**SCHEDULE “A” TO BYLAW NO. 470/2025**

**Agreement to Establish the Residential Multiple Dwelling Contract (R2-CZ)**

This Residential Multiple Dwelling Contract Zone (R2-CZ) has been developed to accommodate a unique development situation on the subject lands. The parcels are currently zoned Residential Multiple Dwelling District (R2) under the Town of Balgonie’s (Town) Zoning Bylaw and are vacant.

The developer has applied to the Town to alter the site development standards in the R2 District in order to allow for a greater building area within the lots. The Town has determined that it is not desirable to significantly alter the site development regulations of the R2 District, and has therefore agreed to a contract zone.

This Contract Agreement (Agreement) will establish the permitted and discretionary uses and site development standards within the R2-CZ District. The regulations for the R2-CZ District are based on the Town’s existing R2 District as per the Zoning Bylaw.

This Agreement is binding on the registered owner of the land as well as the registered owner’s heirs, executors, administrators, successors, and assigns. The owner may not assign the terms or conditions of this Agreement in whole or in part without the written approval of the Town of Balgonie. As a condition of consent to assign or transfer the Agreement, the Municipality may require the assignee or transferee to execute a copy of this Agreement and agree to be bound to the terms herein for as long as the Agreement is in force.

This Agreement shall run with the land, and the Municipality shall register an interest based on this Agreement in the land registry against the affected parcel.
