REGULAR OFFICE HOURS

9:00 to noon and 1:00 p.m. to 5:00 p.m.
Monday, Tuesday, Wednesday, Thursday, and Friday.

ELECTRONIC PAYMENTS:

Taxes and utility bills may be paid electronically through your online banking website. The payments would be under Town of Balgonie Taxes and Town of Balgonie Utilities.

(Do not choose Balgonie Water—this payee is a previous business and is not connected with the Town of Balgonie.)

Please contact the Town office to obtain your account numbers.

Electronic payments for utilities and taxes are a convenient way to pay your bills, but they are not instantaneous. Please allow 2-3 business days before any due date so that your payment is received by our office before any penalties apply. The bank requires time to process the payment and advise the Town.

The receipts for electronic payments will be available for pickup or mailed or emailed upon request.

TOWN COUNCIL MEETINGS are open to the public. They are regularly scheduled on the 2nd and 4th Mondays of every month starting at 6:15 p.m. in the Council Chambers of the Balgonie Administration Building.

Council meetings in NOVEMBER are scheduled for NOVEMBER 10 and 24 , 2014.

Reminder to Balgonie Residents:

Vehicles are not to be parked on the street for more than 24 hours except weekends and holidays. If your vehicle is not used regularly, you must park it on your own property. All vehicles stored on your property must be licensed and in good repair. Storage of unlicensed and junked vehicles on your property are considered to be a “nuisance” by Town of Balgonie Bylaws.

SNOW REMOVAL:

As we are entering into the winter season, we need to be prepared for the SNOW which is likely to arrive. Our Town is fortunate to have great staff to clear our streets for us!! This time consuming job is made a lot easier when vehicles are moved off the streets for the graders to come through. As well, the Town Boulevard areas (the first 12-15 feet of each property) are where the snow is placed need to be free of vehicles and trailers.

The main streets are done first, followed by side streets and alleys are last. Depending on the severity of the storm and amount of snow, it may take a while for all streets to be cleared. We appreciate your patience and understanding. Thank you for treating our staff with respect.

Balgonie Town Council...

What's on the Table?

Westview Park:

Westview Park is still a high priority project. Council has initiated this project and is currently working toward engineered designs for the park. A big thank you to Plains Midstream Canada for their donation which has been reserved for the park. At this time, the land which is designated for the park is owned by the developer. When a servicing and development agreement is signed with the developer, the land will then be dedicated to the Town for a park space. At that point in time, the Town will have the ability to “break ground” on a park.

New Shop Space:

The Town of Balgonie has purchased the R.M. of Edenwold shop as they have moved into a new location. The added space will be very helpful for storage—we will then have the space to store all of the Town equipment indoors.

During our wind storm in August, damage did occur to this building. The R.M. is working with their insurance company to address the needed repairs prior to the Town’s occupancy of the building.

Lagoon Discharge Update:

The Town of Balgonie is currently conducting an emergency discharge from the lagoon to pump out the polishing cell. This cell is the final stage of the sewage treatment system which is normally used for irrigation on hay crops. Due to the excessive rain at the end of June and beginning of July and the regular precipitation throughout the summer, irrigation could not be conducted to the extent it normally is. This left the Town’s Lagoon with a high volume which needed to be addressed through discharge.

Discharge is monitored by the Water Security Agency and the Town has acquired a permit to do so. Application has been made to the Provincial Disaster Assistance Program to apply for funding the cost of this discharge.

Water & Sewer Bylaws:

Water and Sewer Rates and Water and Sewer Management bylaws are currently under review. The water transmission line from Pilot Butte is now complete and operational and the Town is purchasing water from Pilot Butte. Although the Town received a grant, Balgonie will be repaying on a debenture to cover its portion of the project. Town Council will be considering this expense, as well as, future lagoon expansion during this process.

ASK COUNCIL:

The Town of Balgonie Council is inviting residents to ask questions which you may have. Please send in your questions to Council at balgonienewsletter@sasktel.net. In upcoming newsletters, a space will be dedicated to answering your questions!!!

DINNER THEATRE PHONING COMMITTEE:

Our phoning committee for the Dinner Theatre has been working hard at calling for donations for our Annual Dinner Theatre. Many of you have been very supportive-- not only with food items but also with time and effort, and we want to thank you for that. The more food/items donated, the more revenue our event is able to generate back into our community. This revenue is needed dollars going back toward our swimming pool, sports grounds (including soccer grounds and ball diamonds), dance club, curling rink, and arena; facilities which your children, grandchildren, nieces, nephews and even yourself enjoy on a regular basis or from time to time. This revenue also goes to support our well needed and much deserved volunteer fire department and helps with the operating expenses of our Multiplex. So, please if you wish to donate, thank you! If not, please just say no thanks! Please put your name on your donation. We are still in need of waiters and waitresses, if interested please call me at 771-4343.

Our regular meetings are held on the 3rd Tuesday of the month our next meeting is November 18th, starting at 8:00 at the Balgonie Multiplex. New members are always welcome. If you are interested please call Darren Kiel (306-771-2778).

Please note that our December meeting will be held on the third Monday December 15th. This has been changed to avoid a conflict with the Balgonie Elementary School Christmas concert which is scheduled for Tuesday, December 16th.

1st Balgonie Guiding Unit

A big thank you goes out to the Balgonie Elks! Their generous donation to our club was greatly appreciated. With the money we were able to secure a location for spring camp, as well as purchase some supplies for our new unit such as flags for our groups, and some crests & pins for the girls.

Our unit went on our first cookie drive on Saturday, October 18th. Thanks to the communities of Balgonie, White City, Pilot Butte and Edenwold for supporting the cookie sales! The money raised from the cookie sale helps our group purchase supplies, craft & project materials, badges, and fees for fun activities and events that the girls can participate in. The cookie drive also teaches the girls about our neighbourhoods, neighbourhood safety, manners, money handling, and an appreciation of earning money through hard work. It is also a very fun event that the girls look forward to – they are so excited to sell cookies to their friends, families, and neighbours! Thanks to all the people who purchased cookies from our girls! It was great to see such support for our Guiding Unit.

Buffalo Plains December Charge Tournament

Buffalo Plains Ringette Association is again hosting the **Buffalo Plains December Charge, December 5, 6, and 7, 2014** in White City, Pilot Butte, and Balgonie. This event is organized by parents and volunteers with proceeds going to the association and the Buffalo Plains teams which consist of players from White City, Pilot Butte, Balgonie, and surrounding areas. The tournament is an opportunity for our players to meet other young players from our community, neighboring communities, and other provinces.

We are asking local businesses for their support of the event through sponsorship. Each game will have one sponsor whose support will be announced during the game and also in the tournament program. A standard donation of **\$150** is being accepted for this advertising and a tax receipt will be provided. Please provide a business card if available or an advertisement through email. The advertisement may include coupons from your business for the teams to use during the tournament weekend. Other monetary donations are also welcome. We will also be happy to receive **gifts for raffle prizes** and will acknowledge these in the tournament program.

If your business is interested in this opportunity or require more information please contact Colleen Aitken (see contact information below) by November 20.

On behalf of the Buffalo Plains Ringette Association and the December Charge committee, we would like to thank you for your consideration and support of minor sports in your community.

Regards,
Toby Hess

It has been said that the secret of a long life, is "Job Satisfaction" whether that is true or not is debatable. I can't help but think however that our world would be far more satisfied if we approached things from Jesus' perspective which says we can choose to love, serve others, go further and give our best. Doing this would see among other things the divorce rate decline and broken families restored. I believe Mother Teresa was right when she said **"most of us will never do great things, but we can do small things in a great way."**

What will you chose to do with the opportunities that God gives you is up to you to be kind, loving and giving?
