FROM THE TOWN

ATV Reminder

Vehicles that fall under the definition of All-Terrain Vehicle (ATV) are not allowed on any street within town limits, except for the purpose of crossing to get to the closest point of exit. Stunting and driving on walking paths is not permitted, as it is a major safety concern for those who are walking on the path. Please keep our community safe by following ATV legislation.

Street Parking - Reminder

Vehicles are not to be parked on the street for more than 24 hours except on weekends and holidays. If your vehicle is not used regularly, you must park it on your own property. All vehicles stored on your property must be licensed and in good repair. Storage of unlicensed and junked vehicles on your property are considered to be a “nuisance” by Town of Balgonie bylaws.

Please do not park trailers on the street - this causes difficulties for other drivers, blocks sight lines and can be dangerous for pedestrians and cyclists.

Paying Tax & Utility Bills Online

Utility and tax bills may be paid through your online banking service. Please use **Balgonie (Town of) Taxes** for your taxes and **Balgonie (Town of) Utilities** for your water/sewer bills. If you are unsure of your account number, please contact the Town Office to obtain your account number.

When making an online payment, allow 2-3 business days before any due date so that your payment is receipted prior to any penalties being applied to your account.

Plastiq Payments

How to pay with Plastiq:

1. Go to www.townofbalgonie.ca
2. Scroll down to the right hand side of the screen.
3. Sign up - create a free account, add who you are paying, and enter your card info.
4. Plastiq will process your payment and the funds will be transferred to the Town of Balgonie.

Fees associated with Plastiq are as follows:

- Standard credit card rate of 2.9%
- Debit cards are discounted to 1%

Transfer Station Terms & Conditions - Action Required

The Town of Balgonie provides residents with a Transfer Station that is licensed and compliant with environmental regulations set forth by the Ministry of Environment and the Clean Air Act. Illegal and improper dumping jeopardizes the service that benefits our community.

In order to ensure that residents with Transfer Station cards fully understand the rules, residents are asked to return the Transfer Station Terms and Conditions (this form was mailed out with tax notices). **Please read, initial, sign and return the form to our office no later than July 31st, 2026.** Following this date, cards for properties that have not been returned will be deactivated until the form is returned. Forms are also available at the Town Office.

Thank you for your assistance in keeping our Transfer Station a continued service in our community.

FROM THE TOWN

Reminder to Pet Owners

To be a responsible pet owner, remember to:

1. Walk your pet on a leash.
2. If your pet is aggressive, walk on the other side of the street away from people.
3. Pick up after your pet. There are multiple garbage cans located throughout the town for you to use.
4. Spay/neuter your pet.
5. License your pet at the Town Office. Fines are \$40 if a dog is found "at large".

The Dog Control Bylaw can be viewed on-line at www.townofbalgonie.ca. Thank you for keeping our Town safe for **ALL** to enjoy!

Loraas Bin Reminder

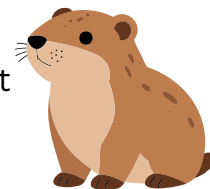

Garbage, Recycling and Compost bins are to be put out on the street by 7:00 am and brought in by 5:00 pm. If carts are damaged before or after these hours, homeowners are responsible for the charges.

Gopher Control

The Town of Balgonie is committed to responsibly controlling pests. Spring is the best time for application as the gophers emerge from their burrows in search of food.

The Town uses Rozol RTU, which is approved by Health Canada. Town Maintenance staff put small amounts of Rozol RTU deep down in gopher holes where it is consumed by the gopher.

Areas with recently applied product will be marked with red signs. Signs will be removed once staff are satisfied that the site is clear of product.

Residents are encouraged to take precautions and avoid the marked areas, particularly those with children and pets. We urge residents to keep their pets on a leash or avoid these posted areas entirely.

Loraas Disposal Bin at the Transfer Station

The red Loraas bin at the Transfer Station is delivered on the first and third Friday of every month. There is no specific time as to when the bin will arrive on these days.

If a red bin is NOT available or is full, do NOT leave any items where the bin is normally located or add more to it. Residents have been fined (up to \$500) and their cards have been suspended.

Be courteous of others! Large items and multiple loads take up the entirety of the bin, making it unusable for other residents. If you have multiple large items, please take them to the Regina Landfill.

Home builders/developers are not permitted to use the red Loraas bin.

For a complete list of what can be left at the Transfer Station, see the end of the newsletter.

Balgonie SOCCER Club

The outdoor soccer season is in full swing, with 125 Balgonie youth players out on the fields Monday through Thursday each week. It's been great to see such strong participation, and we're especially thankful that the weather has finally started to cooperate!

Balgonie is excited to host the **Triangle Youth Soccer Association (TAYSA) Jamboree** on June 12th and 13th, welcoming teams from McLean, Pilot Butte, and White City. It promises to be a fun, high-energy weekend of soccer and community spirit. Come out to cheer on the players and enjoy the canteen, proudly run this year by the Balgonie Early Learning Centre.

The season will wrap up on June 21st. Thank you to all of our players, coaches, volunteers, and families for making this a great season—we look forward to seeing everyone out at the fields!

BALGONIE PICKLEBALL CLUB

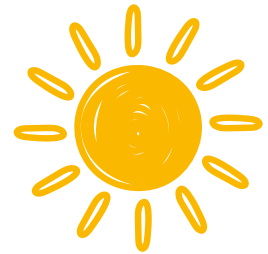

The Balgonie Pickleball Club is done for the season. Although we got off to a rough start in the fall, the club fared very well as the season progressed and ended on a strong note. Watch for our report in the August Talk of the Town for the club plans for the fall and winter season.

There will be nets set up in the outdoor rink for summer use. No formal sessions and no cost to anyone wishing to play during the summer. Come out and enjoy!

On behalf of the Balgonie Pickleball Club, special thanks to:

- Thanks to PVSD and the Balgonie Elementary School for the use of their facility.
- Thanks to the Balgonie Rec Board and Sask Lotteries in their support of our club.
- Thanks to the Town Administration Staff for handling all of our finances.
- Very big thank you to the club leader and organizer, Maggie Peterson. Your hard work and dedication are what keeps the club operating!

See everyone in September and have a great summer!

THANK YOU FOR KEEPING BALGONIE BEAUTIFUL!

The Town of Balgonie will start inspections of properties in June. We encourage homeowners to keep Balgonie beautiful by bringing their front and back yards up to community standards (no junked/unregistered vehicles, repair of fences, dilapidated buildings, yards free of debris, grass and weeds trimmed, etc).

If a property requires maintenance, homeowners will receive a letter in the mail outlining the concerns. The letter will contain a deadline for the homeowner to have their lot addressed.

With the upcoming Balgonie Elks Family Fun Day on July 1st, we encourage residents to showcase how beautiful Balgonie truly is!

VOLUNTEER SPOTLIGHT

Tara Little

What group(s) do you volunteer with and how long have you been with these groups?

I volunteer at Tumbleweed Theatre group and Dinner Theatre (acting and directing), the Balgonie Elementary School, the 1st Balgonie Scouts, Celebration Church in Regina and also at the 703 Cadet Squadron in Regina as treasurer!

What are your (volunteer) activities and what do they involve?

I do a lot of different things when I volunteer with Tumbleweed Theatre! I'm an actor, a director and a script reader. With the Scouts, I am a parent who helps however I can (bottle drives cleaning tables at Canada Day, various fundraising efforts, etc.). With the Cadets I am the treasurer of the parent committee that involves fundraising as well. At church, I do many many things. Right now, I am working with the Billy Graham association to put on their "Look Up Celebration" in June.

What do you enjoy most about volunteering?

I really enjoy volunteering because it's a way that I can give back to the community and I love meeting new people and keeping busy. I love being able to support my kids in the activities that they do!

What motivates you to stay involved?

I think the people that I meet and work with in volunteer roles make it worth all the effort and keep me coming back! I love the friendships I've made and the people that we get to support by serving in our community!

What have you learned through volunteering?

I have learned that we all need help, even though we all have the ability to convince ourselves we can do it alone. I know that it is important to have people in your corner and to have a group of people that support you in life.

What are some of your best moments in your capacity as a volunteer?

I truly love Dinner Theatre. It's probably the thing I look forward to most every year as I'm able to be creative and tap into my acting abilities, but also to just build communities, make friends and create art for the good of Balgonie! It's a great excuse to get to act like a kid again and have fun!

Note: The Town of Balgonie appreciates all the volunteers and their dedication. Looking to become a volunteer? There are lots of groups around Balgonie looking for new volunteers! Contact the Town Office if you'd like more information.

Stay tuned for the next volunteer spotlight next month!

Drinking Water Quality and Compliance Town of Balgonie

Introduction

The Water Security Agency and the Ministry of Environment requires that at least once each year waterworks owners provide notification to consumers of the quality of water produced and supplied as well as information on the performance of the waterworks in submitting samples as required by a Minister's Order or Permit to Operate a waterworks. The following is a summary of the Town of Balgonie's water quality and sample submission compliance record for the **June 2025 to May 2026** time period. This report was completed on **May 26th, 2026**. Readers should refer to Water Security Agency's [Municipal Drinking Water Quality Monitoring Guidelines, June 2015, EPB 502](#) for more information on minimum sample submission requirements and the meaning of type of sample. Permit requirements for a specific waterworks may require more sampling than outlined in the department's monitoring guidelines. If consumers need more information on the nature and significance of specific water tests, for example, "what is the significance of Selenium in a water supply", more detailed information is available from: http://www.hc-sc.gc.ca/ewh-semt/pubs/water-eau/index_e.html.

Water Quality Standards

Bacteriological Quality

Water Disinfection - Free Chlorine Residual for Water Entering Distribution System from Waterworks Records- From Water Treatment Plant Records

Parameter	Limit (mg/L)	Test Level Range	# Tests Performed	# Tests Not Meeting Requirements
Free Chlorine Residual	at least 0.1	0.51 – 0.88	365	0

A minimum of 0.1 milligrams per litre (mg/L) free chlorine residual is required for water entering the distribution system. Tests are normally performed on a daily basis by the waterworks operator and are to be recorded in operation records. This data includes the number of free chlorine residual tests performed, the overall range of free chlorine residual (highest and lowest recorded values) and the number of tests and percentage of results not meeting the minimum requirement of 0.1 mg/L free chlorine residual.

Turbidity – From Water Treatment Plant Records

Parameter	Limit (NTU)	Test Level Range	# Tests Not Meeting Requirements	Maximum Turbidity (NTU)	# Tests Required	# Tests Performed
Turbidity	1.0	0.04 - 0.11	0	0.11	365	365

Chemical – Health Category

All waterworks serving less than 5000 persons are required to submit water samples for SE's Chemical Health category once every 2 years. The Chemical Health category includes analysis for arsenic, barium, boron, cadmium, chromium, fluoride, lead, nitrate, selenium and uranium.

The last sample for Chemical Health analysis was submitted January 2026. Sample results indicated that the provincial drinking water quality standards were not exceeded.

REPORT OF THE INDEPENDENT AUDITORS ON THE SUMMARY FINANCIAL CONSOLIDATED STATEMENTS

To the Mayor and Councillors
TOWN OF BALGONIE

Opinion

The summary consolidated financial statements, which comprise the consolidated statement of financial position as at December 31, 2025 and the consolidated statement of operations for the year then ended, are derived from the audited consolidated financial statements of the TOWN OF BALGONIE for the year ended December 31, 2025.

In our opinion, the accompanying summary consolidated financial statements are a fair summary of the audited consolidated financial statements in accordance with Canadian public sector accounting standards.

Summary Consolidated Financial Statements

The summary consolidated financial statements do not contain all the disclosures required by Canadian public sector accounting standards. Reading the summary consolidated financial statements and the auditors' report thereon, therefore, is not a substitute for reading the municipality's audited consolidated financial statements and the auditors' report thereon.

The Audited Consolidated Financial Statements and Our Report Thereon

We expressed an unmodified audit opinion on the audited consolidated financial statements in our report dated April 20, 2026.

Management's Responsibility for the Summary Consolidated Financial Statements

Management is responsible for the preparation of the summary consolidated financial statements in accordance with Canadian public sector accounting standards.

Auditors' Responsibility

Our responsibility is to express an opinion on whether the summary consolidated financial statements are a fair summary of the audited consolidated financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, "Engagements to Report on Consolidated Summary Financial Statements".

DID YOU KNOW?

The Transfer Station is set up with an electronic card system which allows residents to access it 24/7.

On the 1st and 3rd Friday of each month, Loraas Disposal delivers a 40-yard bin to the Transfer Station. The purpose of the 40-yard bin is to allow residents to dispose of additional household waste that does not fit in their black roll-out bin.

Unaccepted items

- Shingles;
- Railway ties, telephone poles and creosote treated wood;
- Bulbs and Light Ballasts;
- Hazardous materials such as tires, propane tanks, car batteries, paint, oil and chemicals;
- Appliances containing Freon;
- Construction/renovation material;
- Waste from households outside of Balgonie.

Please note: the unaccepted items listed above pertain to the 40-yard bin only. There are designated areas at the transfer station where some items listed above are accepted.

Who can use your transfer station card?

- Members of your household can use it.
- Lending your card out to another person and/or disposing of waste from households outside of Balgonie is not permitted.
- The cardholder will be held accountable for all occurrences at the transfer station, such as illegal dumping.

Illegal dumping

The Town of Balgonie has the responsibility to ensure regulations are followed based on the Approval to Operate issued to the Town by the Ministry of Environment.

Public Works Staff inspect the Transfer Station every morning. If it is determined that an illegal dump has taken place and/or items are placed in the incorrect disposal area, an investigation will commence. The resident at fault will be fined and their access card will be suspended for up to 6 months.

Disposing of large items

When residents dispose of large items such as couches, mattresses, and box springs in the 40-yard bin:

- it limits another resident's ability to dispose of their items in the bin;
- the bin is removed from the Transfer Station quicker, creating a longer waiting period for when it is scheduled to return.

In addition to the inconvenience it causes others by placing large items in the bin, the Town of Balgonie is required to pay a burial surcharge to Loraas Disposal if there are more than 4 pieces of bedding per load (mattresses and box springs), wood or metal longer than 7' or coils of wire or banding.

Designated disposal areas

Cement Pile

- Cement free of other debris may be disposed of.

Metal Pile

- All appliances and metal are permitted. Ensure the Freon is removed from fridges/freezers.
- Propane tanks are permitted.

Grass/Leaves

- Bags and boxes are not permitted in this pile.

Trees, Branches and Untreated Wood Pile

- Treated wood, painted wood, cardboard, drywall etc. are not permitted in this pile.

Oil Recycling Centre

- Empty oil into the oil recycling bin.
- Place the oil containers and filters in the bin next to the oil recycling bin.

Diabetes Canada Clothing Bin

- Do not leave bags beside the bin if it is full.

What should I recycle at SARCAN?

- Beverage containers
- Batteries
- Electronics
- Household paint

Auto Fund & Policy Tips

Have you sold your vehicle or trailer?

Don't send your plates with the vehicle you sold. Don't forget that you do have to cancel your plate registration. SGI does not automatically cancel your plates once the buyer has plated it. Unfortunately the system is not set up for that capability.

Are you moving?

We can transfer the insurance from your current home to your future home. Just contact us as soon as your offer has been accepted, so we can gather the required information & start the process.
