Boulevard Reminders

Whether we like it or not, the snow will soon be here! We would like to kindly remind residents that the Town boulevard portion at the front of each property is approximately 12-20 feet (with exception of the bays). Although our residents care for the boulevards, it is the Town's property and therefore that is where snow is placed. Soft landscaping, such as sprinklers, rocks, gardens, etc. are placed on the boulevard at your own risk. Thank you for your understanding.

Fall Storage Reminders

With Fall upon us, please make sure that all campers, trailers, recreation vehicles, basketball nets, etc. are properly stored off the street for the upcoming season. RV storage is not permitted in the front yard from November 1st to April 1st of each year. Please make necessary arrangements needed to ensure that they are not on town property.

To help with upcoming snow removal in back alleys, please ensure all campers, bins, or anything thing else large or in the way is moved by November 1st.

Vehicles are not to be parked on the street for more than 24 hours except on weekends and holidays. If your vehicle is not used regularly, you must park it on your own property.

BALGONIE SOCCER CLUB

The 2025-26 Indoor Season is underway for our 12U and 15U divisions and our 6U-10U teams will kick off on November 8th here in Balgonie!

Balgonie Soccer would like to thank all of our wonderful volunteer coaches for stepping up to lead our teams this season. We also want to send a huge shout-out to the Balgonie Elementary School for accommodating our gym time. Soccer is truly a community effort and we appreciate all who help make our sport run smoothly.

Balgonie 50+ Club News

Greetings! Are you 50 years of age or older? Have you considered joining the 50+ Club? We get together monthly for a supper meal that is either catered or prepared by Club volunteers. We also share great conversation with others in the community and have some fun with games! Our next supper is November 19th. Membership is only \$15 for a year which gives you access to the facility where you can go to play shuffleboard and pool.

Our Friday afternoon cards or dice games and Monday and Thursday exercise classes have resumed! If you have any questions about the Balgonie 50+ Club, please contact Wendy at 306-541-8229 or Margaret at 306-539-5447. For facility bookings, please contact Margaret at 306-771-4230.

BALGONIE PICKLEBALL CLUB

The club is up and running! It was a bit of a rocky start with scheduling issues and locking in insurance, but all should be fine now. The club is still open for any new members as well as anxious to welcome back the members from last season.

An important note for members: our agreement with the Balgonie Elementary School has our new time at 6:00 PM to 8:00 PM on Thursdays. November dates: 6th, 13th, 20th and 27th. December dates: 4th, 11th and 18th.

If you have any questions, please contact Maggie at 306-539-5447 or Monti at 306-771-4393. Please remember that for new members, paddles are supplied initially, as well as an introduction to the rules and procedures. Looking forward to seeing everyone on Thursdays!

Well, once again, we are in full swing with winter sports: indoor soccer, dance, hockey, ringette, skating, broomball, and as soon as the temperature drops, outdoor skating and shinny! Again, we are reminding everyone to respect our recreation facilities. Please pick up your garbage and leave the facilities in good condition.

36th ANNUAL DINNER THEATRE

The annual Dinner Theatre is upon us! Dates are November 7th, 8th, 14th and 15th! The box office was held on Sunday, October 19th with almost 750 tickets being sold. If you are looking for tickets, get them quick! We are sure of a sell out! To purchase tickets, call 306-771-2284.

DINNER THEATRE PHONING COMMITTEE

Our phoning committee for the Dinner Theatre has been working hard at calling for donations. Many of you have been very supportive, not only with food items but also with time and effort and we want to thank you for that. The more food/items donated, the more revenue our event is able to generate back into our community. This revenue goes directly to our swimming pool, sports grounds (including soccer grounds and ball diamonds) Dance Club, Curling rink, and Arena; facilities which your children, grandchildren, nieces, nephews and even yourself enjoy on a regular basis from time to time. This revenue also goes to support our well needed and much deserved Balgonie Volunteer Fire Department and helps with the operating expenses of our Multiplex. So, please, if you wish to donate, thank you! If not, please just say no thanks! Please put your name on your donation. We are still in need of waiters and waitresses and help in the kitchen! If you are interested, please call myself at 306-771-4343.

Thank you in advance for all of your support!

VOLUNTEER SPOTLIGHT MEGAN DEMPSEY

What group do you currently volunteer with?

I am currently a board member with Balgonie Dance and Twirl.

How long have you been volunteering?

I have been on the Balgonie Dance and Twirl board since 2020.

What do you enjoy most about volunteering?

I enjoy that Balgonie Dance and Twirl is able to bring our community an accessible, inclusive and affordable art and sport/art like dance, not only for our children here in Balgonie but other surrounding rural communities as well. Our dancers come from all over to be apart of our club.

What motivates you to stay involved?

I grew up in a small rural town in Southeast Saskatchewan and I saw my parents and other community members volunteer and participate in various clubs, sports and events around our community. I wanted the same for my family and that is a big reason my husband and I chose Balgonie. It is very rewarding when you get to see the joy and satisfaction not only the way dancers feel when they are up on stage, but their family members as well. Dance provides an alternative activity for kids that combines both artistic aspects and athletics. Dance is very inclusive and all children are welcome and able to participate in our club.

What are some of your best moments in your capacity as a volunteer?

I think my favourite time of year is our year end recital we host in the spring. The recital allows our dancers, teachers, and board members to showcase all the hard work and collaboration not only for family members and friends, but for our community. It's our way of thanking everyone for their continued support whether they are putting an order in for Mom's Pantry, buying a bucket of Ice Melt or attending/donating to the annual Balgonie Dinner Theatre - our club is truly a community club. We all have to work together to be able to operate the club each year. Our club has been in the community for over 30 years and as a board, we are doing our best to ensure it continues for years to come.

How do you inspire others to give of themselves?

Every year our club volunteers in various capacities at the Balgonie Dinner Theatre. Parents and dancers come and work in the kitchen preparing salads and desserts. Our dancers serve tea and coffee during the performances while a new set of parent volunteers are working in the back cleaning and doing dishes. It takes a tremendous amount of volunteer time from various community members and groups to put the not only the production together, but the meal service as well. It is really rewarding to be apart of it and see the next generation of volunteers, as the kids, assist to give back to not only their dance club, but their community overall. Having the dancers involved with the various aspects of the Dinner Theatre will hopefully inspire and motivate them to always give back to their communities as they grew up and raise their own families. It is inspiring to motivate them to be apart of something bigger than themselves for the greater good of not only their club, but for their community.

Note: The Town of Balgonie appreciates all the volunteers and their dedication. Looking to become a volunteer? There are lots of groups around Balgonie always looking for new volunteers! Contact the Town office if you'd like more information.

DID YOU KNOW?

The Transfer Station is set up with an electronic card system which allows residents to access it 24/7.

On the 1st and 3rd Friday of each month, Loraas Disposal delivers a 40-yard bin to the Transfer Station. The purpose of the 40-yard bin is to allow residents to dispose of additional household waste that does not fit in their black roll-out bin.

Unaccepted items

- Shingles;
- Railway ties, telephone poles and creosote treated wood;
- Bulbs and Light Ballasts;
- Hazardous materials such as tires, propane tanks, car batteries, paint, oil and chemicals;
- Appliances containing Freon;
- Construction/renovation material;
- Waste from households outside of Balgonie.

Please note: the unaccepted items listed above pertain to the 40-yard bin only. There are designated areas at the transfer station where some items listed above are accepted.

Who can use your transfer station card?

- Members of your household can use it.
- Lending your card out to another person and/or disposing of waste from households outside of Balgonie is not permitted.
- The cardholder will be held accountable for all occurrences at the transfer station, such as illegal dumping.

Illegal dumping

The Town of Balgonie has the responsibility to ensure regulations are followed based on the Approval to Operate issued to the Town by the Ministry of Environment.

Public Works Staff inspect the Transfer Station every morning. If it is determined that an illegal dump has taken place and/or items are placed in the incorrect disposal area, an investigation will commence. The resident at fault will be fined and their access card will be suspended for up to 6 months.

Disposing of large items

When residents dispose of large items such as couches, mattresses, and box springs in the 40-yard bin:

- it limits another resident's ability to dispose of their items in the bin;
- the bin is removed from the Transfer Station quicker, creating a longer waiting period for when it is scheduled to return.

In addition to the inconvenience it causes others by placing large items in the bin, the Town of Balgonie is required to pay a burial surcharge to Loraas Disposal if there are more than 4 pieces of bedding per load (mattresses and box springs), wood or metal longer than 7' or coils of wire or banding.

Designated disposal areas

Cement Pile

- Cement free of other debris may be disposed of.

Metal Pile

- All appliances and metal are permitted. Ensure the Freon is removed from fridges/freezers.
- Propane tanks are permitted.

Grass/Leaves

- Bags and boxes are not permitted in this pile.

Trees, Branches and Untreated Wood Pile

- Treated wood, painted wood, cardboard, drywall etc. are not permitted in this pile.

Oil Recycling Centre

- Empty oil into the oil recycling bin.
- Place the oil containers and filters in the bin next to the oil recycling bin.

Diabetes Canada Clothing Bin

- Do not leave bags beside the bin if it is full.

What should I recycle at SARCAN?

- Beverage containers
- Batteries
- Electronics
- Household paint

The background of the advertisement is a photograph of an agricultural facility. In the foreground, there is a field of green crops with yellow wildflowers. Behind the field is a large industrial complex featuring several tall, cylindrical grain silos. One silo is painted with the word 'PIONEER' in yellow. To the left of the silos is a red barn with a yellow roof. The sky is blue with scattered white clouds.
