Fall Storage Reminders

With Fall upon us, please make sure that all campers, trailers, recreation vehicles, basketball nets, etc. are properly stored off the street for the upcoming season. RV storage is not permitted in the front yard from November 1st to April 1st of each year. Please make necessary arrangements needed to ensure that they are not on town property.

To help with upcoming snow removal in back alleys, please ensure all campers, bins, or anything thing else large or in the way is moved by November 1st.

Vehicles are not to be parked on the street for more than 24 hours except on weekends and holidays. If your vehicle is not used regularly, you must park it on your own property.

From the Town

Tips for Sewer & Drains

Here are some tips to keep your sewers and drains unclogged from costly sewer backups and pricey home repairs:

- Fats, oils and grease from cooking should be poured into a disposable cup to be discarded in the trash after it's cooled.
- Avoid flushing "flushable" wipes, baby wipes, feminine products, dental floss, cotton balls, paper towels and candle wax down the toilet.
- A backed-up sewer system or clogged drain can be costly to repair. Inappropriate disposal of grease and other items may also cause damage to the municipal sewer system.

Reminder that the Town of Balgonie will NOT reimburse residents for sewer blockages which are blocked by anything other than tree roots, whether or not the blockage is on your property or town property.

Items blocking the lines which will not be covered by reimbursement include sanitary products, grease, or other foreign objects in the lateral lines.

Please let the Town know when you have the sewer company scheduled at your home, as our maintenance personnel must be there to determine the problem. Please call the Town Office at 306-771-2284.

Loraas Bin Reminders

Garbage, Recycling and Compost bins are to be put out on the street by 7:00 a.m. and brought in by 5:00 p.m. If carts are damaged before or after these hours, homeowners are responsible for the charges.

Residents are encouraged to mark their address on their bins with removable tape. As each bin is registered to their address, this becomes handy in our Saskatchewan winds and snow storms!

Storage of Vehicles

All vehicles stored on your property must be licensed and in good repair. Storage of unlicensed and junked vehicles on your property are considered a "nuisance" by Town of Balgonie bylaws.

Did you Know?

The speed limit in Balgonie is 40 km/hr unless otherwise posted (school zones, Gibson Road, etc).

Please keep our children and pedestrians safe by slowing down!

From the Town

Community Safety Reminders

We can help with local law enforcement! Report all suspicious activity, break-ins and erratic driving to the RCMP by phone or fill in an incident report form. If you are able to, please take a picture of the vehicle and/or person to submit with the Incident Form or to send to the RCMP. Reporting these incidents to the RMCP helps track where the RCMP need to have their staff monitoring. To report incidents:

- Fill out an Incident Report Form on-line at www.townofbalgonie.ca.
- Call the RCMP White Butte Detachment at 306-781-5050.
- If an incident involves a student's behaviour during the school day, the report should also be made to Greenall High School at 306-771-2566.

Balgonie Pickleball Club

The nets have been removed from the outdoor courts by the swimming pool. There is no cost for the use of the outdoor courts. Next summer paddles and balls will again be made available through the pool staff. We hope to have the court lines redone for next outdoor season.

The indoor season has begun and we have already had two sessions. The club meets Thursdays from 6:00 to 8:00 PM at the Balgonie Elementary School. Looking forward to previous members returning and the club always welcomes new members from Balgonie and surrounding rural area. The club is set up as an adult activity. The fee for the entire indoor season, which runs from September to May is \$30. Upon registration, you may pay in cash or make out a cheque to the Balgonie Recreation Board.

Please note: Due to some activities at the BES, there are some changes in days and start times for October. There will be no sessions on October 1st and 29th and on October 8th the session will run 6:30 - 8:30 PM. October 22nd will be the usual 6:00 - 8:00 PM.

Looking forward to seeing you on the court!

VOLUNTEER SPOTLIGHT

Stephanie Gallagher

What group do you volunteer with and how long have you been with this group?

I volunteer with Tumble Weed Theatre and the annual Dinner Theatre. I have been volunteering with them since 2022. I started by helping with desserts in the kitchen with Kelly and the year after that I acted in my first dinner theater in *The Play That Goes Wrong*.

What are your (volunteer) activities and what do they involve?

I have now been in two plays and I am directing this year's Dinner Theatre play. A lot of time and effort goes into Dinner Theatre. When I acted, it was a lot of practices, memorizing lines, helping organize our group and having fun during rehearsals.

This year as the director of the play, I had to pick a play ahead of time, cast my actors, decide on costumes, set the stage layout, help with the theme, event décor and various other tasks.

What do you enjoy most about volunteering?

I love the family that our theatre group and community becomes during this season. My favorite part is the connection it creates within the community - everyone has different goals, but we all want Dinner Theatre to do well and thrive. The directing and acting side of things, I love getting to spend time with amazing people in our community and bring the play to life.

What motivates you to stay involved?

My motivation is my kids and family I have in the community of Balgonie. I was raised here and this community has stayed such a huge part of my life in a positive way. I stay involved because of what Dinner Theatre accomplishes for our town and recreational groups. It's a fun and amazing way to be able to support them!

What have you learned through volunteering?

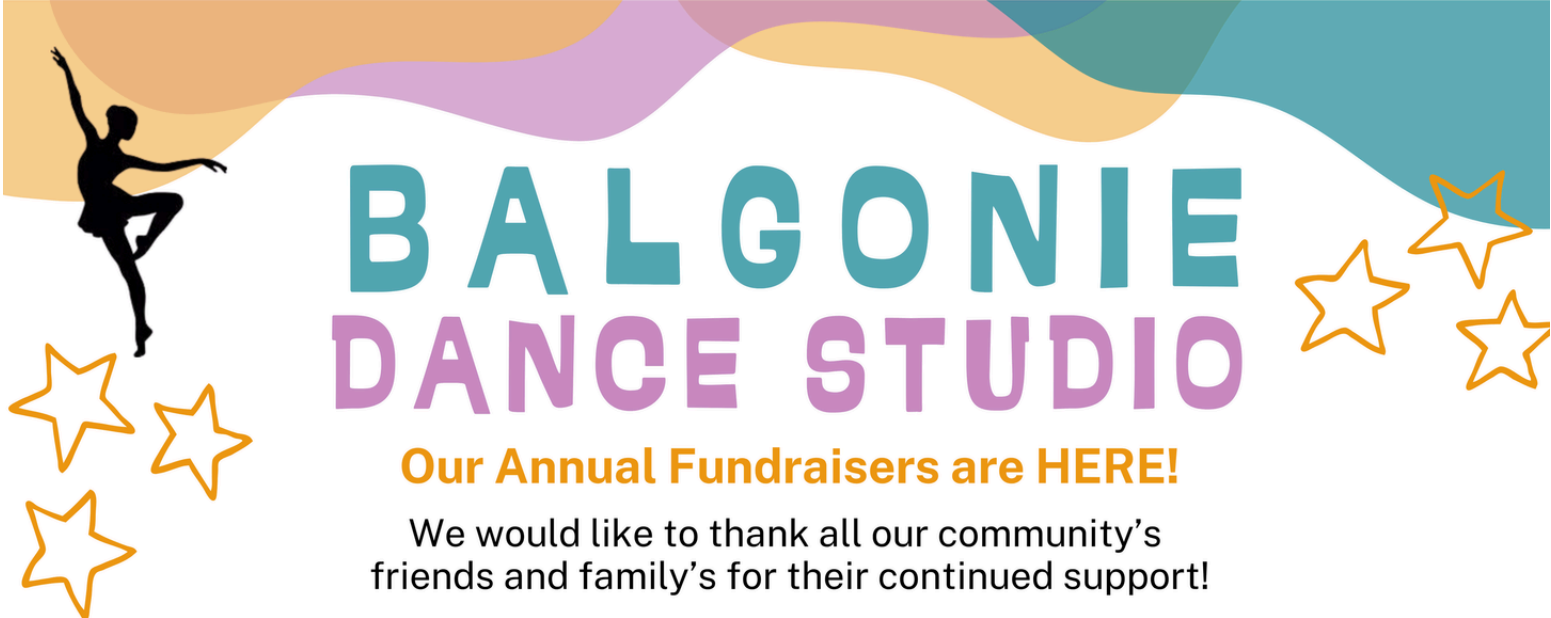

I have learned so much during my time volunteering with Tumble Weed Theatre. I've learned a different level of teamwork, adaptability, public speaking, creative problem solving under pressure while on stage, leadership, communication, patience, motivation to myself and others, along with many other things. Each play and dinner theatre season takes months of planning and dedication by everyone involved. I've learned a lot about the production of a play and various things that make Dinner Theatre successful.

What are some of your best moments in your capacity as a volunteer?

Some of my favourite moments would be all the practices, the time I've gotten to spend with some amazing, kind, loving people from our community and all the laughs we have. My favourite part so far of volunteering is acting - it's always an incredible and challenging experience. I love what the annual dinner theatre brings out in our community - all the donations of food, time, hard work and effort put in by everyone is astonishing and a beautiful way to give back right into the place we all call home.

Note: The Town of Balgonie appreciates all the volunteers and their dedication. Looking to become a volunteer? There are lots of groups around Balgonie looking for new volunteers! Contact the Town Office if you'd like more information.

Stay tuned for the next volunteer spotlight next month!

WHAT IS A COLUMBARIUM?

Also known as burial or cremation niche, a columbarium niche is a shelf or compartment within a structure where inurned remains are housed.

A columbarium interment combines the simplicity of cremation with the comfort of a permanent place of remembrance. It provides a beautiful, secure and lasting tribute where family and friends can gather to honour a loved one's memory for generations to come.

September Update

Griffin Football

The Griffin Football Team is more than a team in our school, but also a community. During the Griffin's third league game one of the year, a player was seriously injured and has been receiving treatment for his injuries in a Regina hospital since that time. The outpouring of support for him and his family has been incredibly heartwarming. The picture featured was taken at the QCM where one of our student's Angelica Linklater ran in his honour to promote the GoFundMe page to support the Gronick family during this difficult time. There are several other fundraising efforts being organized within the community. Please call the school if you would like any updates on these fundraising initiatives as they develop. Thank you everyone for your support both to the players and coaches, but also the Gronick family during this time.

UPCOMING DATES:

- Sept. 29- Orange Shirt Day
- Sept. 30- No School
- Oct. 5th "A Walk to Remember"
- Oct. 9th -Leibel Field- Griffin Football
- Oct. 13th- No School

GreenALL Equity Club

The Greenall Equity Club participated in the YWCA fundraising event "Walk a Mile in Their Shoes", which raises awareness about gender-based violence. Great job, Griffins, on continuing to build your involvement!

Treaty 4 History & Law

Over 100 students in our History and Law 30 classes attended Treaty 4 this year to learn about natural law and the history of the relationship between settlers and treaty negotiators and signers. They participated in games and simulations, met Elders, spoke with representatives from various police agencies, and watched a powwow demonstration, with many students joining in the Round Dance. The group enjoyed bannock burgers and spent the day learning outside on the land, deepening their understanding of Treaty 4 and the ongoing relationships that shape our communities.

IN LOVING MEMORY A WALK DOWN MEMORY LANE

Join us on **Sunday October 4, 2026**, at **10:00 AM** at **White Butte Trails, 20 kilometers east of Regina on highway 46, (Franks Lake Rd entrance)** for a 5km walk, run, or leisurely stroll in loving memory of those we hold dear.

We invite you to share your stories and photos of loved ones by emailing;

awalkdownmemorylane24@gmail.com

We can celebrate each life together at the trail entrance. The event supports **Greenall's Outdoor School Program**, with a suggested donation of \$5 that can be made at the event. A small contribution that makes a big difference.

*This special event honors the life of **Lane Antosh**, whose life was tragically cut short in an accident. During his time with ODS, he was an inspiration to his classmates and instructors. Lane was the first to contribute to class discussions and the first to volunteer to help a fellow classmate or instructor. Lane was compassionate, caring, and brave, and his contributions to ODS will never be forgotten.*

DID YOU KNOW?

The Transfer Station is set up with an electronic card system which allows residents to access it 24/7.

On the 1st and 3rd Friday of each month, Loraas Disposal delivers a 40-yard bin to the Transfer Station. The purpose of the 40-yard bin is to allow residents to dispose of additional household waste that does not fit in their black roll-out bin.

Unaccepted items

- Shingles;
- Railway ties, telephone poles and creosote treated wood;
- Bulbs and Light Ballasts;
- Hazardous materials such as tires, propane tanks, car batteries, paint, oil and chemicals;
- Appliances containing Freon;
- Construction/renovation material;
- Waste from households outside of Balgonie.

Please note: the unaccepted items listed above pertain to the 40-yard bin only. There are designated areas at the transfer station where some items listed above are accepted.

Who can use your transfer station card?

- Members of your household can use it.
- Lending your card out to another person and/or disposing of waste from households outside of Balgonie is not permitted.
- The cardholder will be held accountable for all occurrences at the transfer station, such as illegal dumping.

Illegal dumping

The Town of Balgonie has the responsibility to ensure regulations are followed based on the Approval to Operate issued to the Town by the Ministry of Environment.

Public Works Staff inspect the Transfer Station every morning. If it is determined that an illegal dump has taken place and/or items are placed in the incorrect disposal area, an investigation will commence. The resident at fault will be fined and their access card will be suspended for up to 6 months.

Disposing of large items

When residents dispose of large items such as couches, mattresses, and box springs in the 40-yard bin:

- it limits another resident's ability to dispose of their items in the bin;
- the bin is removed from the Transfer Station quicker, creating a longer waiting period for when it is scheduled to return.

In addition to the inconvenience it causes others by placing large items in the bin, the Town of Balgonie is required to pay a burial surcharge to Loraas Disposal if there are more than 4 pieces of bedding per load (mattresses and box springs), wood or metal longer than 7' or coils of wire or banding.

Designated disposal areas

Cement Pile

- Cement free of other debris may be disposed of.

Metal Pile

- All appliances and metal are permitted. Ensure the Freon is removed from fridges/freezers.
- Propane tanks are permitted.

Grass/Leaves

- Bags and boxes are not permitted in this pile.

Trees, Branches and Untreated Wood Pile

- Treated wood, painted wood, cardboard, drywall etc. are not permitted in this pile.

Oil Recycling Centre

- Empty oil into the oil recycling bin.
- Place the oil containers and filters in the bin next to the oil recycling bin.

What should I recycle at SARCAN?

- Beverage containers
- Batteries
- Electronics
- Household paint
- Plastic bags
- Foam packaging
