Balgonie Water Project:

The Town of Balgonie has started receiving water from Pilot Butte through the transmission line that was built this past year. During this transition phase, there may be some residual water in the system from our previous water sources. For the next month, you may notice changes in the water which you are receiving to your homes. There may be some subtle changes in the odor and taste as the chlorination levels are adjusted to the water supply. The

water from Pilot Butte is filtered by Reverse Osmosis, which takes the minerals from the water. This may make the water taste slightly different.

After this testing phase of the project, the hardness of the water will be published, so that residents may make any necessary adjustments to their water softening systems.

Flood Maintenance and Prevention-

Maintaining Home Drainage System

Regular maintenance of your home drainage system can often be the difference between staying dry or being flooded. Once a year, it's a good idea to evaluate the condition of your system – inside and out. If you find a problem, make fixing it a priority.

Remember: Most flooding on private property is caused by the failure of one or more home drainage elements.

The following provides a maintenance checklist you should review each year. If you are unsure of what to do, call a professional.

Outside

Eavestroughs & Downspouts

- Clean leaves and debris from inside the trough and downspouts.
- Tighten elbows and other connections.
- Caulk and seal any leaks.
- Repair or replace sagging, badly dented or cracked sections.

Splash Pads & Extensions

- Reconnect any loose pads or extensions.
- Replace badly dented extensions.
- Check soft plastic, roll out extensions for leaks and to determine if they work properly.

Lot Grading

- Check the slope from the basement wall.
- Check for settling, particularly under stairs and decks.
- Raise any low spots.
- Look for cracks or spaces on driveways, sidewalks and patios that are next to the foundation wall. Caulk or waterproof where needed.

Inside

Foundation Walls

- Check for moisture along the walls and the floor.
- Fill and seal any visible cracks.

Sump Pump

- Check for power.
- Test the pump by pouring water into the pump well.
- Check the outside pipe to confirm water is flowing towards the street or back lane.
- Check and repair any leaks in the sump pump pipe.
- Disconnect sump pump discharge hose in winter conditions to avoid freezing in the line.

Sewer backup:

- Sewer caps should be on to prevent sewer backup.
- Install a backflow prevention valve

Plumbing Fixtures

- Maintain proper water levels in traps in floor drains and toilets to minimize odours.

SUMMER EMPLOYMENT:

The Town of Balgonie will be accepting resumes for Summer Student positions in the Maintenance Dept. May 5, 2014 starting date. Resumes will be accepted at the Town office until 4:30 p.m. on April 10th, 2014.

A valid driver's license is a requirement of the position.

Monday, Tuesday, Wednesday, Thursday, and Friday.
We are open every weekday.
(including Wednesdays)

**The Town Office will be closed
on Good Friday, April 18th.**

ELECTRONIC PAYMENTS:

Taxes and Utility Bills may be paid electronically through your online banking website. The payments would be under Town of Balgonie Taxes and Town of Balgonie Utilities.

(Do not choose Balgonie Water—this payee is a previous business and is not connected with the Town of Balgonie.)

Please contact the Town office to obtain your account numbers.

Electronic payments for Utilities and Taxes are a convenient way to pay your bills, but they are not instantaneous. Please allow 2-3 business days before any due date so that your payment is receipted by our office before any penalties apply. The bank requires time to process the payment and advise the Town.

TOWN COUNCIL MEETINGS are open to the public. They are regularly scheduled on the 2nd and 4th Mondays of every month starting at 6:15 p.m. in the Council Chambers of the Balgonie Administration Building.

**Council meetings in APRIL
are scheduled for
April 14 and April 28, 2014.**

April Loraas Pick up dates:

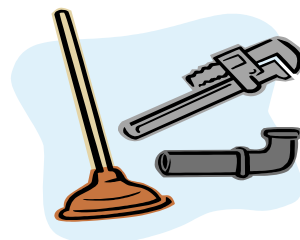

Apr. 1	Recycling
Apr. 8	Garbage
Apr. 15	Recycling
Apr. 22	Garbage
Apr. 29	Recycling

Please refer to the Town of Balgonie website for a comprehensive list of materials which are allowed in your recycle bin as well as the yearly calendar of pickups.

Fats, Oils, and Grease -

**Store it,
don't pour it.**

Pouring fats, oils, and grease down your drain can cause significant problems in your home sewer system as it solidifies in your pipes and causes sewer back up. The result can be property damage and considerable expense and inconvenience to you and to the Town of Balgonie. Used cooking oils and grease should be cooled and put into a container with a lid for storage that can be put in to the garbage receptacle.

Blocked Sewer Drains:

Blockages in the sewer lines are the homeowner's responsibility. The Town of Balgonie may issue a reimbursement for sewer cleanout only if it is on the Town portion and due to tree roots. A Town of Balgonie should be called to have an employee present when the Plumbing company inspects the line. Please call our office to arrange this: 306-771-2284 or after hours 306-535-4235.

Reimbursement for the plumbing costs will not be paid if our office is not called, or if the blockage is due to disposal of improper items.

PLEASE PLACE THESE ITEMS IN THE TRASH! DO NOT FLUSH!!

sanitary napkins	tampons and applicators	q-tips
cotton balls	condoms	diapers/pull ups
incontinence products	sanitary wipes	kleenex
paper towels	napkins	cosmetic pads
cleaning wipes	disposable toilet brushes	sponges
needles	razors	grease

All of the above items have been found in Town sewer lift station screens and have caused drainage issues. These materials do not "break down" in the sewer system. These items travel down the sewer system and combine with other items and cause a blockage at some point in the line. These blockages cost property owners directly through blockages to their homes or indirectly through the costs to the Town for removal.

QUESTIONS FREQUENTLY ASKED REGARDING APPEALING YOUR PROPERTY ASSESSMENT

(The following questions and answers are taken from the pamphlet “*Understanding the Property Assessment Appeal Process*” from the Saskatchewan Government Relations, Provincial Municipal Relations and Advisory Services)

What is Property Assessment?

Property assessment is the process of determining a property’s assessed value as of a specific date for property tax purposes. The assessment provides an estimate of the property’s value that reflects typical market conditions.

Local governments use property assessments as a basis for the distribution of property taxes among property owners. **Property assessment is not the same as property tax.** The assessment of a property is the value assigned to it as the basis for allocating taxes among various classes of property.

Who Can I Contact to Explain My Assessment?

You should start with your administrator of your municipality (Phone 306-771-2284). You can also call SAMA (Saskatchewan Assessment Management Agency) as it is the agency that performs Balgonie’s assessments.

Preparing the Notice of Appeal Form

When making an assessment appeal, the notice of appeal form must be fully completed. You must provide specific grounds supporting the appeal. You are required to provide as many details as possible and all facts and evidence that an error has been made in the:

- ✦ valuation of the property;
- ✦ classification of the property;
- ✦ preparation of the relevant assessment roll or assessment notice; and/or

content of the relevant assessment roll or assessment notice.

The grounds for the appeal must be detailed. Phrases such as “assessment too high” or “assessment too low” are **NOT** sufficient.

It is your responsibility to make a case to the board of revision. It may be as simple as proving that dimensions or measurements are wrong or that a classification is not correct, or as complex as proving that the value of a property is not fairly assessed compared to another property that is similar in nature.

Regular Assessment Appeals or Simplified Assessment Appeals?

When making regular or simplified assessment appeals, the notice of appeal form must be fully completed. Regular appeal – the appellant must provide specific written grounds supporting the appeal when submitting it to the secretary before the hearing. Simplified appeal - the appellant is not required to submit detailed written grounds to the secretary before the hearing but must have detailed information ready to present to the appeal board.

Can I Base My Appeal on the Fact that I Feel my Taxes are Too High?

NO! Legislation outlines the valid grounds of appeal. Only your property assessment can be appealed, not taxes or mill rates.

IF YOU WOULD LIKE A COPY OF THE PAMPHLET, PLEASE COME INTO THE TOWN OFFICE OR VISIT THE FOLLOWING WEBSITE.

www.municipal.gov.sk.ca/Assessment/Revaluation/UnderstandingAssessmentAppeals

Notice of Preparation of Assessment Roll

Town of Balgonie

Notice is hereby given that the assessment roll for the Town of Balgonie for the year of **2014** has been prepared and is open to inspection in the Office of the Assessor during normal business hours from 9 a.m. to noon and 1:00 to 5:00 p.m. on Monday to Friday, **April 4 to May 5, 2014**.

A bylaw pursuant to section 214 of *The Municipalities Act* has been passed and the assessment notices have been sent as required.

Any person who wishes to appeal against his or her assessment is required to file his or her notice of appeal accompanied by a \$50.00 fee for each assessment being appealed, which will be returned if the appeal is successful, with: The Secretary of the Board of Revision, c/o Town of Balgonie, Box 310, Balgonie, SK S0G 0E0, by the **5th** day of **May, 2014**.

Dated this **4th day of April, 2014**.

Valerie Hubbard, Assessor.

2014 property taxes will be set as part of the budget process for the Town Council.

Property taxes have not yet been determined for the 2014 year.

PROPERTY ASSESSMENT DOES NOT EQUAL PROPERTY TAX

SAMA's role in determining assessed value for properties is just the first part of a process established by provincial legislation. The second part is application of provincial government established tax policy, such as property classes and percentage of value, and statutory exemptions. The third and final part of the process involves municipalities determining the local mill rate annually based on local budget needs. The province also sets the mill rate for the education sector. Municipalities then multiply the taxable assessment by the local mill rate* to produce property tax levies, also known as your property tax bill.

(SAMA)		(Province)		(Municipalities and Government)		(Taxpayer)
ASSESSED VALUE	X	PERCENTAGE OF VALUE & EXEMPTIONS	X	MILL RATES*	=	PROPERTY TAXES

*Municipalities have the authority to use a series of tax tools ranging from mill rate factors to minimum taxes. For more information on tax tools and exemptions see the Ministry of Government Relations website (www.municipal.gov.sk.ca).

With SAMAVIEW you can:

- Verify your property assessment information
- Compare your assessment to similar or neighbouring properties; and
- Get a general idea of assessed values in your municipality.

The party will feature activities, entertainment, food and enticing prizes designed to persuade graduates to attend.

As you can imagine, planning an event of this size is a significant undertaking and requires considerable financial support and volunteer effort. Ticket sales will generate funds to partially cover the venue, food and/or activities. Committee volunteers have joined together to bring in additional funds to provide the extras like interactive entertainers, high-energy activities and prizes (small & large) for all graduates.

Soon volunteers will be contacting members/businesses in the community for donations so that we can provide the most unforgettable celebration for years to come. If you have not been contacted and would like to make a cash, prize or gift bag item donation, please email Gerry Hertz at hertzhaven@gmail.com or Dawn Arguin at dawn.arquin@sasktel.net – no amount is too small!

All sponsors will be thanked and promoted at the After-Grad celebration, in local newsletters and After-Grad publications. We thank you in advance for your support.

(Note: The After-Grad is not a school sponsored event – it is an event organized and run by parent volunteers)

Prairie Valley School Division delivers educational services to over 8000 students in 38 schools throughout southeast Saskatchewan. We have opportunities for you to join our team of professionals in the Transportation department. We are currently seeking spare and regular bus drivers in anticipation of possible vacancies for the current and 2014/2015 school years in many areas of the school division.

Great reasons to join our team of dedicated, professional and hard-working permanent bus drivers:

- Our permanent and spare bus drivers are valued members of our staff, providing an essential service by transporting rural children and youth to and from school safely every day. This is a job you can feel good about every day!
- Our buses are modern, with up to date safety technology.
- Drivers work in a safe and supportive work environment, with a team of journeyman mechanics, administrative staff in our office and school administrators who ensure our drivers have the skills and confidence they require to be successful.
- Our drivers receive various professional development opportunities throughout the school year.
- This is an excellent part-time job with fixed hours, with no work on weekends or school holidays.
- There are lots of opportunities to supplement your income by driving for school sports, field trips and other school charter trips.
- Drivers may take their young children on the bus with them, eliminating the need for daycare in many cases.
- Training is free to suitable applicants who do not yet possess their school bus endorsement, and is provided by our own qualified driver trainers who also have permanent routes and understand the job.
- Prairie Valley School Division supports the principles of a representative workforce and welcomes applications from all qualified candidates.

The preferred applicants will possess school bus driving experience, demonstrate safe driving practices, and have strong interpersonal and communication skills. All applicants are required to provide a clear criminal record check (including vulnerable sectors check) and a drivers' abstract for the previous five years.

For more information about becoming a bus driver, contact the Transportation Department at (306) 949-6566. All interested applicants are invited to apply online at www.pvsd.ca/careers; by fax at (306) 543-1771 or by stopping in to meet someone in the Transportation Department. 1st Balgonie Beavers, Cubs & Scouts

Our annual Lord Baden-Powell Birthday Celebration & Sponsor Appreciation Banquet was held Feb 25th, & we would like to take this opportunity to publicly acknowledge & thank all of those organizations, businesses & individuals who have supported our Balgonie Scouters. Without everyone's support we couldn't run the successful programs that we run.

And, of course, all the Parents, Leaders & Group Committee Members.

Thank you to Penni McAlpin & her crew for putting together such a delicious meal for our banquet. You never disappoint our taste buds. A huge thank you to all former Leaders for coming out to help us celebrate 1st Balgonie's 30th anniversary. This is a huge milestone for any scouting group & we couldn't have done it all these years without your devotion to 1st Balgonie.

Our Beavers, Cubs & Scouts came together for our annual group camp at the Regina Wildlife Federation Clubhouse to be held March 15th & 16th. Everyone had a blast! Thank you to the Leaders for planning fun activities, to the Beaver parents for helping out, to Colin Warnecke who

cooked for us all weekend & to Justine Walton & Susan Sebastian for baking the delicious muffins for everyone to devour. The Beavers made stepping stones, wooden airplanes & built their Beaver Buggies that they took with them to the annual Wascappella Area Beaver Buggy Bash. Some of our Beavers, Cubs & Scouts attended the Dallas Valley Winter Camp in February & had a blast!! Our Cubs have earned a bunch of badges in relation to the star badges & are building their Kub Kars in preparation for the annual Kub Kar Rally to be held in April. Our Scouts are busy working towards a bunch of badges & awards.

All the sections are busy wrapping up their year. The Beavers are going on their annual tour of the STC depot (thanks to Ken Younghans!), & a night at Lazer Quest is planned. The Cubs are wrapping up their badge work, while still working on their Kub Kars for the Area Rally & planning for June's annual Saskatchewan Cub Camp. Our Scouts are working hard at their Scouting badges & overnight camps.

Our last bottle drive of our 2013/2014 year will be on Saturday April 12th starting at 9:30 am. Please look for the flyers in your mailbox that week. Thank you in advance to the residents of Balgonie for their amazing support.

WOW! Can't believe that our Scouting year is coming to a close so soon. April 29th will be the last night that everyone will be gathering for Scouting fun until September.

Yours in Scouting,

Darcie Lozinski

Firefighter's Prayer

When I am called to duty, God, wherever flames may rage, give me strength to save a life, whatever be its age. Help me embrace a little child before it is too late, or save an older person from the horror of that fate. Enable me to be alert, and hear the weakest shout, quickly and efficiently to put the fire out. I want to fill my calling, to give the best in me, to guard my friend and neighbor, and protect his property. And if according to YOUR will I must answer death's call, bless with your protecting hand, my family one and all.
