FROM THE TOWN

ATV Reminder

Vehicles that fall under the definition of All-Terrain Vehicle (ATV) are not allowed on any street within town limits, except for the purpose of crossing to get to the closest point of exit. Stunting and driving on walking paths is not permitted, as it is a major safety concern for those who are walking on the path. Please keep our community safe by following ATV legislation.

Street Parking - Reminder

Vehicles are not to be parked on the street for more than 24 hours except on weekends and holidays. If your vehicle is not used regularly, you must park it on your own property. All vehicles stored on your property must be licensed and in good repair. Storage of unlicensed and junked vehicles on your property are considered to be a “nuisance” by Town of Balgonie bylaws.

Please do not park trailers on the street - this causes difficulties for other drivers, blocks sight lines and can be dangerous for pedestrians and cyclists.

Home Safety Reminders

Follow these safety tips to keep your home and property safe from theft/break-ins:

- Light up your property - install motion detection lights or leave your lights on around entrances.
- Have a security system - there are lots of options for wireless security systems with cameras. Keep an eye on your home when you're not there.
- Advertise your security system - clearly advertise that your home is monitored.
- Lock your doors and windows - make a habit of checking doors before bed each night.
- Make it look like someone is home - it is important for your home to look occupied even if you are not home. Leave a light on or get timers for your lights.

Report any and all suspicious activity, break-ins and erratic driving to the RCMP. Reporting these incidents lets the RCMP know where they need to have their staff monitoring. To report incidents:

- Fill-out an Incident Form on-line at <https://townofbalgonie.ca/incident-report/>.
- Call the White Butte RCMP Detachment at 306-781-5050.

Paying Tax & Utility Bills Online

Utility and tax bills may be paid through your online banking service. Please use **Balgonie (Town of) Taxes** for your taxes and **Balgonie (Town of) Utilities** for your water/sewer bills. If you are unsure of your account number, please contact the Town Office to obtain your account number.

When making an online payment, allow 2-3 business days before any due date so that your payment is receipted prior to any penalties being applied to your account.

Plastiq Payments

How to pay with Plastiq:

1. Go to www.townofbalgonie.ca
2. Scroll down to the right hand side of the screen.
3. Sign up - create a free account, add who you are paying, and enter your card info.
4. Plastiq will process your payment and the funds will be transferred to the Town of Balgonie.

Fees associated with Plastiq are as follows:

- Standard credit card rate of 2.9%
- Debit cards are discounted to 1%

FROM THE TOWN

Reminder to Pet Owners

To be a responsible pet owner, remember to:

1. Walk your pet on a leash.
2. If your pet is aggressive, walk on the other side of the street away from people.
3. Pick up after your pet. There are multiple garbage cans located throughout the town for you to use.
4. Spay/neuter your pet.
5. License your pet at the Town Office. Fines are \$40 if a dog is found "at large".

The Dog Control Bylaw can be viewed on-line at www.townofbalgonie.ca. Thank you for keeping our Town safe for **ALL** to enjoy!

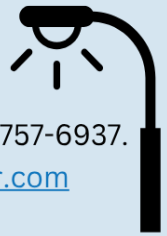

Monthly Cribbage Tournament

Cribbage tournaments will be held at the **United Church** on the second Saturday of every month at 10:00 am. The cost is \$10 and includes a lunch. The next tournament is **June 14th**. There will not be any cribbage tournaments in July or August. For more information, please call Bart Eliasson at 306-771-0024.

Loraas Bin Reminder

Garbage, Recycling and Compost bins are to be put out on the street by 7:00 am and brought in by 5:00 pm. If carts are damaged before or after these hours, homeowners are responsible for the charges.

Loraas Disposal Bin at the Transfer Station

The red Loraas bin at the Transfer Station is delivered on the first and third Friday of every month. There is no specific time as to when the bin will arrive on these days.

If a red bin is NOT available or is full, do NOT leave any items where the bin is normally located or add more to it. Residents have been fined (up to \$500) and their cards have been suspended.

Be courteous of others! Large items and multiple loads take up the entirety of the bin, making it unusable for other residents. If you have multiple large items, please take them to the Regina Landfill.

Home builders/developers are not permitted to use the red Loraas bin.

For a complete list of what can be left at the Transfer Station, see the end of the newsletter.

WHAT'S GOING ON?

Balgonie SOCCER club

The 2025 outdoor season is in full swing, with only a couple of weeks to go! After several rain cancellations in May, our teams are hoping for drier fields, calmer winds, and sunnier skies ahead. The year-end Jamboree will take place in White City this year from June 13th to 15th. Be sure to check out the action! Our teams will be sporting all new jerseys this year, thanks to the efforts of the Balgonie Soccer Board and special funding from Tim Hortons and the RM of Edenwold!

The Balgonie Soccer Board is seeking at least three (3) new members to keep recreational soccer thriving in our community. If your child(ren) participate in our indoor and/or outdoor soccer programs, please consider joining the board. Many hands make light work, and we could sure use a few extra hands for next season! Contact Lisa at balgoniesoccer@gmail.com if you are interested in joining or need more information.

**VOLUNTEERS
NEEDED**

We would like to thank Chris Rutten, Rheanna Len and Ryan Steffensen for their many years of dedication to Balgonie Soccer. We wish them well as they step down from their executive roles on the Board.

Balgonie 50+ Club

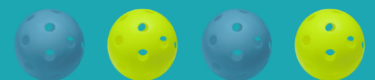

Greetings! Are you 50 years of age or older? Have you considered joining the 50+ Club? We get together monthly for a supper meal that is either catered or prepared by club volunteers, share great conversation with others in the community and have some fun with games! Membership also gives you access to the facility where you can go to play shuffleboard and pool!

Our next supper will be a steak supper on June 18th. We continue to have cards or dice games every Friday afternoon and exercise classes every Monday and Thursday at 9:00 am for members and non-members alike. Please feel free to drop-in if you can.

If you have any questions about the Balgonie 50+ Club, please contact Wendy at 306-541-8229 or Margaret at 306-539-5447. For facility bookings, please contact Margaret at 306-771-4230.

BALGONIE PICKLEBALL CLUB

The winter season is finished! Thank you to all the members who participated this past session. Looking forward to seeing everyone back in September as well as any new members. Once again, a special thank you to the administration and staff of the Balgonie Elementary School and Prairie Valley School Division for the use of their facility.

Lastly, we are putting out a call for members to help out the Balgonie Elks on July 1st. They have asked us to help look after the bar for the Beer Garden at the Star Dome (inside the rink). The hours are from 12:00 pm to 6:00 pm. Any portion of this that you can help out with would be much appreciated! Please call or text Monti at 306-596-4865 if you have any questions.

Drinking Water Quality and Compliance Town of Balgonie

Introduction

The Water Security Agency and the Ministry of Environment requires that at least once each year waterworks owners provide notification to consumers of the quality of water produced and supplied as well as information on the performance of the waterworks in submitting samples as required by a Minister's Order or Permit to Operate a waterworks. The following is a summary of the Town of Balgonie's water quality and sample submission compliance record for the **June 2024 to May 2025** time period. This report was completed on **May 26th, 2025**. Readers should refer to Water Security Agency's [Municipal Drinking Water Quality Monitoring Guidelines, June 2015, EPB 502](#) for more information on minimum sample submission requirements and the meaning of type of sample. Permit requirements for a specific waterworks may require more sampling than outlined in the department's monitoring guidelines. If consumers need more information on the nature and significance of specific water tests, for example, "what is the significance of Selenium in a water supply", more detailed information is available from: http://www.hc-sc.gc.ca/ewh-semt/pubs/water-eau/index_e.html.

VOLUNTEER SPOTLIGHT

★ HEATHER ENTNER

What group(s) do you currently volunteer with?

I am a volunteer with Tumbleweed Theatre's Annual Dinner Theatre, which is now in its 36th year. At the 50+ Club, I help with the activities for monthly gatherings with help from the members of the morning exercise group. I am on the organizing committee for the annual White City Garden Club Tour. I also volunteer at Darke Hall and Globe Theatre. As with everyone else, I help our children and grandchildren whenever asked and sometimes whether they want it or not!

What attracted you to these groups?

I enjoy theatre, meeting new people and helping where I can when there is a need.

How long have you been volunteering?

My mother was a 4-H leader and taught all the members the importance of volunteering. You will have to guess at how long that has been. When we moved to Balgonie, a neighbour asked if I would come along with her to volunteer at the local fall supper. She didn't give me much choice, so away we went. I met so many people and found the same rewarding feeling that I had as a young child and teenager. Here I come Balgonie, ready or not!

What do you enjoy most about your volunteer work?

I enjoy learning something new, taking on a challenge and finishing the job to the best of my ability.

What motivates you to stay involved?

The need. If we want things to happen or continue, we all have to step up to keep it going. Many hands make a lighter load.

What are some of your best moments in your capacity as a volunteer?

I thrive on being told that I contributed to a job well done. I love seeing young people getting involved and having a great time. That is the making of a lifetime volunteer. I was very honored to be awarded the Queen Elizabeth Platinum Jubilee Medal for doing things that I like to do.

How do you inspire others to give of themselves?

I'm not sure if it is inspiring others. Sometimes I just go out and find someone that could fill the need. Sometimes, willing or not.

Please note that Tumbleweed Theatre is looking for more members. Come give us a try!

Note: Volunteer Spotlight is a new feature to highlight Balgonie and area volunteers. The Town of Balgonie appreciates all the volunteers and their dedication. Stay tuned for the next volunteer spotlight next month!

Thank you so much for supporting the personal care program at Greenall!

DID YOU KNOW?

The Transfer Station is set up with an electronic card system which allows residents to access it 24/7.

On the 1st and 3rd Friday of each month, Loraas Disposal delivers a 40-yard bin to the Transfer Station. The purpose of the 40-yard bin is to allow residents to dispose of additional household waste that does not fit in their black roll-out bin.

Unaccepted items

- Shingles;
- Railway ties, telephone poles and creosote treated wood;
- Bulbs and Light Ballasts;
- Hazardous materials such as tires, propane tanks, car batteries, paint, oil and chemicals;
- Appliances containing Freon;
- Construction/renovation material;
- Waste from households outside of Balgonie.

Please note: the unaccepted items listed above pertain to the 40-yard bin only. There are designated areas at the transfer station where some items listed above are accepted.

Who can use your transfer station card?

- Members of your household can use it.
- Lending your card out to another person and/or disposing of waste from households outside of Balgonie is not permitted.
- The cardholder will be held accountable for all occurrences at the transfer station, such as illegal dumping.

Illegal dumping

The Town of Balgonie has the responsibility to ensure regulations are followed based on the Approval to Operate issued to the Town by the Ministry of Environment.

Public Works Staff inspect the Transfer Station every morning. If it is determined that an illegal dump has taken place and/or items are placed in the incorrect disposal area, an investigation will commence. The resident at fault will be fined and their access card will be suspended for up to 6 months.

Disposing of large items

When residents dispose of large items such as couches, mattresses, and box springs in the 40-yard bin:

- it limits another resident's ability to dispose of their items in the bin;
- the bin is removed from the Transfer Station quicker, creating a longer waiting period for when it is scheduled to return.

In addition to the inconvenience it causes others by placing large items in the bin, the Town of Balgonie is required to pay a burial surcharge to Loraas Disposal if there are more than 4 pieces of bedding per load (mattresses and box springs), wood or metal longer than 7' or coils of wire or banding.

Designated disposal areas

Cement Pile

- Cement free of other debris may be disposed of.

Metal Pile

- All appliances and metal are permitted. Ensure the Freon is removed from fridges/freezers.
- Propane tanks are permitted.

Grass/Leaves

- Bags and boxes are not permitted in this pile.

Trees, Branches and Untreated Wood Pile

- Treated wood, painted wood, cardboard, drywall etc. are not permitted in this pile.

Oil Recycling Centre

- Empty oil into the oil recycling bin.
- Place the oil containers and filters in the bin next to the oil recycling bin.

Diabetes Canada Clothing Bin

- Do not leave bags beside the bin if it is full.

What should I recycle at SARCAN?

- Beverage containers
- Batteries
- Electronics
- Household paint

The background of the advertisement is a photograph of an agricultural facility. In the foreground, there is a field of green crops with yellow wildflowers. Behind the field, there are several large, cylindrical grain silos. One silo is painted with the word 'PIONEER' in yellow. To the left of the silos, there are red barn-like buildings with yellow roofs. In the background, more silos and a tall structure with a crane are visible under a blue sky with scattered white clouds.
