## Sewer & Drain Tips

Here are some tips to keep your sewers and drains unclogged from costly sewer backups and pricey home repairs:

- Fats, oils and grease from cooking should be poured into a disposable cup to be discarded in the trash after it's cooled.
- Avoid flushing “flushable” wipes, baby wipes, feminine products, dental floss, cotton balls, paper towels and candle wax down the toilet.

A backed-up sewer system or clogged drain can be costly to repair. Inappropriate disposal of grease and other items may also cause damage to the municipal sewer system.

Reminder that the Town of Balgonie will NOT reimburse residents for sewer blockages which are blocked by anything other than tree roots, whether or not the blockage is on your property or town property.

Items blocking the lines which will not be covered by reimbursement include sanitary products, grease, or other foreign objects in the lateral lines.

Please let the Town know when you have the sewer company scheduled at your home, as our maintenance personnel must be there to determine the problem.

## April Utility Bills

Utility notices will be mailed and uploaded to the Customer Portal the second week of April. For those that receive utility notices by e-notice (e-mail), please log into your Customer Portal account to view your utility notice.

To register for a Customer Portal Account, contact the Town Office at 306-771-2284.

Payments can be made through your online banking, in the office (cash, debit or cheque), or on the Town's website using Plastiq.

## Plastiq Payments

How to pay with Plastiq:

1. Go to [www.townofbalgonie.ca](http://www.townofbalgonie.ca)
2. Scroll down to the right hand side of the screen.
3. Sign up - create a free account, add who you are paying, and enter your card info.
4. Plastiq will process your payment and the funds will be transferred to the Town of Balgonie.

Fees associated with Plastiq are as follows:

- Standard credit card rate of 2.9%
- Debit cards are discounted to 1%

## Paying Tax & Utility Bills Online

Utility and tax bills may be paid through your online banking service. Please use **Balgonie (Town of) Taxes** for your taxes and **Balgonie (Town of) Utilities** for your water/sewer bills. If you are unsure of your account number, please contact the Town Office to obtain your account number.

When making an online payment, allow 2-3 business days before any due date so that your payment is receipted prior to any penalties being applied to your account.

# FROM THE TOWN

## New to Balgonie? Welcome!

With many new residents in town and cellular phones replacing land lines, we graciously ask that you contact our office with your updated contact information.

There are times throughout the year where we require the ability to contact households, and do not have a means of doing so.

Call us at 306-771-2284 or email [general@balgonie.ca](mailto:general@balgonie.ca). The information is intended for office use only. Thank you for your assistance!

## Street Parking Reminder

Vehicles are not to be parked on the street for more than 24 hours except on weekends and holidays. If your vehicle is not used regularly, you must park it on your own property. All vehicles stored on your property must be licensed and in good repair.

Storage of unlicensed and junked vehicles on your property are considered to be a “nuisance” by Town of Balgonie bylaws.

## ATV Reminder

Vehicles that fall under the definition of All-Terrain Vehicle (ATV) are not allowed on any street within town limits, except for the purpose of crossing to get to the closest point of exit.

Stunting and driving on walking paths is not permitted, as it is a major safety concern for those who are walking on the path. Please keep our community safe by following ATV legislation.

## Community Safety Reminders

We can help with local law enforcement! Report any all suspicious activity, break-ins and erratic driving to the RCMP by phone or fill in an incident report form. Reporting these incidents to the RCMP helps track where the RCMP need to have their staff monitoring. To report incidents:

- Fill out an Incident Report Form on-line at [www.townofbalgonie.ca](http://www.townofbalgonie.ca).
- Call the White Butte Detachment at 306-781-5050.
- If an incident involves a student’s behaviour during the school day, the report should also be made to Greenall High School at 306-771-2566.

## Reminder to Pet Owners

To be a Responsible Pet Owner, follow these easy steps!

- Step 1.** Walk your pet on a leash.
- Step 2.** If your pet is aggressive, walk on the other side of the street away from people.
- Step 3.** Pick up after your pet. There are multiple garbage cans located throughout the town for you to use.
- Step 4.** Spay/Neuter your pet.
- Step 5.** License your pet at the Town Office. Fines are \$40 if a dog is found “at large”.

The Dog Control Bylaw can be viewed on-line at [www.townofbalgonie.ca](http://www.townofbalgonie.ca). Thank you for keeping our Town safe and clean for ALL to enjoy!

## Loraas Disposal Bin at the Transfer Station

The red Loraas bin at the Transfer Station is delivered on the first and third Friday of every month. There is no specific time as to when the bin will arrive on these days.

If a red bin is NOT available or is full, do NOT leave any items where the bin is normally located or add more to it. Residents have been fined (up to \$500) and their cards have been suspended.

Be courteous of others! Large items and multiple loads take up the entirety of the bin, making it unusable for other residents. If you have multiple large items, please take them to the Regina Landfill.

Home builders/developers are not permitted to use the red Loraas bin.

For a complete list of what can be left at the Transfer Station, see the end of the newsletter.

# VOLUNTEER SPOTLIGHT GARRAD BLYTH

## **What group(s) do you volunteer with and how long have you been with these groups?**

I volunteer with the Balgonie Volunteer Fire Department, where I have been serving for the past 14 years. Over that time, I've taken on different roles and responsibilities, responding to emergencies, participating in training, and supporting community safety initiatives.

## **What do you enjoy most about volunteering?**

What I enjoy most about volunteering is the strong sense of purpose that comes from helping others, especially during difficult or high-stress situations. Knowing that my efforts can make a real difference in someone's life is rewarding. I also value the relationships I've built along the way—meeting new people, working closely with a dedicated team, and being part of a group that shares the same commitment to serving the community.

## **What motivates you to stay involved?**

I'm motivated by the knowledge that my time and skills are making an impact. Seeing the results of our work reinforces why I stay involved. The appreciation we receive from the community, along with the sense of connection continues to inspire me to keep going.

## **What have you learned through volunteering?**

Through volunteering, I've learned the importance of teamwork, clear communication, and empathy. In emergency situations, being able to rely on others and work together effectively. I've also developed practical skills and gained valuable experience that have helped me grow both personally and professionally. Perhaps most importantly, volunteering has given me a deeper understanding of different perspectives and strengthened my ability to support people in challenging circumstances.

## **What are some of your best moments in your capacity as a volunteer?**

Some of my best moments have come from the connections built with fellow volunteers, some of whom have become close friends. There's also a real sense of accomplishment in successfully completing a call as a team, especially when you can see how training and preparation come together in a real-world situation. Another highlight is watching new members grow. Seeing them gain confidence, develop their skills, and become capable responders is rewarding.

**Note:** The Town of Balgonie appreciates all the volunteers and their dedication. Looking to become a volunteer? There are lots of groups around Balgonie looking for new volunteers! Contact the Town Office if you'd like more information.

Stay tuned for the next volunteer spotlight next month!

# Elm Tree Pruning Ban Effective April 1st

The annual ban on pruning elm trees in Saskatchewan begins April 1. The ban helps slow down the spread of Dutch elm disease (DED). DED is a fungus spread by elm bark beetles. The beetles are attracted to fresh cuts on elm trees. Pruning your trees before the ban keeps them healthy and better to resist all kinds of diseases. If you see an elm tree showing signs of DED (wilting, yellowing leaves on one or several branches near the top, usually in late June), please call the Town Office at 306-771-2284.

Remember: It is illegal to use, transport, store or sell elm wood.

## March Update

### “Remembering Lane Antosh”

On Wednesday, March 11<sup>th</sup> Wanda Campbell visited Greenall’s Outdoor School (ODS) classroom to deliver a cheque for \$5140.00. Wanda and her daughter Lindsay have been working hard fundraising to support ODS by baking and selling over \$4000 of sunflower cookies and cookie decorating kits and by organizing the Walk Down Memory Lane event. All the fundraising is done to support ODS and to remember former ODS student Lane Antosh whose life was tragically cut short during the summer of 2013 when he was involved in a car crash on the #1 Highway. ODS staff and students are very grateful for the financial support from Wanda and Lindsay.

### Upcoming Dates

### Coldest Night of the Year

On February 28, three students and one staff member participated in the 2026 Coldest Night of the Year walk in Regina. The team raised \$300 for My Aunt's Place, the YWCA Regina's emergency shelter. This facility provides 22 beds nightly for women and families experiencing homelessness and consistently operates at near-total capacity.

### Overnight Success: The 2026 GreenALL Equity Wake-A-Thon

Our students proved that staying awake can make a massive difference! On the night of March 5, 24 dedicated students powered through the night for the 2026 GreenALL Equity Wake-A-Thon, raising an incredible final total of \$3,490. From high-energy karaoke and team photo challenges to a much-loved visit from the pups at Bright Eyes Dog Rescue, the night was packed with movies, games, and community spirit. These funds will provide vital support to GreenALL Equity's chosen organizations, including Bright Eyes Dog Rescue, Queen City Pride, and The Coldest Night of the Year and the Walk a Mile in Their Shoes event, which both support the YWCA in Regina. A huge thank you to the students and staff who brought such amazing energy to the event.

### Souls Harbour Rescue Mission

On February 12, the GreenALL Equity team had the privilege of volunteering at Souls Harbour Rescue Mission. Every day, Souls Harbour supports the people of Regina navigating food insecurity and homelessness. They offer so much more than a meal by providing the dignity, safety, and hope that everyone deserves. Our team was honoured to help with the meal service and cleanup. We're proud to play a small part in the work being done to support those in need across our community.

### Greenall Pink Tournament - A Huge Thank You!

The Jr. and Sr. Girls Basketball teams proudly hosted their 2nd Annual Pink Tournament, "Hoops for Hearts", bringing together eight teams for a weekend of basketball and community support in the fight against cancer. The event was a huge success thanks to the incredible generosity of our community. Local businesses and families donated items for the raffle table, spectators purchased raffle tickets, and many joined in the fun by competing in the halftime bean bag toss. Through these efforts, the teams are proud to share that they raised \$5,000. All proceeds were donated to a Greenall family currently battling the disease. Thank you to everyone who contributed, participated, and showed their support—we truly couldn't have done it without you. We look forward to doing it all again next year.

# DID YOU KNOW?

The Transfer Station is set up with an electronic card system which allows residents to access it 24/7.

On the 1st and 3rd Friday of each month, Loraas Disposal delivers a 40-yard bin to the Transfer Station. The purpose of the 40-yard bin is to allow residents to dispose of additional household waste that does not fit in their black roll-out bin.

## Unaccepted items

- Shingles;
- Railway ties, telephone poles and creosote treated wood;
- Bulbs and Light Ballasts;
- Hazardous materials such as tires, propane tanks, car batteries, paint, oil and chemicals;
- Appliances containing Freon;
- Construction/renovation material;
- Waste from households outside of Balgonie.

Please note: the unaccepted items listed above pertain to the 40-yard bin only. There are designated areas at the transfer station where some items listed above are accepted.

## Who can use your transfer station card?

- Members of your household can use it.
- Lending your card out to another person and/or disposing of waste from households outside of Balgonie is not permitted.
- The cardholder will be held accountable for all occurrences at the transfer station, such as illegal dumping.

## Illegal dumping

The Town of Balgonie has the responsibility to ensure regulations are followed based on the Approval to Operate issued to the Town by the Ministry of Environment.

Public Works Staff inspect the Transfer Station every morning. If it is determined that an illegal dump has taken place and/or items are placed in the incorrect disposal area, an investigation will commence. The resident at fault will be fined and their access card will be suspended for up to 6 months.

## Disposing of large items

When residents dispose of large items such as couches, mattresses, and box springs in the 40-yard bin:

- it limits another resident's ability to dispose of their items in the bin;
- the bin is removed from the Transfer Station quicker, creating a longer waiting period for when it is scheduled to return.

In addition to the inconvenience it causes others by placing large items in the bin, the Town of Balgonie is required to pay a burial surcharge to Loraas Disposal if there are more than 4 pieces of bedding per load (mattresses and box springs), wood or metal longer than 7' or coils of wire or banding.

## Designated disposal areas

### Cement Pile

- Cement free of other debris may be disposed of.

### Metal Pile

- All appliances and metal are permitted. Ensure the Freon is removed from fridges/freezers.
- Propane tanks are permitted.

### Grass/Leaves

- Bags and boxes are not permitted in this pile.

### Trees, Branches and Untreated Wood Pile

- Treated wood, painted wood, cardboard, drywall etc. are not permitted in this pile.

### Oil Recycling Centre

- Empty oil into the oil recycling bin.
- Place the oil containers and filters in the bin next to the oil recycling bin.

### Diabetes Canada Clothing Bin

- Do not leave bags beside the bin if it is full.

## What should I recycle at SARCAN?

- Beverage containers
- Batteries
- Electronics
- Household paint
