When making an online payment, allow 2-3 business days before any due date so that your payment is receipted prior to any penalties being applied to your account.

3. Sign up - create a free account, add who you are paying, and enter your card info.

New to Balgonie? Welcome!

With many new residents in town and cellular phones replacing land lines, we graciously ask that you contact our office with your updated contact information.

There are times throughout the year where we require the ability to contact households, and do not have a means of doing so.

Call us at 306-771-2284 or email general@balgonie.ca. The information is intended for office use only. Thank you for your assistance!

Loraas Disposal Bin at the Transfer Station

The red Loraas bin at the Transfer Station is delivered on the first and third Friday of every month. There is no specific time as to when the bin will arrive on these days. If a red bin is NOT available, do NOT leave any items where the bin is normally located. Residents have been fined (up to \$500) and their cards have been suspended.

Be courteous of others! Large items and multiple loads take up the entirety of the bin, making it unusable for other residents. If you have multiple large items, please take them to the Regina Landfill.

Home builders/developers are not permitted to use the red Loraas bin.

For a complete list of what can be left at the Transfer Station, please see the end of the newsletter. 2

Reminder to Pet Owners

To be a responsible pet owner, remember to:

1. Walk your pet on a leash.
2. If your pet is aggressive, walk on the other side of the street away from people.
3. Pick up after your pet. There are multiple garbage cans located throughout the town for you to use.
4. Spay/neuter your pet.
5. License your pet at the Town Office. Fines are \$40 if a dog is found "at large".

The Dog Control Bylaw can be viewed on-line at www.townofbalgonie.ca. Thank you for keeping our Town safe for **ALL** to enjoy!

Community Safety Reminders

We can help with local law enforcement! Report all suspicious activity, break-ins and erratic driving to the RCMP by phone or fill in an incident report form. If you are able to, please take a picture of the vehicle and/or person to submit with the Incident Form or to send to the RCMP. Reporting these incidents to the RMCP helps track where the RCMP need to have their staff monitoring. To report incidents:

- Fill out an Incident Report Form on-line at www.townofbalgonie.ca.
- Call the RCMP White Butte Detachment at 306-781-5050.
- If an incident involves a student's behaviour during the school day, the report should also be made to Greenall High School at 306-771-2566.

Home Safety Reminders

Follow these safety tips to keep your home and property safe from theft/break-ins:

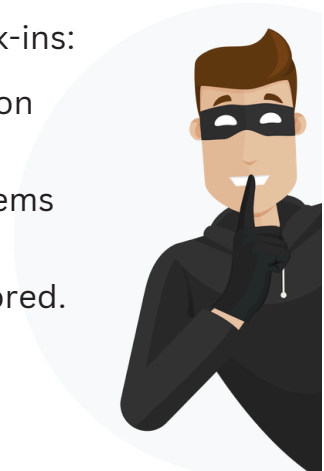

Light up your property - install motion detection lights or leave your lights on around entrances.

Have a security system - there are lots of options for wireless security systems with cameras. Keep an eye on your home when you're not there.

Advertise your security system - clearly advertise that your home is monitored.

Lock your doors and windows - make a habit of checking doors before bed each night. Ensure your vehicles and garage doors are locked also.

Make it look like someone is home - it is important for your home to look occupied even if you are not home. Leave a light on or get timers for your lights.

- No burning barrels or outdoor burning devices with the exception of propane or briquet BBQ's, chemineas or approved fire pits can be used within Town limits.
- No other fuel other than seasoned wood, propane or natural gas may be burned.
- Fire pits should be covered with a wire mesh.
- Fire pits should be at least 3 meters from any property line, building or other combustible structure and 6 meters from any neighboring building.
- Fire pits should not be used on balconies, wooden decks or any combustible surface.

Back to School!

Excited kids are back to school on Wednesday, September 2nd. This means our community and school zones will be busier. Please slow down to 30 km/hour, as indicated by the School Zone signs, and watch for kids crossing.

School Bus Safety

School bus drivers have a difficult job. There are plenty of distractions inside the bus. Knowing this, you should make extra allowances, and be aware of the possibility that the bus driver may not see you or your signals. Rear-end collisions are the most frequent type of crash involving school buses and are usually caused by another driver failing to stop while the bus is loading or unloading passengers.

When approaching a school bus, if you see amber flashing lights, slow down and proceed with caution. If the red flashing lights are activated, you must come to a complete stop. If you're approaching the bus from the opposite direction on an undivided highway, you must also stop. The single greatest threat to the safety of children who ride school buses is motorists who pass the bus when children are loading and unloading.

When approaching a bus that has its stop arm out and its red flashing lights activated, as a driver:

- You must stop no closer than 5 m (15 ft) from the front or back of the bus.
- You must not advance your vehicle until the bus driver turns off the flashing red stop lamps and deactivates the stop arm.
- Before moving, check to see that all children have safely crossed the roadway.

Passing a school bus with red flashing lights is a serious offence and will result in a minimum fine of \$360.

National Day for Truth and Reconciliation

September 30th, 2026

Both the National Day for Truth and Reconciliation and Orange Shirt Day take place on September 30th. The day honours the children who never returned home and survivors of residential schools, as well as their families and communities. Public commemoration of the tragic and painful history and ongoing impacts of residential schools is a vital component of the reconciliation process.

Orange Shirt Day is a commemorative day led by Indigenous communities to raise awareness about the intergenerational impacts of residential schools on children, families, and communities. It honours Indigenous children who were lost in the residential school system. This day reminds us that **“Every Child Matters”**.

The Town Office will be closed on Wednesday, September 30th to honour the National Day for Truth and Reconciliation. Our regular office hours will resume on Thursday, October 1st.

VOLUNTEER SPOTLIGHT

Jessica Schoenroth

What group(s) do you volunteer with and how long have you been with these groups?

I have been on the Balgonie Library Board for the last 5 years. Other organizations that often receive my help are the Fire Department and Balgonie Dance Studio although not in an official capacity.

What are your (volunteer) activities and what do they involve?

The library board supports our local library and as the current chairperson running meetings is one of the largest portions of my role. The library also provides many programs to the community on which myself and other board members assist the branch librarian in hosting.

What do you enjoy most about volunteering?

I hope that I can make a noticeable difference for the organizations that I volunteer for. For the library that means seeing the community come out to our programs, the parade, etc.

What motivates you to stay involved?

For the library it is because of my background in libraries and their importance in the community that motivated me to volunteer in the first place.

What have you learned through volunteering?

That more hands definitely lightens the load. Volunteers are essential to keep groups in the community and I'm happy to report that we have such a strong board right now!

What are some of your best moments in your capacity as a volunteer?

Most memorable moments for me are where the kids in the community and their families come to the library and it is a place to learn, play and explore.

How do you inspire others to give of themselves?

I like to remind others that our community is only as strong as the people that step up to volunteer for various groups. If you have a skill that could benefit a board it is such a huge asset to the community.

Note: The Town of Balgonie appreciates all the volunteers and their dedication. Looking to become a volunteer? There are lots of groups around Balgonie looking for new volunteers! Contact the Town Office if you'd like more information.

Stay tuned for the next volunteer spotlight next month!

New Columbarium Delivered to Balgonie Cemetery

As the Town finalizes the Cemetery Bylaw and the administration procedures for the sale of the niches and interments; columbarium space will officially be available in October of 2026. The Town will publish comprehensive details regarding purchasing procedures, costs, and plaque guidelines closer to the date they go on sale.

The Town extends its sincere gratitude to Shaun McBain and Denie Burski for their efforts in successfully coordinating the delivery and placement of the columbarium on site today. A special thank you to Debbie Lane for her diligent work, coordination and planning to complete this project.

IN LOVING MEMORY A WALK DOWN MEMORY LANE

Join us on **Sunday October 4, 2026**, at **10:00 AM** at **White Butte Trails, 20 kilometers east of Regina on highway 46, (Franks Lake Rd entrance)** for a 5km walk, run, or leisurely stroll in loving memory of those we hold dear.

We invite you to share your stories and photos of loved ones by emailing;

awalkdownmemorylane24@gmail.com

We can celebrate each life together at the trail entrance. The event supports **Greenall's Outdoor School Program**, with a suggested donation of \$5 that can be made at the event. A small contribution that makes a big difference.

This special event honors the life of Lane Antosh, whose life was tragically cut short in an accident. During his time with ODS, he was an inspiration to his classmates and instructors. Lane was the first to contribute to class discussions and the first to volunteer to help a fellow classmate or instructor. Lane was compassionate, caring, and brave, and his contributions to ODS will never be forgotten.

Event Hosted by: Greenall ODS students, Jeff Moore, Payden Fraser

DID YOU KNOW?

The Transfer Station is set up with an electronic card system which allows residents to access it 24/7.

On the 1st and 3rd Friday of each month, Loraas Disposal delivers a 40-yard bin to the Transfer Station. The purpose of the 40-yard bin is to allow residents to dispose of additional household waste that does not fit in their black roll-out bin.

Unaccepted items

- Shingles;
- Railway ties, telephone poles and creosote treated wood;
- Bulbs and Light Ballasts;
- Hazardous materials such as tires, propane tanks, car batteries, paint, oil and chemicals;
- Appliances containing Freon;
- Construction/renovation material;
- Waste from households outside of Balgonie.

Please note: the unaccepted items listed above pertain to the 40-yard bin only. There are designated areas at the transfer station where some items listed above are accepted.

Who can use your transfer station card?

- Members of your household can use it.
- Lending your card out to another person and/or disposing of waste from households outside of Balgonie is not permitted.
- The cardholder will be held accountable for all occurrences at the transfer station, such as illegal dumping.

Illegal dumping

The Town of Balgonie has the responsibility to ensure regulations are followed based on the Approval to Operate issued to the Town by the Ministry of Environment.

Public Works Staff inspect the Transfer Station every morning. If it is determined that an illegal dump has taken place and/or items are placed in the incorrect disposal area, an investigation will commence. The resident at fault will be fined and their access card will be suspended for up to 6 months.

Disposing of large items

When residents dispose of large items such as couches, mattresses, and box springs in the 40-yard bin:

- it limits another resident's ability to dispose of their items in the bin;
- the bin is removed from the Transfer Station quicker, creating a longer waiting period for when it is scheduled to return.

In addition to the inconvenience it causes others by placing large items in the bin, the Town of Balgonie is required to pay a burial surcharge to Loraas Disposal if there are more than 4 pieces of bedding per load (mattresses and box springs), wood or metal longer than 7' or coils of wire or banding.

Designated disposal areas

Cement Pile

- Cement free of other debris may be disposed of.

Metal Pile

- All appliances and metal are permitted. Ensure the Freon is removed from fridges/freezers.
- Propane tanks are permitted.

Grass/Leaves

- Bags and boxes are not permitted in this pile.

Trees, Branches and Untreated Wood Pile

- Treated wood, painted wood, cardboard, drywall etc. are not permitted in this pile.

Oil Recycling Centre

- Empty oil into the oil recycling bin.
- Place the oil containers and filters in the bin next to the oil recycling bin.

Diabetes Canada Clothing Bin

- Do not leave bags beside the bin if it is full.

What should I recycle at SARCAN?

- Beverage containers
- Batteries
- Electronics
- Household paint
- Plastic bags
- Foam packaging

Go to www.sarc.ca for more information

IMPORTANT: Carts must be out by 7a.m. on collection days
