Tips for Sewer & Drains

Here are some tips to keep your sewers and drains unclogged from costly sewer backups and pricey home repairs:

- Fats, oils and grease from cooking should be poured into a disposable cup to be discarded in the trash after it's cooled.
- Avoid flushing "flushable" wipes, baby wipes, feminine products, dental floss, cotton balls, paper towels and candle wax down the toilet.
- A backed-up sewer system or clogged drain can be costly to repair. Inappropriate disposal of grease and other items may also cause damage to the municipal sewer system.

Reminder that the Town of Balgonie will NOT reimburse residents for sewer blockages which are blocked by anything other than tree roots, whether or not the blockage is on your property or town property.

Items blocking the lines which will not be covered by reimbursement include sanitary products, grease, or other foreign objects in the lateral lines.

Please let the Town know when you have the sewer company scheduled at your home, as our maintenance personnel must be there to determine the problem. Please call the Town Office at 306-771-2284.

Community Safety Reminders

Follow these safety tips to keep your home and property safe from theft/break-ins:

Light up your property - install motion detection lights or leave your lights on around entrances.

Have a security system - there are lots of options for wireless security systems with cameras. Keep an eye on your home when you're not there.

Advertise your security system - clearly advertise that your home is monitored.

Lock your doors and windows - make a habit of locking home and cars doors before bed each night.

Make it look like someone is home - it is important for your home to look occupied even if you are not home. Leave a light on or get timers for your lights.

Report any and all suspicious activity, break-ins and erratic driving to the RCMP. Reporting these incidents lets the RCMP know where they need to have their staff monitoring

October Utility Bills

Utility notices will be mailed and uploaded to the customer portal around the second week of October. For those that receive utility notices by e-notice (e-mail), please log into your Customer Portal account at to view your utility notice.

To register for a Customer Portal Account, contact the Town Office at 306-771-2284 or scan the QR code (see poster on page 25).

BALGONIE PICKLEBALL CLUB

The club wishes to apologize for all of the confusion in getting our season started. An insurance issue and some miscommunication were unfortunately responsible for this delay.

There are a couple of school activities that must be noted for October that will result in no pickleball for October 2nd and 30th. There will be sessions on the 9th, 16th and 23rd. Please note that for October the sessions will be from 7:00 to 9:00 pm at the Balgonie Elementary School. The remainder of the season, starting in November, that the session will run from 6:00 to 8:00 pm. This is to accommodate a second rental at 8:00 pm. (November sessions will be held on the 6th, 13th and 20th)

We once again are looking for any new members that may be looking to try a new activity. Paddles will be available for beginners as well as a brief intro to the rules and procedures. The registration fee is \$30 for the season. Payment can be made by cash or a cheque made out to the Balgonie Recreation Board. At this time, memberships are available to Balgonie and surrounding rural residents, due to limited court space and time.

For any further information you may contact Maggie at 306-539-5447 or Monti at 306-771-4393.

Thank you to everyone who joined in the unveiling of the Frank Thauberger Memorial Sports Grounds sign. A special thank you to Frank's wife, Ruth, and her family for being in attendance. We hope Balgonie always feels like home to you.

Frank was first elected as a Councillor in 1995 then was elected Mayor from 1997-2000 and 2000-2003. He was then elected for 3 consecutive terms from 2012 until his passing in 2023.

This memorial sign is a heartfelt tribute to a leader whose vision, hard work, dedication and character shaped the well being of our community. Frank's leadership was defined by integrity, compassion, and a steadfast commitment to public service. Through times of change, he guided Balgonie with wisdom and humility, always placing the community's welfare above his own interests.

For many, Frank was not only the face of our local government, but he was also a neighbour, a mentor, and a friend. His door was always open, whether you had a question, concern, or simply a story to share. He believed in talking to people, the value of listening, and the importance of making everyone feel heard.

Frank Thauberger was passionate about providing opportunities for youth and fostering a spirit of healthy competition. He believed that when we invest in our young people, we invest in the future of Balgonie itself.

Naming a place after someone is a profound gesture. It is our way of saying "You matter. Your legacy endures." It is not only a tribute to the past, but a gift to the future - a promise that we will remember. May the **Frank Thauberger Memorial Sports Grounds** remain a place where we gather to enjoy great competition, cheer for our youth and take advantage of our outdoor space and physical activity opportunities. May Frank's example continue to guide us, as we build a future, worthy of his dreams.

VOLUNTEER SPOTLIGHT

LISA GOSSE

What group (s) do you currently volunteer with?

I currently serve as President of the Balgonie Soccer Board. I've also been involved with the local playschool, daycare and hockey organizations since moving here in 2018.

How long have you been volunteering?

I've been volunteering for about 30 years now - I taught Sunday School and served on student councils and clubs as a teen, and then took on more community-based volunteer work as an adult. I've served in every community I've lived in, across four provinces and territories.

What do you enjoy most about volunteering?

I love meeting new people, getting involved in my community, and being a part of something good. As a mom and educator, I especially enjoy helping to organize activities for children and youth.

What motivates you to stay involved?

The success of our community programs relies on volunteers. I just want to do my part to ensure that these programs continue to run smoothly, for my family and for others.

What are some of your best moments in your capacity as a volunteer?

The best moments are when I see kids enjoying a sport or activity I helped organize. My favourite moment from last soccer season was watching our players' faces light up when our volunteer coaches handed them their brand new jerseys that our board designed and purchased. Our kids had been wearing old (and very worn) jerseys for many years--the new ones were definitely a fun surprise for them, and it brought on a whole new confidence in their games.

How do you inspire others to give of themselves?

I try to make volunteering as accessible and welcoming as possible. Everyone is so busy these days, and helping out should be far more rewarding than burdensome. I remind others that every little bit helps, no expertise is required to lend a hand, and together we can do amazing things. I've also had a hand in writing bylaws and procedural documents to help guide the work. It's nice to have a set of common rules and understandings to refer to, especially when you first join a board. I always encourage new families to get involved. It is hands-down the best way to meet people!

Note: The Town of Balgonie appreciates all the volunteers and their dedication. Looking to become a volunteer? There are lots of groups around Balgonie always looking for new volunteers! Contact the Town office if you'd like more information.

IN LOVING MEMORY

A WALK DOWN MEMORY LANE

Join us on **Sunday October 5, 2025, at 10:00 AM at White Butte Trails, 20 kilometers east of Regina on highway 46, (Frankslake Rd entrance)** for a 5km walk, run, or leisurely stroll in loving memory of those we hold dear.

We invite you to share your stories and photos of loved ones by emailing; **awalkdownmemorylane24@gmail.com**

We can celebrate each life together at the trail entrance. The event supports **Greenall's Outdoor School Program, with a suggested donation of \$5 that can be made at the event.** A small contribution that makes a big difference. This special event honors the life of Lane Antosh, whose life was tragically cut short in an accident. During his time with ODS, he was an inspiration to his classmates and instructors. Lane was the first to contribute to class discussions and the first to volunteer to help a fellow classmate or instructor. Lane was compassionate, caring, and brave, and his contributions to ODS will never be forgotten.

September Update

Griffin Football

The Griffin football team's season is off to a great start with a 2 and 1 record. The team travelled to both Weyburn and Moose Jaw and came back with big wins against the Eagles and Peacock Tornadoes. The team also defeated North Battleford in an exhibition game at Leibel Field. The team is travelling to Yorkton on September 26th to take on the Raiders. A win will clinch a home playoff game.

Running backs Max Yanko, Khalya Krenbrink, Nixon Brecht and Keith Marks have been running hard for first downs. Quarterback Jake Streranko has been making great passes to receivers Cohen Day and Oliver Newman who have two touchdowns each. Jake has run into the endzone for a few TD's of his own.

On defence, Liam Neville, Kruz Livingston, Liam Neville, Jaxon Walker, Stryker Delesoy and Cohen Day all have had interceptions. Ethan Wilson, Jesak Lingelbach, Colton Yanko, Adam Carpenter, Keith Marks and Abdeta Landega have been making key tackles as well. Abdeta Landega, Hunter Gronick and Evan Tanton have been kicking the ball for field goals, converts and punts on special teams.

The Griffins have home games on October 2nd and October 11th at Leibel Field. Please come out and cheer us on to victory!

DID YOU KNOW?

The Transfer Station is set up with an electronic card system which allows residents to access it 24/7.

On the 1st and 3rd Friday of each month, Loraas Disposal delivers a 40-yard bin to the Transfer Station. The purpose of the 40-yard bin is to allow residents to dispose of additional household waste that does not fit in their black roll-out bin.

Unaccepted items

- Shingles;
- Railway ties, telephone poles and creosote treated wood;
- Bulbs and Light Ballasts;
- Hazardous materials such as tires, propane tanks, car batteries, paint, oil and chemicals;
- Appliances containing Freon;
- Construction/renovation material;
- Waste from households outside of Balgonie.

Please note: the unaccepted items listed above pertain to the 40-yard bin only. There are designated areas at the transfer station where some items listed above are accepted.

Who can use your transfer station card?

- Members of your household can use it.
- Lending your card out to another person and/or disposing of waste from households outside of Balgonie is not permitted.
- The cardholder will be held accountable for all occurrences at the transfer station, such as illegal dumping.

Illegal dumping

The Town of Balgonie has the responsibility to ensure regulations are followed based on the Approval to Operate issued to the Town by the Ministry of Environment.

Public Works Staff inspect the Transfer Station every morning. If it is determined that an illegal dump has taken place and/or items are placed in the incorrect disposal area, an investigation will commence. The resident at fault will be fined and their access card will be suspended for up to 6 months.

Disposing of large items

When residents dispose of large items such as couches, mattresses, and box springs in the 40-yard bin:

- it limits another resident's ability to dispose of their items in the bin;
- the bin is removed from the Transfer Station quicker, creating a longer waiting period for when it is scheduled to return.

In addition to the inconvenience it causes others by placing large items in the bin, the Town of Balgonie is required to pay a burial surcharge to Loraas Disposal if there are more than 4 pieces of bedding per load (mattresses and box springs), wood or metal longer than 7' or coils of wire or banding.

Designated disposal areas

Cement Pile

- Cement free of other debris may be disposed of.

Metal Pile

- All appliances and metal are permitted. Ensure the Freon is removed from fridges/freezers.
- Propane tanks are permitted.

Grass/Leaves

- Bags and boxes are not permitted in this pile.

Trees, Branches and Untreated Wood Pile

- Treated wood, painted wood, cardboard, drywall etc. are not permitted in this pile.

Oil Recycling Centre

- Empty oil into the oil recycling bin.
- Place the oil containers and filters in the bin next to the oil recycling bin.

Diabetes Canada Clothing Bin

- Do not leave bags beside the bin if it is full.

What should I recycle at SARCAN?

- Beverage containers
- Batteries
- Electronics
- Household paint

DISPOSAL**

The background of the advertisement is a photograph of an agricultural facility. In the foreground, there is a field of green crops with yellow wildflowers. Behind the field, there are several large, cylindrical grain silos. One silo is painted with the word 'PIONEER' in yellow. To the left of the silos, there are red barn-like buildings with yellow roofs. The sky is blue with scattered white clouds.
