FROM THE TOWN

July Utility Bills

Utility notices will be mailed and uploaded to the Customer Portal the first week of July. For those that receive utility notices by e-notice (e-mail), please log into your Customer Portal account to view your utility notice.

Payments can be made through your online banking, in the office (cash, debit or cheque), or on the Town's website using Plastiq.

Plastiq Payments

How to pay with Plastiq:

1. Go to www.townofbalgonie.ca
2. Scroll down to the right hand side of the screen.
3. Sign up - create a free account, add who you are paying, and enter your card info.
4. Plastiq will process your payment and the funds will be transferred to the Town of Balgonie.

Fees associated with Plastiq are as follows:

- Standard credit card rate of 2.9%
- Debit cards are discounted to 1%

Paying Tax & Utility Bills Online

Utility and tax bills may be paid through your online banking service. Please use **Balgonie (Town of) Taxes** for your taxes and **Balgonie (Town of) Utilities** for your water/sewer bills. If you are unsure of your account number, please contact the Town Office to obtain your account number.

When making an online payment, allow 2-3 business days before any due date so that your payment is receipted prior to any penalties being applied to your account.

Sewer & Drain Tips

Here are some tips to keep your sewers and drains unclogged from costly sewer backups and pricey home repairs:

- Fats, oils and grease from cooking should be poured into a disposable cup to be discarded in the trash after it's cooled.
- Avoid flushing "flushable" wipes, baby wipes, feminine products, dental floss, cotton balls, paper towels and candle wax down the toilet.

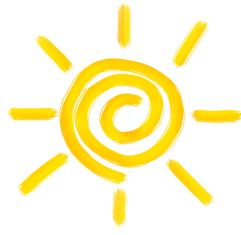

A backed-up sewer system or clogged drain can be costly to repair. Inappropriate disposal of grease and other items may also cause damage to the municipal sewer system.

Reminder that the Town of Balgonie will NOT reimburse residents for sewer blockages which are blocked by anything other than tree roots, whether or not the blockage is on your property or town property. Items blocking the lines which will not be covered by reimbursement include sanitary products, grease, or other foreign objects in the lateral lines.

Please let the Town know when you have the sewer company scheduled at your home, as our maintenance personnel must be there to determine the problem. Please call 306-771-4343 or 306-771-2284.

FROM THE TOWN

Street Parking - Reminder

Vehicles are not to be parked on the street for more than 24 hours except on weekends and holidays. If your vehicle is not used regularly, you must park it on your own property. All vehicles stored on your property must be licensed and in good repair. Storage of unlicensed and junked vehicles on your property are considered to be a “nuisance” by Town of Balgonie bylaws.

Please do not park trailers on the street - this causes difficulties for other drivers, blocks sight lines and can be dangerous for pedestrians and cyclists.

Reminder to Pet Owners

To be a responsible pet owner, remember to:

1. Walk your pet on a leash.
2. If your pet is aggressive, walk on the other side of the street away from people.
3. Pick up after your pet. There are multiple garbage cans located throughout the town for you to use.
4. Spay/neuter your pet.
5. License your pet at the Town Office. Fines are \$40 if a dog is found “at large”.

The Dog Control Bylaw can be viewed on-line at www.townofbalgonie.ca. Thank you for keeping our Town safe for **ALL** to enjoy!

Can/Bottle Pick-up

The Balgonie Beavers, Cubs and Scouts are always looking for cans and bottles! If you have recycling to donate, please call or text Larry at 306-771-7830.

Transfer Station Terms & Conditions - Action Required

The Town of Balgonie provides residents with a Transfer Station that is licensed and compliant with environmental regulations set forth by the Ministry of Environment and the Clean Air Act. Illegal and improper dumping jeopardizes the service that benefits our community.

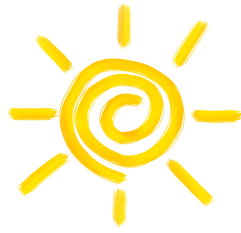

In order to ensure that residents with Transfer Station cards fully understand the rules, residents are asked to return the Transfer Station Terms and Conditions (this form was mailed out with tax notices). **Please read, initial, sign and return the form to our office no later than July 31st, 2026.** Following this date, cards for properties that have not been returned will be deactivated until the form is returned. Forms are also available at the Town Office.

Thank you for your assistance in keeping our Transfer Station a continued service in our community.

FROM THE TOWN

Town Speed Limit

The speed limit in Balgonie is 40 km/hr unless otherwise posted (school zones, Griffin Road, etc.).

With lots of young residents out and about, please remember to slow down!

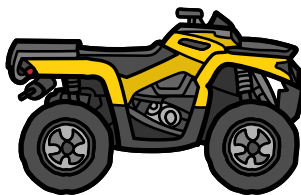

Community Safety Reminders

We can help with local law enforcement! Report any suspicious activity, break-ins and erratic driving to the RCMP by phone or fill in an incident report form. Reporting these incidents to the RMCP helps track where the RCMP need to have their staff monitoring. To report incidents:

- Fill out an Incident Report Form on-line at www.townofbalgonie.ca.
- Call the RCMP White Butte Detachment at 306-781-5050.

ATV Reminder

Vehicles that fall under the definition of All-Terrain Vehicle (ATV) are not allowed on any street within town limits, except for the purpose of crossing to get to the closest point of exit. Stunting and driving on walking paths is not permitted, as it is a major safety concern for those who are walking on the path. Please keep our community safe by following ATV legislation.

Newsletter E-mail Subscriptions

Sign up to receive a link to the Talk of the Town newsletter every month! To sign up for the Talk of the Town, go to www.townofbalgonie.ca! You will receive an e-mail when it's available!

Paper copies will be available at the Town Office, Post Office and Library.

New to Balgonie? Welcome!

With many new residents in town and cellular phones replacing land lines, we graciously ask that you contact our office with your updated contact information.

There are times throughout the year where we require the ability to contact households, and do not have a means of doing so.

Call us at 306-771-2284 or email general@balgonie.ca. The information is intended for office use only. Thank you for your assistance!

Submitting to Talk of the Town

Have a thank you, congratulations, or an announcement to make? Send an email to amy.weslowski@balgonie.ca by the 20th of the month to get into next month's newsletter! Local programs and announcements are not charged, but they must be local to Balgonie.

Loraas Bin Reminder

Garbage, Recycling and Compost bins are to be put out on the street by 7:00 am and brought in by 5:00 pm. If carts are damaged before or after these hours, homeowners are responsible for the charges.

DEADLINE TO APPLY:

JULY 10, 2026

VOLUNTEER SPOTLIGHT

Jen Cordick-Stephen

What group(s) do you volunteer with and how long have you been with these groups?

I have volunteered for a variety of associations over the years. I am currently volunteering for:

- Balgonie Dance Studio (executive)
- 18UAAA White Butte Broncos baseball team (manager)
- U15B Storm Lightning (assistant coach)
- Grade 12 Grad Committee
- Women In Ag (co-chair of the WIA Connect conference)

What are your (volunteer) activities and what do they involve?

I do many things when I am volunteering for the various committees. With dance - I am the IT (Information Technology) person, setting up the registration forms and making sure the social media is up to date. I also set up the fundraisers and grants that our studio needs to help keep our fees affordable.

With managing the different sporting teams - I need to keep the players, coaches and parents all organized - this entails keeping games & practice times updated, ensuring buses are organized for trips and snacks are on board.

With the Women In Ag, as a co-chair, we are responsible for getting sponsorships, the menu and the venue. We also help with the selection of the speakers, tradeshow attendees and social media - there is a lot of help and group effort that makes this conference a success.

What do you enjoy most about volunteering?

I enjoy working with all the different people within our White Butte community area. It is a way to give back to the community and without volunteers, our children wouldn't have all the different opportunities in our community. Volunteering is an exciting way to see your kids do the things they love and you can be apart of it and try and make it better for them and their friends they meet along the way.

What motivates you to stay involved?

I think my kids' passion for their activities makes me want to stay and volunteer. When they give so much time and dedication to something, I want to be there to support them.

What have you learned through volunteering?

I have learned nothing - I keep volunteering!

What are some of your best moments in your capacity as a volunteer?

I think the most memorable moments is seeing your kids' achieve success - whether that is a championship, a high mark in a dance, hitting a homerun or watching them teach younger kids.

Note: The Town of Balgonie appreciates all the volunteers and their dedication. Looking to become a volunteer? There are lots of groups around Balgonie looking for new volunteers! Contact the Town Office if you'd like more information.

Stay tuned for the next volunteer spotlight next month!

DID YOU KNOW?

The Transfer Station is set up with an electronic card system which allows residents to access it 24/7.

On the 1st and 3rd Friday of each month, Loraas Disposal delivers a 40-yard bin to the Transfer Station. The purpose of the 40-yard bin is to allow residents to dispose of additional household waste that does not fit in their black roll-out bin.

Unaccepted items

- Shingles;
- Railway ties, telephone poles and creosote treated wood;
- Bulbs and Light Ballasts;
- Hazardous materials such as tires, propane tanks, car batteries, paint, oil and chemicals;
- Appliances containing Freon;
- Construction/renovation material;
- Waste from households outside of Balgonie.

Please note: the unaccepted items listed above pertain to the 40-yard bin only. There are designated areas at the transfer station where some items listed above are accepted.

Who can use your transfer station card?

- Members of your household can use it.
- Lending your card out to another person and/or disposing of waste from households outside of Balgonie is not permitted.
- The cardholder will be held accountable for all occurrences at the transfer station, such as illegal dumping.

Illegal dumping

The Town of Balgonie has the responsibility to ensure regulations are followed based on the Approval to Operate issued to the Town by the Ministry of Environment.

Public Works Staff inspect the Transfer Station every morning. If it is determined that an illegal dump has taken place and/or items are placed in the incorrect disposal area, an investigation will commence. The resident at fault will be fined and their access card will be suspended for up to 6 months.

Disposing of large items

When residents dispose of large items such as couches, mattresses, and box springs in the 40-yard bin:

- it limits another resident's ability to dispose of their items in the bin;
- the bin is removed from the Transfer Station quicker, creating a longer waiting period for when it is scheduled to return.

In addition to the inconvenience it causes others by placing large items in the bin, the Town of Balgonie is required to pay a burial surcharge to Loraas Disposal if there are more than 4 pieces of bedding per load (mattresses and box springs), wood or metal longer than 7' or coils of wire or banding.

Designated disposal areas

Cement Pile

- Cement free of other debris may be disposed of.

Metal Pile

- All appliances and metal are permitted. Ensure the Freon is removed from fridges/freezers.
- Propane tanks are permitted.

Grass/Leaves

- Bags and boxes are not permitted in this pile.

Trees, Branches and Untreated Wood Pile

- Treated wood, painted wood, cardboard, drywall etc. are not permitted in this pile.

Oil Recycling Centre

- Empty oil into the oil recycling bin.
- Place the oil containers and filters in the bin next to the oil recycling bin.

Diabetes Canada Clothing Bin

- Do not leave bags beside the bin if it is full.

What should I recycle at SARCAN?

- Beverage containers
- Batteries
- Electronics
- Household paint
- Plastic bags
- Foam packaging

Auto Fund & Policy Tips

Taking your boat or camper out of storage?

Make sure you remember to activate the plate registration on these seasonal vehicles before you take them out of storage. If you have your camper on a package policy, you only have to plate it for your camping season.

Do you have a boat or camper?

All watercraft can be placed on your home policy and campers on your auto policy for added coverage. By having your camper on a policy it provides coverage when not plated during the off-season.
