ATV Reminder

Vehicles that fall under the definition of All-Terrain Vehicle (ATV) are not allowed on any street within town limits, except for the purpose of crossing to get to the closest point of exit. Stunting and driving on walking paths is not permitted, as it is a major safety concern for those who are walking on the path. Please keep our community safe by following ATV legislation.

Snow Removal Reminder

The Town of Balgonie would like to remind residents that, to provide the best snow removal services, all unused vehicles are to be removed from Town streets, boulevards, and alleyways. This includes trailers, campers, boats or other vehicles and equipment not used regularly.

The Public Works Staff work hard to remove the snow. Piling snow or blowing your driveway onto the Town's roadways is not permitted. The extra snow also makes it hard for vehicles to pass. If you have private work done, the excess snow can be dumped in Westview, west of Greenall Street or in the Sports Grounds. A reminder that the use of quads to push snow to the other side of the street is not permitted.

To view the Town's Snow Removal Policy, go to: www.townofbalgonie.ca → Government → Policies.

Elm Tree Pruning

The annual ban on pruning elm trees in Saskatchewan begins April 1. The ban helps slow down the spread of Dutch Elm Disease (DED). DED is a fungus spread by elm bark beetles. Pruning your trees before the ban keeps them healthy and better to resist all kinds of diseases.

Remember: It is illegal to use, transport, store or sell elm wood.

The red Loraas bin at the Transfer Station is delivered on the first and third Friday of every month. There is no specific time as to when the bin will arrive on these days.

If a red bin is NOT available or is full, do NOT leave any items where the bin is normally located or add more to it. Residents have been fined (up to \$500) and their cards have been suspended.

Be courteous of others! Large items and multiple loads take up the entirety of the bin, making it unusable for other residents. If you have multiple large items, please take them to the Regina Landfill.

Home builders/developers are not permitted to use the red Loraas bin.

REVALUATION 2025

Provincial legislation requires all properties in Saskatchewan to be revalued once every four years. For this 2025 Revaluation, the base date used for assessment values is January 1, 2023. This ensures assessed values are more current, as property values change over time.

One of the key considerations in a revaluation is the province-wide property classes and percentages of value that are applied to assessed values in order to calculate taxable assessments.

WHAT IS PROPERTY ASSESSMENT?

Assessment is the value placed on a property. This value is used to determine how much property tax you pay. Tax assessment, or assessment, is the job of **determining the value**, and sometimes **determining the use of property**, usually to calculate a property tax. The Town of Balgonie hires S.A.M.A. (Saskatchewan Assessment Management Agency) to perform the assessments each year. If you have made changes to your property on any given year, i.e., a new home, a new deck, new basement development, or building a new accessory building, your property will be reassessed.

OPEN ASSESSMENT ROLL

The Assessment Roll is a document that lists the assessments for all properties in Balgonie. It can be viewed at the Town office when the roll is open or you can sign up for SAMAView (instructions to sign up for SAMAView are also enclosed). This method will allow you, the property owner, to view your own property assessment or properties in and around your area. The Town of Balgonie's Assessment Roll will be open from February 28, 2025 until April 29, 2025. During a revaluation year, the Roll stays open for 60 days.

NOTICE OF ASSESSMENT

The Detailed Property Profile sheet enclosed, breaks down how your property was assessed. Please look at the Profile sheet and ensure there are no errors in the information. See the list of Abbreviations for the Profile Report on the back of the SAMAView instruction sheets.

See the sample excerpt from a Detailed Property Profile on the next page:

PREPARING THE NOTICE OF APPEAL FORM

If you see an error in your Property Report, the Notice of Appeal form must be fully completed. You must provide specific grounds supporting the appeal. You are required to provide as many details as possible and all facts and evidence that an error has been made in the:

- valuation of the property;
- classification of the property;
- preparation of the relevant assessment roll or assessment notice; and/or
- content of the relevant assessment roll or assessment notice.

The grounds for the appeal must be detailed. So, in the sample excerpt above, you have noticed that the Shed built in 1930 should be removed from the assessment. The appeal form should state that “the shed from 1930 must be removed”. Appeals can be as simple as proving that the dimensions or measurements on a deck or building are incorrect, that a classification is not correct, or as complex as proving that the value of a property is not fairly assessed compared to another property that is similar in nature. It is your responsibility to make a case to the Board of Revision. Phrases such as “assessment is too high” or “assessment is too low” are **NOT** sufficient.

REGULAR ASSESSMENT APPEALS OR SIMPLIFIED ASSESSMENT APPEALS?

When making regular or simplified assessment appeals, the Notice of Appeal form must be fully completed. Regular appeal – the appellant must provide specific written grounds supporting the appeal when submitting it to the Secretary before the hearing. Simplified appeal - the appellant is not required to submit detailed written grounds to the secretary before the hearing but must have detailed information ready to present to the Appeal Board.

Assessment appeals fees are **\$250.00 per appeal**. If the appellant is successful in their appeal, the \$250.00 appeal fee will be refunded.

CAN I BASE MY APPEAL ON THE FACT THAT I FEEL MY TAXES ARE TOO HIGH?

NO! Legislation outlines the valid grounds for an appeal. Only your property assessment can be appealed, not the property taxes or the mill rates.

UNDERSTANDING ASSESSMENT-THE ASSESSMENT PROCESS AND ITS RELATION TO TAXES

S.A.M.A.'s role in determining assessed values for properties is just the first part of a process established by Provincial Legislation. The second part is the application of Provincial Government established tax policy, such as property classes, percentage of value, and statutory exemptions. The third and final part of the process involves a Provincial education mill rate, and the Town's mill rate, which is determined annually by the Town of Balgonie based on the Town's budget needs for the current year. The Town then multiplies the taxable assessment by these mill rates to determine your property tax bill. Therefore, property tax assessment is not the same as property taxes.

In addition to determining mill rates, the Town of Balgonie has the authority to apply a series of tax tools, such as mill rate factors by local property class, minimum tax, and base tax. These tax tools further affect the specific tax bill received by a taxpayer.

WHO CAN I CONTACT TO EXPLAIN MY ASSESSMENT?

You should start with the Town of Balgonie - phone 306-771-2284. You can also call S.A.M.A. (Saskatchewan Assessment Management Agency) - phone 306-924-8000.

The Balgonie United Church or Heritage Church is one of the oldest remaining buildings in Balgonie. This building was used as a church until 1973, when it was converted to a senior's centre, and later a playschool. Most recently this stone building is our community's museum and heritage centre.

**We are planning to have the committee in place by March 2025.

DID YOU KNOW?

The Transfer Station is set up with an electronic card system which allows residents to access it 24/7.

On the 1st and 3rd Friday of each month, Loraas Disposal delivers a 40-yard bin to the Transfer Station. The purpose of the 40-yard bin is to allow residents to dispose of additional household waste that does not fit in their black roll-out bin.

Unaccepted items

- Shingles;
- Railway ties, telephone poles and creosote treated wood;
- Bulbs and Light Ballasts;
- Hazardous materials such as tires, propane tanks, car batteries, paint, oil and chemicals;
- Appliances containing Freon;
- Construction/renovation material;
- Waste from households outside of Balgonie.

Please note: the unaccepted items listed above pertain to the 40-yard bin only. There are designated areas at the transfer station where some items listed above are accepted.

Who can use your transfer station card?

- Members of your household can use it.
- Lending your card out to another person and/or disposing of waste from households outside of Balgonie is not permitted.
- The cardholder will be held accountable for all occurrences at the transfer station, such as illegal dumping.

Illegal dumping

The Town of Balgonie has the responsibility to ensure regulations are followed based on the Approval to Operate issued to the Town by the Ministry of Environment.

Public Works Staff inspect the Transfer Station every morning. If it is determined that an illegal dump has taken place and/or items are placed in the incorrect disposal area, an investigation will commence. The resident at fault will be fined and their access card will be suspended for up to 6 months.

Disposing of large items

When residents dispose of large items such as couches, mattresses, and box springs in the 40-yard bin:

- it limits another resident's ability to dispose of their items in the bin;
- the bin is removed from the Transfer Station quicker, creating a longer waiting period for when it is scheduled to return.

In addition to the inconvenience it causes others by placing large items in the bin, the Town of Balgonie is required to pay a burial surcharge to Loraas Disposal if there are more than 4 pieces of bedding per load (mattresses and box springs), wood or metal longer than 7' or coils of wire or banding.

Designated disposal areas

Cement Pile

- Cement free of other debris may be disposed of.

Metal Pile

- All appliances and metal are permitted. Ensure the Freon is removed from fridges/freezers.
- Propane tanks are permitted.

Grass/Leaves

- Bags and boxes are not permitted in this pile.

Trees, Branches and Untreated Wood Pile

- Treated wood, painted wood, cardboard, drywall etc. are not permitted in this pile.

Oil Recycling Centre

- Empty oil into the oil recycling bin.
- Place the oil containers and filters in the bin next to the oil recycling bin.

Diabetes Canada Clothing Bin

- Do not leave bags beside the bin if it is full.

What should I recycle at SARCAN?

- Beverage containers
- Batteries
- Electronics
- Household paint

Growing a Cut Flower Garden Paperwhite Flower House Amie Lindenbach

I'll discuss:

- the best varieties for cut flowers,
- where to get them,
- how to grow them - including which ones can be direct seeded and which should be started inside early.
- How I start seeds, light requirements and soil blocking, and
- plant spacing and harvesting.

My family and I own a dairy farm by Balgonie. While helping my mom run Vollman Gardens greenhouse through my teens I learned all about growing plants. I now use that knowledge to grow flowers!

Paperwhite Flower House is a u-pick flower farm, offering various flower related workshops throughout the season as well as wedding flower services.

DID YOU KNOW? Snow Removal Edition

The Town of Balgonie's Bylaw No. 444/2023 informs homeowners of what is permitted and not permitted in terms of snow removal in Balgonie.

PERMITTED:

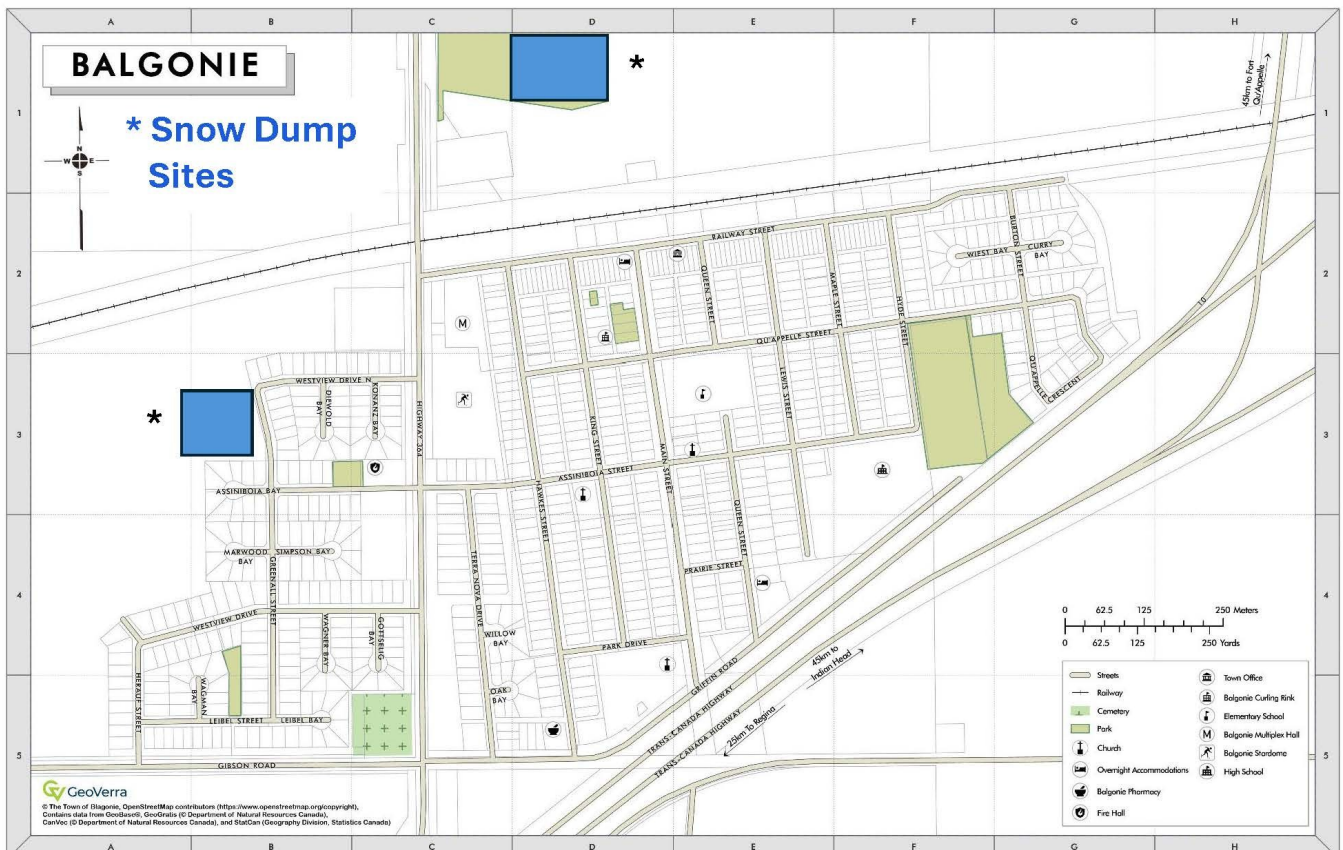

- Placing snow and ice on the municipal setback adjacent to your property.
- If private work is done, the excess snow can be dumped in Westview (west of Greenall Street) or at the Sports Grounds.

NOT PERMITTED:

- Moving snow from one property to another (ex. a bobcat or quad with blades moving snow across the street to a Town boulevard).
- Stockpiling snow on private property that makes it unsafe for motorists or pedestrians, or stockpiling snow within a sight triangle at intersections.

A reminder that the Town boulevard portion at the front of each property is approximately 12-20 feet (with the exception of the bays) therefore that is where snow is placed. Any soft landscaping, such as sprinklers, rocks, gardens, etc. are placed on the boulevard at your own risk.

Thank you for your understanding and cooperation in managing the excess snow to keep the Town safe for all residents!
