Community Safety Reminders

We can help with local law enforcement! Report any all suspicious activity, break-ins and erratic driving to the RCMP by phone or fill in an incident report form. Reporting these incidents to the RMCP helps track where the RCMP need to have their staff monitoring. To report incidents:

- Fill out an Incident Report Form on-line at www.townofbalgonie.ca.
- Call the White Butte Detachment at 306-781-5050.
- If an incident involves a student's behaviour during the school day, the report should also be made to Greenall High School at 306-771-2566.

Paying Tax & Utility Bills Online

Utility and tax bills may be paid through your online banking service. Please use **Balgonie (Town of) Taxes** for your taxes and **Balgonie (Town of) Utilities** for your water/sewer bills. If you are unsure of your account number, please contact the Town Office to obtain your account number.

When making an online payment, allow 2-3 business days before any due date so that your payment is receipted prior to any penalties being applied to your account.

Reminder to Pet Owners

To be a responsible pet owner, follow these 4 easy steps!

1. Walk your pet on a leash.
2. Pick up after your pet. There are multiple garbage cans located throughout the town for you to use.
3. Spay/neuter your pet.
4. License your pet at the Town Office. Fines are \$40 if a dog is found "at large".

The Dog Control Bylaw can be viewed on-line at www.townofbalgonie.ca. Thank you for keeping our Town safe and clean for ALL to enjoy!

ATV Reminder

HELLO
Spring

Town Speed Limit

The speed limit in Balgonie is 40 km/hr unless otherwise posted (school zones, Griffin Road, etc.).

As the weather is warming up and more residents are out, please remember to slow down!

Loraas Disposal Bin at the Transfer Station

The red Loraas bin at the Transfer Station is delivered on the first and third Friday of every month. There is no specific time as to when the bin will arrive on these days.

If a red bin is NOT available or is full, do NOT leave any items where the bin is normally located or add more to it. Residents have been fined (up to \$500) and their cards have been suspended.

Be courteous of others! Large items and multiple loads take up the entirety of the bin, making it unusable for other residents. If you have multiple large items, please take them to the Regina Landfill.

Home builders/developers are not permitted to use the red Loraas bin.

For a complete list of what can be left at the Transfer Station, see the end of the newsletter.

BALGONIE PICKLEBALL CLUB

May will be our last month indoor before our summer break. As of now, there will be sessions each Thursday in May in the gym at the Balgonie Elementary School from 7:00 to 9:00 pm. We continue to invite any Balgonie and area residents who has been curious about the sport to come and either see what it is about or give it a try. There is always instruction available and equipment is provided. The club has players aged from 30 to 70 plus. Our club is recreation in nature and members at all skill levels. For the month of May, all new players will have no charge to participate!

For the summer months, there will be two nets set up in the outdoor rink on Main Street. With the opening of the new pool this year, these courts will make for an additional activity for this area. The club is investigating the possibility of having paddles and balls available for sign out at the pool facility. The nets and paddles will be available at the outdoor rink during the July 1st activities.

Indoor sessions will begin again in September - watch for an update in the August Talk of the Town. Have a great summer!

Balgonie Agencies Welcomes New Owner

After more than two decades of dedicated service to the community, Kenton and Leah Jones have decided to retire from Balgonie Agencies and are pleased to pass the torch to Chris Krechowiecki. Chris, who currently owns Advantage Insurance Brokers in Ituna, is known for his commitment to personalized, small-town service – an ethos that Kenton and Leah deeply value. Under Chris's ownership, Balgonie Agencies will transition to become Advantage Insurance, continuing the legacy of dedicated service.

An important aspect of this transition is the continuity of the current staff. Kenton and Leah have ensured that Sara, Darcie, and Elaine will continue to be part of the Balgonie Agencies team, maintaining the familiar faces and trusted service that clients have come to rely on.

Chris's experience and dedication to maintaining the high standards set by Kenton and Leah ensure that Balgonie Agencies will continue to thrive under his leadership. The community can look forward to the same level of care and attention that has been the hallmark of Balgonie Agencies for years.

Kenton and Leah express their heartfelt gratitude to their clients and the community for their unwavering support. They are confident that Chris will uphold the values and service that have made Balgonie Agencies a trusted name.

Join us in wishing Kenton and Leah a happy and fulfilling retirement, and welcoming Chris Krechowiecki to Balgonie Agencies!

VOLUNTEER SPOTLIGHT

Chris Rutten

I am honoured to be asked to share about my volunteering experiences.

What group(s) do you currently volunteer with?

- I volunteer with activities at my daughters' school.
- I serve as the President of the Balgonie Soccer Board. Through this role, I'm also involved with:
 - the Balgonie Recreation Board
 - the Regina Community Soccer Inter-Zone Committee where the older age group teams play.
 - TAYSA (Tri-Angle Youth Soccer Association) where volunteers from Balgonie, White City, Pilot Butte, and Mclean work together to plan each season.

What attracted you to these groups?

My daughters both looked forward to the outdoor soccer season, getting outside in the spring and playing with their friends on the field. The soccer board was looking for help and new members, I wanted to give back to our community and make sure soccer stayed available in town. After attending a board meeting, I found a group of people who were motivated by the same goals.

How long have you been volunteering?

I started as a volunteer coach for my daughter's team 8 or 9 years ago. Shortly after I joined the soccer board as a member at large, I started helping out where needs existed. Over time, I took on more responsibilities and moved into the president position at the start of the 2023 outdoor season.

What do you enjoy most about your volunteer work?

I value that Balgonie Soccer is open to all players, all skill levels and with low financial requirement. I enjoy seeing families who cheer on their children with positivity and passion. It's great watching our referees learn new skills and gain valuable experience they can use in their future. I also enjoy talking with our volunteer coaches and seeing how they motivate their players to grow and have fun on the field. Mostly, it is rewarding to be contributing to the wider community while working with an amazing board.

What motivates you to stay involved?

Knowing that we have combined over 200 players sign up for both indoor and outdoor seasons. Making sure this opportunity is here for our kids and seeing the players grow in their skills as they return season after season.

What are some of your best moments in your capacity as a volunteer?

I organized a U of R Women's Soccer team skills camp at our Balgonie field. It was great to see how excited our kids were to learn from those experienced players.

Modernizing the sports management platform we use has provided efficiencies for the board, less time on administrative tasks and significantly improved communications with the teams, players and coaches. But the best part of volunteering is seeing the kids on the field, or in the gym, running around and having fun!

How do you inspire others to give of themselves?

I tell people that every little bit counts. Don't be scared away from volunteering because you are worried it will be too much. Just come and check things out, let the organization know how much time you can give. No matter if it is a lot, or just a little, every bit helps. You will see the reward on the kids' faces!

Note: Volunteer Spotlight is a new feature to highlight Balgonie and area volunteers. The Town of Balgonie appreciates all the volunteers and their dedication. Stay tuned for the next volunteer spotlight next month!

Thank you

Our family would like to express how incredibly thankful we are to everyone who has reached out and supported us during this very difficult time. We are very thankful for the wonderful community that we live in. Thank you all for the donations of food, and those that continue to send meals. Thank you to everyone who donated to the Go Fund Me page, sent flowers, card and continue to give us support. Thank you to those that check in on a regular basis and make sure we are taken care of.

We thank the Town staff and Council for working with us on short notice and for the use of the hall. Thanks to the Balgonie Fire Department for all your support and keeping us organized during the service. We also cannot thank our community enough for all of the dainties that you sent. Thank you to the Dance and Curling Club for organizing the lunch and taking care of us that day.

Our community has surrounded us with love and we will never be able to thank everyone individually. The love and support that has been expressed to our families is the reason that Trevor and I decided to raise our children in this community. Trevor's passing was shocking not only to our family but to all of those that knew him. He left behind many memories, and we hope that you will continue to cherish them as much as we do.

Thank you from the bottom of our hearts,

Kelly, Elizabeth, Emily and Elissa

DID YOU KNOW?

The Transfer Station is set up with an electronic card system which allows residents to access it 24/7.

On the 1st and 3rd Friday of each month, Loraas Disposal delivers a 40-yard bin to the Transfer Station. The purpose of the 40-yard bin is to allow residents to dispose of additional household waste that does not fit in their black roll-out bin.

Unaccepted items

- Shingles;
- Railway ties, telephone poles and creosote treated wood;
- Bulbs and Light Ballasts;
- Hazardous materials such as tires, propane tanks, car batteries, paint, oil and chemicals;
- Appliances containing Freon;
- Construction/renovation material;
- Waste from households outside of Balgonie.

Please note: the unaccepted items listed above pertain to the 40-yard bin only. There are designated areas at the transfer station where some items listed above are accepted.

Who can use your transfer station card?

- Members of your household can use it.
- Lending your card out to another person and/or disposing of waste from households outside of Balgonie is not permitted.
- The cardholder will be held accountable for all occurrences at the transfer station, such as illegal dumping.

Illegal dumping

The Town of Balgonie has the responsibility to ensure regulations are followed based on the Approval to Operate issued to the Town by the Ministry of Environment.

Public Works Staff inspect the Transfer Station every morning. If it is determined that an illegal dump has taken place and/or items are placed in the incorrect disposal area, an investigation will commence. The resident at fault will be fined and their access card will be suspended for up to 6 months.

Disposing of large items

When residents dispose of large items such as couches, mattresses, and box springs in the 40-yard bin:

- it limits another resident's ability to dispose of their items in the bin;
- the bin is removed from the Transfer Station quicker, creating a longer waiting period for when it is scheduled to return.

In addition to the inconvenience it causes others by placing large items in the bin, the Town of Balgonie is required to pay a burial surcharge to Loraas Disposal if there are more than 4 pieces of bedding per load (mattresses and box springs), wood or metal longer than 7' or coils of wire or banding.

Designated disposal areas

Cement Pile

- Cement free of other debris may be disposed of.

Metal Pile

- All appliances and metal are permitted. Ensure the Freon is removed from fridges/freezers.
- Propane tanks are permitted.

Grass/Leaves

- Bags and boxes are not permitted in this pile.

Trees, Branches and Untreated Wood Pile

- Treated wood, painted wood, cardboard, drywall etc. are not permitted in this pile.

Oil Recycling Centre

- Empty oil into the oil recycling bin.
- Place the oil containers and filters in the bin next to the oil recycling bin.

Diabetes Canada Clothing Bin

- Do not leave bags beside the bin if it is full.

What should I recycle at SARCAN?

- Beverage containers
- Batteries
- Electronics
- Household paint

- May 9-10 Drama Provincials
- May 14 RDIEC- Tray a Career Day -Gr.9

Clothing, Textiles and Fashion 20/30, Bringing Monsters to Life

Students collaborated with École WCS Kindergarten to create replicas of the students' "monsters". The class surprised the K's with stuffie versions of the pictures they drew of monsters. The classes had a great time collaborating with the Kindergartens.

ELA 9 Storytellers

After spending weeks creating and editing digital storybooks for children, a class of grade 9s from Greenall travelled over to the elementary school to read their stories live to their target audience! Teachers from grades 1-3 welcomed the high schoolers to read aloud the stories they wrote and the images they created using AI technology. Everyone had a blast! The little ones could identify the stories' themes, laughed at the jokes, and had many great questions about the stories. Thank you so much to all the teachers who helped bring these kiddos together to promote literacy skills in both buildings.
