## New to Balgonie? Welcome!

With many new residents in town and cellular phones replacing land lines, we graciously ask that you contact our office with your updated contact information.

There are times throughout the year where we require the ability to contact households, and do not have a means of doing so.

Call us at 306.771.2284 or email [general@balgonie.ca](mailto:general@balgonie.ca). The information is intended for office use only. Thank you for your assistance.

## Loraas Disposal Bin at the Transfer Station

The red Loraas bin at the Transfer Station is delivered on the first and third Friday of every month. There is no specific time as to when the bin will arrive on these days. If a red bin is NOT available, do NOT leave any items where the bin is normally located. Residents have been fined (up to \$500) and their cards have been suspended.

Be courteous of others! Large items and multiple loads take up the entirety of the bin, making it unusable for other residents. If you have multiple large items, please take them to the Regina Landfill.

Home builders/developers are not permitted to use the red Loraas bin.

For a complete list of what can be left at the Transfer Station, please see the end of the newsletter.

## Reminder to Pet Owners

To be a responsible pet owner, remember to:

1. Walk your pet on a leash.
2. If your pet is aggressive, walk on the other side of the street away from people.
3. Pick up after your pet. There are multiple garbage cans located throughout the town for you to use.
1. Spay/neuter your pet.
2. License your pet at the Town Office. Fines are \$40 if a dog is found "at large".

## Safety Reminders

Follow these safety tips to keep your home and property safe from theft/break-ins:

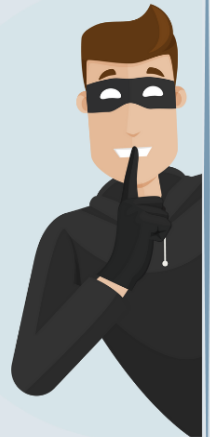

**Light up your property** - install motion detection lights or leave your lights on around entrances.

**Have a security system** - there are lots of options for wireless security systems with cameras. Keep an eye on your home when you're not there.

**Advertise your security system** - clearly advertise that your home is monitored.

**Lock your doors and windows** - make a habit of locking home and cars doors before bed each night.

**Make it look like someone is home** - it is important for your home to look occupied even if you are not home. Leave a light on or get timers for your lights.

Report any and all suspicious activity, break-ins and erratic driving to the RCMP. Reporting these incidents lets the RCMP know where they need to have their staff monitoring. To report incidents:

- Fill-out an Incident Form on-line at [www.townofbalgonie.ca](http://www.townofbalgonie.ca).
- Call the White Butte RCMP Detachment at 306-781-5050.

## BALGONIE PICKLEBALL CLUB

The club is ready to start our fall season! We plan to meet once again this year on Thursdays at the Balgonie Elementary School from 6:00 to 8:00 PM. There will be sessions every Thursday except during school breaks or when the school is having a special activity. The club will run sessions in the winter and spring as well, following the same format as outlined above.

The club has liability insurance as is required by the Prairie Valley School District. Those collected are used to cover this cost as well as various equipment items as needed. The fee for this year has been set at \$30 per player. This covers play from September to the last Thursday in May. Fees may be paid in cash or a check made out to Balgonie Rec Board.

We are anxious to welcome back previous members and we send out an invitation to anyone (18 and over) in the community to come out and give this activity a try! If you are new to the sport there will be a club member available to help get you started. This is a purely recreation club that has members of all ages and abilities. Paddles are supplied for beginners and they are encouraged to try a free class before signing up.

We would also, at this time, like to thank the Balgonie Recreation Board and Sask Lotteries for their support of the club. Our nets and beginners paddles are supplied through their support. There have been outdoor nets on the outdoor rink for most of the summer. They will be removed after the long weekend.

For any further information you may contact Margaret at 306-539-5447 or Monti at 306-771-4393.

- The Balgonie Fire Department, Swimming Pool, Curling Rink as well as several recreation board groups receive funds from this event every year.
- The Grade 5 classes from Balgonie Elementary School help set the tables.
- Cooking classes from Greenall Highschool help prepare the desserts.
- The actors you see on stage have put countless volunteer hours in to prepare for the show.

There is a group of people who call residents in and around the community of Balgonie to ask for food donations to help off-set the costs and to generate more funds for the community groups. If you are interested in volunteering your time, please call Kelly at 306-531-6024.

# VOLUNTEER SPOTLIGHT Lucas Kemp

## **What group do you currently volunteer with?**

I volunteer as a firefighter with the Balgonie Volunteer Fire Department.

## **How long have you been volunteering?**

I started volunteering at the Balgonie Firehall in April of 2024. I have learned so much in the year and a bit I've been volunteering.

## **What do you enjoy most about your volunteer work?**

Being able to support and give back to anyone in the Balgonie area. It feels very fulfilling to know that if there is a problem in the community, and first responders are needed, I'm able to go out and help out with a great group of people who are all passionate and are all willing to give their all to support and solve tough situations.

## **What are some of your best moments in your capacity as a volunteer?**

Some of the best moments I have are from times I've gotten to learn new things like skills, ideas and being able to feel more experienced after a call. Especially after some of the mutual aid grass fires I have attended, I've been able to learn from members of my own team and learn from others from other fire halls. This leads to me feeling more competent in what I'm doing on calls by gaining experience and knowledge. I'm eager to learn a lot more from members of my own hall but also other first responders in the surrounding areas.

## **How do you inspire others to give of themselves?**

If you are passionate about helping others you should always lean into that passion and give what you can to help others in need. Also to try to give back to your community and a great way to do that is by volunteering in any capacity. It's so fulfilling and I think everyone should try to volunteer in some way and try to get others to volunteer too.

**Note:** Volunteer Spotlight is a new feature to highlight Balgonie and area volunteers. The Town of Balgonie appreciates all the volunteers and their dedication. Stay tuned for the next volunteer spotlight next month!

# National Day for Truth and Reconciliation

September 30th, 2025

Each year, September 30th marks the National Day for Truth and Reconciliation. The day honours the children who never returned home and Survivors of residential schools, as well as their families and communities. Public commemoration of the tragic and painful history and ongoing impacts of residential schools is a vital component of the reconciliation process.

The Town of Balgonie has passed a resolution in 2022 to close the office to honour the National Day for Truth and Reconciliation. The Town Office will be closed on Tuesday, September 30th. Our regular office hours will resume on Wednesday, October 1st.

To see what events are going on in near Balgonie, go to: <https://www.canada.ca/en/canadian-heritage/campaigns/national-day-truth-reconciliation/activities.html>

## Back to School!

Excited kids are back to school on Tuesday, September 2nd. This means our community and school zones will be busier. Please slow down to 30 km/hour, as indicated by the School Zone signs, and watch for kids crossing.

## School Bus Safety

School bus drivers have a difficult job. There are plenty of distractions inside the bus. Knowing this, you should make extra allowances, and be aware of the possibility that the bus driver may not see you or your signals. Rear-end collisions are the most frequent type of crash involving school buses and are usually caused by another driver failing to stop while the bus is loading or unloading passengers.

When approaching a school bus, if you see amber flashing lights, slow down and proceed with caution. If the red flashing lights are activated, you must come to a complete stop. If you're approaching the bus from the opposite direction on an undivided highway, you must also stop. The single greatest threat to the safety of children who ride school buses is motorists who pass the bus when children are loading and unloading.

When approaching a bus that has its stop arm out and its red flashing lights activated, as a driver:

- You must stop no closer than 5 m (15 ft) from the front or back of the bus.
- You must not advance your vehicle until the bus driver turns off the flashing red stop lamps and deactivates the stop arm.
- Before moving, check to see that all children have safely crossed the roadway.

Passing a school bus with red flashing lights is a serious offence and will result in a minimum fine of \$360.

## Elm Tree Care Reminder

To help prevent Dutch Elm Disease:

- Keep your elm trees healthy;
- Abide by the Provincial ban - refrain from pruning elm trees from April 1st to August 31st;
- If you see signs of the disease, report them to the Town Office;
- Don't buy, sell, store or transport or use elm firewood; and
- Remove and dispose of disease-infected trees promptly and properly.

It is illegal to transport, store or buy elm firewood. Firewood is one of the largest spreaders of Dutch Elm Disease. Elm bark beetles on infected firewood hitch a ride with unsuspecting campers and homeowners, spreading the disease.

If you have elm wood that needs disposing of, please take it to the Transfer Station and place it in the tree pile.

Thank you in your help in keeping Balgonie's trees healthy for all to enjoy!

IN LOVING MEMORY

# A WALK DOWN MEMORY LANE

Join us on **Sunday October 5, 2025, at 10:00 AM at White Butte Trails, 20 kilometers east of Regina on highway 46, (Frankslake Rd entrance)** for a 5km walk, run, or leisurely stroll in loving memory of those we hold dear.

We invite you to share your stories and photos of loved ones by emailing;  
**[awalkdownmemorylane24@gmail.com](mailto:awalkdownmemorylane24@gmail.com)**

We can celebrate each life together at the trail entrance. The event supports **Greenall's Outdoor School Program, with a suggested donation of \$5 that can be made at the event.** A small contribution that makes a big difference.

This special event honors the life of Lane Antosh, whose life was tragically cut short in an accident. During his time with ODS, he was an inspiration to his classmates and instructors. Lane was the first to contribute to class discussions and the first to volunteer to help a fellow classmate or instructor. Lane was compassionate, caring, and brave, and his contributions to ODS will never be forgotten.

# Know the Signs and Signals

## FLASHING RED LIGHTS

STOP when flashing. DO NOT proceed until the lights stop flashing. If the lights begin flashing after you start crossing the tracks, keep going.

## CROSSBUCK

YIELD if a train is approaching. Trains always have the right-of-way.

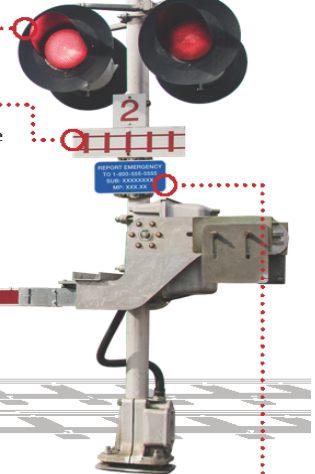

## LOWERING GATES AND FLASHING RED LIGHTS

A train is approaching (even if you don't see it yet). DO NOT proceed until the lights turn off and the gates go up. It's illegal and dangerous to go around lowered gates.

## MULTIPLE TRACKS

Multiple tracks are present. Multiple tracks may mean multiple trains. Wait until you can see clearly down the tracks in both directions before proceeding.

## EMERGENCY NOTIFICATION SIGN (ENS)

This is the first phone number to call if a vehicle is stuck or stalls on the tracks (this number may also be found on the signal house). You can also dial it to report people, vehicles or debris on the tracks, as well as damaged signs or signals, or obstructed views. The mile post and subdivision listed on the sign will help the railway to identify your location.

## PAVEMENT MARKINGS

A large "X" and a wide white line on the road mean you're approaching a railway crossing. Stay behind the white stop line while waiting for a train to pass. No stop line? Stop at least 5 metres from the nearest rail.

## LOW GROUND CLEARANCE CROSSING

Raised crossing ahead. If you drive anything low to the ground — like a bus, truck, sports car or trailer — you're at risk of getting hung up on the tracks. DO NOT proceed until you know your vehicle will clear the tracks.

## ADVANCE WARNING

Slow down, look, listen, and BE PREPARED TO STOP. Typically, this is the first sign you see when approaching a railway crossing.

### **Rebecca Aspinall & Michelle Bruce**

Join Rebecca Aspinall, formerly a high school science teacher, and her mother Michelle Bruce, retired and loving it, who are both avid gardeners and enjoy preparing healthy and tasty food for their family and friends.

# DID YOU KNOW?

The Transfer Station is set up with an electronic card system which allows residents to access it 24/7.

On the 1st and 3rd Friday of each month, Loraas Disposal delivers a 40-yard bin to the Transfer Station. The purpose of the 40-yard bin is to allow residents to dispose of additional household waste that does not fit in their black roll-out bin.

## Unaccepted items

- Shingles;
- Railway ties, telephone poles and creosote treated wood;
- Bulbs and Light Ballasts;
- Hazardous materials such as tires, propane tanks, car batteries, paint, oil and chemicals;
- Appliances containing Freon;
- Construction/renovation material;
- Waste from households outside of Balgonie.

Please note: the unaccepted items listed above pertain to the 40-yard bin only. There are designated areas at the transfer station where some items listed above are accepted.

## Who can use your transfer station card?

- Members of your household can use it.
- Lending your card out to another person and/or disposing of waste from households outside of Balgonie is not permitted.
- The cardholder will be held accountable for all occurrences at the transfer station, such as illegal dumping.

## Illegal dumping

The Town of Balgonie has the responsibility to ensure regulations are followed based on the Approval to Operate issued to the Town by the Ministry of Environment.

Public Works Staff inspect the Transfer Station every morning. If it is determined that an illegal dump has taken place and/or items are placed in the incorrect disposal area, an investigation will commence. The resident at fault will be fined and their access card will be suspended for up to 6 months.

## Disposing of large items

When residents dispose of large items such as couches, mattresses, and box springs in the 40-yard bin:

- it limits another resident's ability to dispose of their items in the bin;
- the bin is removed from the Transfer Station quicker, creating a longer waiting period for when it is scheduled to return.

In addition to the inconvenience it causes others by placing large items in the bin, the Town of Balgonie is required to pay a burial surcharge to Loraas Disposal if there are more than 4 pieces of bedding per load (mattresses and box springs), wood or metal longer than 7' or coils of wire or banding.

## Designated disposal areas

### Cement Pile

- Cement free of other debris may be disposed of.

### Metal Pile

- All appliances and metal are permitted. Ensure the Freon is removed from fridges/freezers.
- Propane tanks are permitted.

### Grass/Leaves

- Bags and boxes are not permitted in this pile.

### Trees, Branches and Untreated Wood Pile

- Treated wood, painted wood, cardboard, drywall etc. are not permitted in this pile.

### Oil Recycling Centre

- Empty oil into the oil recycling bin.
- Place the oil containers and filters in the bin next to the oil recycling bin.

### Diabetes Canada Clothing Bin

- Do not leave bags beside the bin if it is full.

## What should I recycle at SARCAN?

- Beverage containers
- Batteries
- Electronics
- Household paint
