-Cultivation Facility:** A federally licensed small-scale facility for the growing of cannabis plants and harvesting of product from the plants where all plant growth activities are carried out indoors and the facility includes a maximum 200 m<sup>2</sup> of total canopy space including multiple surfaces, of which meets the requirements of the federal government for micro-production facility.

- iv. Adding the following definition directly after the definition for Cannabis Micro-Cultivation Facility:

**Cannabis Plant:** Means a plant that belongs to the genus *Cannabis*.

- v. Adding the following definition directly after the definition for Cannabis Plant:

**Cannabis Processing:** The manufacturing, packaging, and labelling of cannabis products destined for direct sale to provincially authorized distributors or wholesalers and for ultimate sale to consumers for recreational or medicinal purposes.

- vi. Adding the following definition directly after the definition for Cannabis Processing:

**Cannabis Production Facility:** A federally licensed facility for the growing of cannabis plants and harvesting of product from those plants where all plant growth activities are carried out indoors; excludes processing.

- vii. Adding the following definition directly after the definition for Cannabis Production Facility:

**Cannabis Retail Operation/Outlet:** A retail business operating from a storefront operation and authorized by *The Cannabis Control (Saskatchewan) Act* selling any part of the cannabis plant, processed or unprocessed, including any derivative, concentrate, or edible product originating from the cannabis plant.

- viii. Deleting the definition for Greenhouse, Commercial and replacing it with:

**Greenhouse, Commercial:** A building for the growing of flowers, plants, shrubs, trees and similar vegetation that are not necessarily transplanted outdoors on the same site, but are sold directly at wholesale or retail from the site, but does not include the growth or sale of cannabis.

B. Section 4 General Regulations is amended by adding the following development standards directly after subsection 4.41:

4.42 Development Standards for Cannabis Retail Operation

4.42.1 A retail operation shall comply with all requirements of the federal and provincial cannabis legislation. Applicants shall provide proof of all required operating licenses as part of the permit application or as a condition of permit approval.

47<sup>1</sup>

4.42.2 A retail operation shall, in no way, interfere with the amenities or change the character of the neighbourhood nor shall it interfere with or affect the use and enjoyment of adjacent properties.

4.42.3 Subject to provincial, federal, and municipal regulations, a retail operation may, be ancillary to a cannabis production facility.

4.42.4 In the event of a discrepancy between the Town's regulations and those of the federal or provincial government, the more stringent regulation shall apply.

4.42.5 As a condition of development permit approval, Council may require additional security measures including but not limited to fencing, limited entrance to the building, etc.

4.42.6 Council shall consider the compatibility of all neighbouring land uses with the proposed cannabis retail operation before issuing a decision.

4.42.7 Council may apply any additional conditions or development standards deemed necessary, based on the application, to maintain the health, safety, and general welfare of the public.

4.42.8 Any change to increase the form or intensity of the use as approved shall require a new development permit.

4.42.9 Setbacks:

- a) Cannabis retail operations/outlets shall be set back a distance of 200 metres (565 feet) from the following:
  - i. High schools
  - ii. Elementary schools
  - iii. Parks/playgrounds
  - iv. Public recreational facilities
  - v. Daycare centres
  - vi. Community centres and youth centres
  - vii. Places of worship
  - viii. Other cannabis retail stores
- b) Setbacks shall be measured from the property line of the proposed retail store site to the nearest property line of any of the above listed uses.

C. Section 4 General Regulations is amended by adding the following development standards directly after subsection 4.42:

4.43 Development Standards for Cannabis Production and Micro-Cultivation Facilities:

4.43.1 The building and site shall display a high visual quality and shall be integrated into the surrounding environment by virtue of appropriate design, location and landscaping.

4.43.2 A cannabis production facility shall comply with all federal and provincial regulations. Applicants shall provide proof of all required operating licenses as part of the permit application or as a condition of permit approval.

4.43.3 Any potential nuisances, including but not limited to, noise, odour, traffic, or dust, shall be identified in the permit application. Council may require the proponent to include a nuisance mitigation plan as part of the application.

4.43.4 Council shall consider the compatibility of all neighbouring land uses with the proposed cannabis production facility before issuing a decision.

4.43.5 All buildings and structures associated with the operation shall comply with the applicable building codes, regulations and related standards.

4.43.6 As a condition of development permit approval, Council may require additional security measures including but not limited to fencing, locking gate, limited site access, etc.

4.43.7 Any change to the operation as approved, including but not limited to an increase in size or intensity, the addition of new buildings or additions to existing buildings, shall require a new development permit.

4.43.8 Any structural or electrical alterations to the building(s) must comply with the National Building Code of Canada and all other applicable codes and regulations.

D. Section 5.10 High Profile Commercial District-HPC, 5.10.2 Discretionary Uses is amended by adding the following after (k) Intermodal freight containers:

**BYLAW NO. 459/2024****A BYLAW TO AMEND BYLAW NO. 374/2014 KNOWN  
AS THE ZONING BYLAW**

Pursuant to Section 46(3) of *The Planning and Development Act*, 2007, the Council of the Town of Balgonie, in the Province of Saskatchewan, enacts to amend Bylaw No. 374/2014 as follows:

1. Section 3.4 Development Requiring a Permit and Not Requiring a Fee is deleted and replaced with the following:

**3.4 Development Not Requiring a Development Permit**

The following uses are exempt from development permit requirements but shall conform to all other requirements of the bylaw (e.g. building permits, setbacks, environmental and development standards):

**3.4.1 Residential Zoning Districts**

- a) Buildings and structures 9.3 square metres (100 square feet) or less in area, which are accessory to a principal, residential use. Except, where the accessory building or accessory use is discretionary, in which case permit requirements shall apply.
- b) The erection of any fence, wall, gate.
- c) The erection of a television or radio antennae measuring up to 2 metres (6 feet, 6 inches) in height from the ground level.
- d) Relocation of any accessory building provided development standards are still met on the site.
- e) A temporary building or portable storage unit, the sole purpose of which is incidental to the erection or alteration of a building for which a building permit has been granted.

**3.4.2 Commercial Zoning Districts**

- a) Buildings and structures 9.3 square metres (100 square feet) or less in area, that are accessory to a permitted, principal, commercial use. Except, where the accessory building or accessory use is discretionary, in which case permit requirements shall apply.
- b) The erection of any fence, wall, or gate.
- c) The erection of a television or radio antennae measuring up to 2 metres (6 feet, 6 inches) in height from the ground level.
- d) A temporary building or portable storage unit, the sole purpose of which is incidental to the erection or alteration of a building for which a building permit has been granted.

**3.4.3 All other Zoning Districts**

Accessory buildings and uses. Except, where the accessory building or accessory use is discretionary, in which case permit requirements shall apply.

**3.4.4 Official Uses**

Uses and buildings undertaken, erected, or operated by the Town of Balgonie.

**3.4.5 Internal Alterations**

Internal alterations to buildings, including mechanical or electrical work, provided that the use, the intensity of use of the building, or the number of dwelling units within a residence does not change.

**3.4.6 Landscaping**

Landscaped areas, driveways and parking lots, provided the natural or designed drainage pattern of the site and adjacent sites are not adversely impacted.

2. Section 5.7.3 Site Development Regulations is amended by:

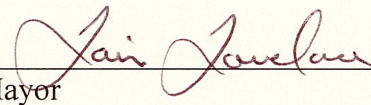

- a) Reducing the front yard setback for Duplex and Triplex Dwellings (Per Unit) from 6.0 metres (19.69 feet) to 5.0 metres (16.40 feet).
- b) Reducing the front yard setback for Single-Detached Dwellings is reduced from 6.0 metres (19.69 feet) to 5.0 metres (16.40 feet).
