- Cats running at large may be impounded and fines issued to the pet owners.
- Keep your cat restrained if outside—pet run or tethered.
- Spay or neuter your pet.

RECREATION NEWS—By Shaun McBain

The soccer and ball seasons are well underway. The soccer tournament will be held on June 21 and 22 in Balgonie.

This is a reminder to the soccer parents who park their vehicles behind the out field fence at the Sportsground. We have a lot of ball teams who play out there most evenings and there have been numerous home run balls that are hit in the direction of the vehicles. Please do not park your vehicles there unless you want a broken windshield or dints in your car.

Ball Hockey is taking place in our arena almost every night. Check out a few games of this sport if you wish.

The Pool is scheduled to be open on Saturday, June 14, if all goes well. Stay tuned for more details.

Good luck to all ball teams heading into playoffs and Provincials!!

In an emergency who do we call....

911 of course!

When a person places a 911 call, the dispatcher will alert the ambulance to your location. And while the ambulance is on their way, the First Responders who live in your community, are also dispatched to you.

In big cities, emergency crews can get to the scene in a matter of minutes – a luxury that rural communities do not have. These areas – such as ours- rely on a different group of people to provide help while waiting for the ambulance to arrive. First Responders are volunteers who can mean the difference between life and death.

First Responders are trained volunteers in your community, who are on call all day, every-day, to respond to medical and trauma emergencies in your community. They provide life-saving medical services to you while waiting for the ambulance to arrive. It is not simply a matter of volunteering. First, a rigorous set of courses are required – CPR, assessments, oxygen therapy, spinal immobilization and special trauma courses. A critical part of the training is the assessment. When first arriving on the scene, the First Responder must assess the situation and make appropriate decisions.

So who are the First Responders? They are a group of dedicated, reliable, licensed volunteers that have taken the responsibility to provide you with care until the ambulance arrives. First Responders can make a huge difference in an emergency situation by providing life saving skills (CPR, controlling bleeding, providing oxygen, treating anaphylaxis, delivering babies, comforting patients and their families as well as many other medical and trauma emergencies). First responders are paramount in ensuring help is nearby.

Pre-school Storytime

If your child is registered for Kindergarten at BES this fall and does not attend the Balgonie Early Learning Center or the Balgonie Playschool, please join us for our LAST storytime of the year. (The Playschool and BELCI will be coming with their teachers)

We will be having lots of fun in June - visiting the kindergarten classroom, meeting one of the kindergarten teachers and doing some other spring activities. This is a great opportunity for your child to become comfortable in the school environment, meet some BES staff members, enjoy great books and participate in fun activities. These visits are important because they allow us to get to know your child better and plan for a smooth transition to the school setting.

Thank you for participating in our storytime program. We've had a great year with crafts, songs, games, stories, buddy activities and more!

Please call Mrs. Andrea Moroz at the Elementary School (771-2345) if you are interested in bringing your pre-school child(ren) to join in our last storytime of the year! I look forward to meeting all of our new kindergarten students

Monday, June 2nd - 11:00-11:45

RACHEL ASHLEY: "NO TIME FOR THAT" ANTI-BULLYING TOUR

Please join the staff and students at BES at 2:00 p.m. on Tuesday, June 3rd for an anti-bullying presentation by Rachel Ashley. Rachel started her "No Time for That" anti-bullying tour in November 2012 during her senior year of high school. The tour is funded by Rachel and her family. A victim of severe bullying herself, Rachel tells her stories and experiences, and performs songs that she has written, which all relate to bullying and how to overcome tough times. So far, this ambitious, inspirational girl has visited over 200 schools throughout the province and is spending this next year touring not only Manitoba, but Rachel is also bringing her effective presentation across Canada! She has been to 50 out-of-province schools now. Rachel hopes to share her message with as many people as possible to help prevent and stop bullying, because it needs to be stopped.
