FROM THE TOWN

Sewer & Drain Tips

Here are some tips to keep your sewers and drains unclogged from costly sewer backups and pricey home repairs:

- Fats, oils and grease from cooking should be poured into a disposable cup to be discarded in the trash after it's cooled.
- Avoid flushing "flushable" wipes, baby wipes, feminine products, dental floss, cotton balls, paper towels and candle wax down the toilet.

A backed-up sewer system or clogged drain can be costly to repair. Inappropriate disposal of grease and other items may also cause damage to the municipal sewer system.

Reminder that the Town of Balgonie will NOT reimburse residents for sewer blockages which are blocked by anything other than tree roots, whether or not the blockage is on your property or town property.

Items blocking the lines which will not be covered by reimbursement include sanitary products, grease, or other foreign objects in the lateral lines.

Please let the Town know when you have the sewer company scheduled at your home, as our maintenance personnel must be there to determine the problem.

April Utility Bills

Utility notices will be mailed and uploaded to the Customer Portal the second week of April. For those that receive utility notices by e-notice (e-mail), please log into your Customer Portal account at <https://portal.townofbalgonie.ca/login> to view your utility notice.

To register for a Customer Portal Account, contact the Town Office at 306-771-2284.

Payments can be made through your online banking, in the office (cash, debit or cheque), or on the Town's website using Plastiq.

Plastiq Payments

How to pay with Plastiq:

1. Go to www.townofbalgonie.ca
2. Scroll down to the right hand side of the screen.
3. Sign up - create a free account, add who you are paying, and enter your card info.
4. Plastiq will process your payment and the funds will be transferred to the Town of Balgonie.

Fees associated with Plastiq are as follows:

- Standard credit card rate of 2.9%
- Debit cards are discounted to 1%

Paying Tax & Utility Bills Online

Utility and tax bills may be paid through your online banking service. Please use **Balgonie (Town of) Taxes** for your taxes and **Balgonie (Town of) Utilities** for your water/sewer bills. If you are unsure of your account number, please contact the Town Office to obtain your account number.

When making an online payment, allow 2-3 business days before any due date so that your payment is receipted prior to any penalties being applied to your account.

FROM THE TOWN

Town Speed Limit

The speed limit in Balgonie is 40 km/hr unless otherwise posted (school zones, Griffin Road, etc.).

As the weather is warming up and more residents are out, please remember to slow down!

New to Balgonie? Welcome!

With many new residents in town and cellular phones replacing land lines, we graciously ask that you contact our office with your updated contact information.

There are times throughout the year where we require the ability to contact households, and do not have a means of doing so.

Call us at 306-771-2284 or email general@balgonie.ca. The information is intended for office use only. Thank you for your assistance!

Community Safety Reminders

We can help with local law enforcement! Report any all suspicious activity, break-ins and erratic driving to the RCMP by phone or fill in an incident report form. Reporting these incidents to the RMCP helps track where the RCMP need to have their staff monitoring. To report incidents:

- Fill out an Incident Report Form on-line at www.townofbalgonie.ca.
- Call the White Butte Detachment at 306-781-5050.
- If an incident involves a student's behaviour during the school day, the report should also be made to Greenall High School at 306-771-2566.

ATV Reminder

Vehicles that fall under the definition of All-Terrain Vehicle (ATV) are not allowed on any street within town limits, except for the purpose of crossing to get to the closest point of exit.

Stunting and driving on walking paths is not permitted, as it is a major safety concern for those who are walking on the path. Please keep our community safe by following ATV legislation.

Please Be a Responsible Dog Owner

Pick Up After Your Dog

Street Parking Reminder

Vehicles are not to be parked on the street for more than 24 hours except on weekends and holidays. If your vehicle is not used regularly, you must park it on your own property. All vehicles stored on your property must be licensed and in good repair. Storage of unlicensed and junked vehicles on your property are considered to be a "nuisance" by Town of Balgonie bylaws.

Please do not park trailers on the street - this causes difficulties for other drivers, blocks sight lines and can be dangerous for pedestrians and cyclists.

Loraas Compost Bins

A reminder that Loraas will pick up the green compost bins every Friday from April until the end of October. Please note the **Saturday, April 19th** pick up.

Loraas Disposal Bin at the Transfer Station

The red Loraas bin at the Transfer Station is delivered on the first and third Friday of every month. There is no specific time as to when the bin will arrive on these days.

If a red bin is NOT available or is full, do NOT leave any items where the bin is normally located or add more to it. Residents have been fined (up to \$500) and their cards have been suspended.

Be courteous of others! Large items and multiple loads take up the entirety of the bin, making it unusable for other residents. If you have multiple large items, please take them to the Regina Landfill.

Home builders/developers are not permitted to use the red Loraas bin.

For a complete list of what can be left at the Transfer Station, see the end of the newsletter.

Monthly Cribbage Tournament

Cribbage tournaments will be held at the **United Church** on the second Saturday of every month at 10:00 am. The cost is \$10 and includes a lunch. The next tournament is **April 12th**. For more information, please call Bart Eliasson at 306-771-0024.

VOLUNTEER SPOTLIGHT

Jack Leibel

I am honoured to be asked to share my past experiences. When I reflect on my years, I wonder how I found time to be a volunteer. I made that time because it is one of the most rewarding aspects of my life.

What groups have you volunteered with?

- As an enthusiastic Roughrider fan, I acted as the Rider Rep for the Balgonie area. I also worked as a Maitre d' for many Rider fundraiser dinners.
- Balgonie has hosted three major provincial curling events. I participated as the chairperson for the sponsorships donations.
- I am one of the charter members of the Balgonie Elks Lodge; an organization that has been a front runner in our community for many years.
- I was a founder of the Balgonie Bed Derby and the Winter Festival.
- In the early years of the Curling Club, I acted as the president and caretaker.
- I was also heavily involved in the planning and completion of the Multiplex and I'm very proud that due to our hard work and dedication we were able to retire the debt and turn the facility over to the Town of Balgonie.

What has been your greatest achievement as a volunteer?

My greatest achievement is the 35 years of the Balgonie Dinner Theatre. It's been a wonderful success to help the non-profit groups that depend on this event for their very existence. In the next few years, we will have raised nearly two million dollars!

What motivates you to stay involved?

My motivation as a volunteer is to help organizations that need our help. It has been a great experience to see the growth and maturity of our community because of the participation of the many volunteers; our town must be the envy of others!

What has been your best moment in your capacity as a volunteer?

One of my proudest moments is receiving the Queen Elizabeth Platinum Jubilee Medal for my contribution to the province. Our work in and around Balgonie will continue as our young people are picking up the torch.

Note: Volunteer Spotlight is a new feature to highlight Balgonie and area volunteers. The Town of Balgonie appreciates all the volunteers and their dedication. Stay tuned for the next volunteer spotlight next month!

Kruppi Klassic

"The Jr. Boys hosted the first Kruppi Klassic on February 14th and 15th. The featured game was the "White Out" game, where students filled the gym in their white T-shirts. The T-shirts were created as a fundraiser for the Kruppi family. Kelly Kruppi, a staff member and Jr. Boys coach, was injured while playing basketball earlier that month. The opening tip-off was made by Kelly's children. Mr. Kruppi's wife, along with friends of Kelly, attended the event as well. Sadly, Mr. Kruppi passed away later that month. He will be deeply loved and missed by the Griffin Family, as his kindness and dedication left a lasting impact. The Kruppi Klassic will become an annual event in Mr. Kruppi's honor.

**GreenALL Equity Team

Harbour**

The GreenALL Equity team volunteered with Souls Harbour Rescue Mission's meal program last week. Two groups volunteered on two separate nights, serving hot meals to the community of Regina. The teams of students and staff spent their evenings serving food, preparing beverages, and completing cleaning duties. This was an incredibly rewarding experience for our team of students and staff.

Greenall's Grade 11 Outdoor School

The ODS program enjoyed the warm temperatures at their Winter Camp from March 5-7. The winter camp took place at Echo Lake, where all students slept in quinzhees! Quinzhees are snow shelters made by piling snow, shaping snow, and then hollowing out the shaped snow. The ODS students go winter camping every year, but it's not often that every student sleeps in the quinzhees.

DID YOU KNOW?

The Transfer Station is set up with an electronic card system which allows residents to access it 24/7.

On the 1st and 3rd Friday of each month, Loraas Disposal delivers a 40-yard bin to the Transfer Station. The purpose of the 40-yard bin is to allow residents to dispose of additional household waste that does not fit in their black roll-out bin.

Unaccepted items

- Shingles;
- Railway ties, telephone poles and creosote treated wood;
- Bulbs and Light Ballasts;
- Hazardous materials such as tires, propane tanks, car batteries, paint, oil and chemicals;
- Appliances containing Freon;
- Construction/renovation material;
- Waste from households outside of Balgonie.

Please note: the unaccepted items listed above pertain to the 40-yard bin only. There are designated areas at the transfer station where some items listed above are accepted.

Who can use your transfer station card?

- Members of your household can use it.
- Lending your card out to another person and/or disposing of waste from households outside of Balgonie is not permitted.
- The cardholder will be held accountable for all occurrences at the transfer station, such as illegal dumping.

Illegal dumping

The Town of Balgonie has the responsibility to ensure regulations are followed based on the Approval to Operate issued to the Town by the Ministry of Environment.

Public Works Staff inspect the Transfer Station every morning. If it is determined that an illegal dump has taken place and/or items are placed in the incorrect disposal area, an investigation will commence. The resident at fault will be fined and their access card will be suspended for up to 6 months.

Disposing of large items

When residents dispose of large items such as couches, mattresses, and box springs in the 40-yard bin:

- it limits another resident's ability to dispose of their items in the bin;
- the bin is removed from the Transfer Station quicker, creating a longer waiting period for when it is scheduled to return.

In addition to the inconvenience it causes others by placing large items in the bin, the Town of Balgonie is required to pay a burial surcharge to Loraas Disposal if there are more than 4 pieces of bedding per load (mattresses and box springs), wood or metal longer than 7' or coils of wire or banding.

Designated disposal areas

Cement Pile

- Cement free of other debris may be disposed of.

Metal Pile

- All appliances and metal are permitted. Ensure the Freon is removed from fridges/freezers.
- Propane tanks are permitted.

Grass/Leaves

- Bags and boxes are not permitted in this pile.

Trees, Branches and Untreated Wood Pile

- Treated wood, painted wood, cardboard, drywall etc. are not permitted in this pile.

Oil Recycling Centre

- Empty oil into the oil recycling bin.
- Place the oil containers and filters in the bin next to the oil recycling bin.

Diabetes Canada Clothing Bin

- Do not leave bags beside the bin if it is full.

What should I recycle at SARCAN?

- Beverage containers
- Batteries
- Electronics
- Household paint

Irrigation as a Time Saver

Bob Baker and Jeff Holland

For the last 8 years, Bob and Jeff have been fighting the dry and windy prairie conditions, trying to turn a canola field into their own lush acreage paradise.

This has 'offered' them the opportunity to test and trial several different methods for watering trees, perennial beds and raised gardens. Bob and Jeff will share their lessons learned - as they evolved from watering by hand from a water tank in the back of a pick-up truck, to their current fully automated irrigation system operating over 2,000 drips - as well as a glimpse into their future plans.
