# From the Town

## REGULAR OFFICE HOURS

9:00 to noon and 1:00 p.m. to 5:00 p.m.

Monday, Tuesday, Wednesday, Thursday, and Friday.

**The Town Office will close at noon on December 24th and will be closed on December 25th, December 26th and January 1st.**

## ELECTRONIC PAYMENTS:

Taxes and utility bills may be paid electronically through your online banking website. The payments would be under Town of Balgonie Taxes and Town of Balgonie Utilities.

(Do not choose Balgonie Water—this payee is a previous business and is not connected with the Town of Balgonie.)

Please contact the Town office to obtain your account numbers.

Electronic payments for utilities and taxes are a convenient way to pay your bills, but they are not instantaneous. Please allow 2-3 business days before any due date so that your payment is received by our office before any penalties apply. The bank requires time to process the payment and advise the Town.

**The receipts for electronic payments will be available for pickup or mailed or emailed upon request.**

**TOWN COUNCIL MEETINGS** are open to the public. They are regularly scheduled on the 2nd and 4th Mondays of every month starting at 6:15 p.m. in the Council Chambers of the Balgonie Administration Building.

The **Council meeting is scheduled for December 8 , 2014.**

## **Reminder to Balgonie Residents:**

Vehicles are not to be parked on the street for more than 24 hours except weekends and holidays. If your vehicle is not used regularly, you must park it on your own property. All vehicles stored on your property must be licensed and in good repair. Storage of unlicensed and junked vehicles on your property are considered to be a “nuisance” by Town of Balgonie Bylaws.

## **SNOW REMOVAL:**

As we are entering into the winter season, we need to be prepared for the SNOW which is likely to arrive. Our Town is fortunate to have great staff to clear our streets for us!! This time consuming job is made a lot easier when vehicles are moved off the streets for the graders to come through. As well, the Town Boulevard areas (the first 12-15 feet of each property) are where the snow is placed need to be free of vehicles and trailers.

The main streets are done first, followed by side streets and alleys are last. Depending on the severity of the storm and amount of snow, it may take a while for all streets to be cleared. We appreciate your patience and understanding. Thank you for treating our staff with respect.

# Balgonie Town Council...

## What's on the Table?

### The Regina Bypass Project—Balgonie

Regina Bypass Project include a portion of some improvements from the 46 Highway to Highway 1. The current plan for Balgonie is to alter the intersection between Highway 46 and Highway 1. This intersection is designed to eliminate the need for crossing Highway 1. In addition, the Main Street access is planned to be closed. It is important that level crossings be removed due to traffic safety. However, this closure will have economic, access and safety implications for Balgonie. Town Council has been working to persuade the Department of Highways to keep the right-in/right-out access at Main Street.

### *Westview Stage 7*

Paving has now been completed for this stage. However there are some drainage repairs to be scheduled in the spring. The pavement is making travel so much better for the area residents and local traffic.

### *Lagoon Update*

The Town of Balgonie has completed the emergency discharge from the lagoon. Due to the excessive rain at the end of June and beginning of July and the regular precipitation throughout the summer, irrigation could not be conducted to the extent it normally is. This left the Town's Lagoon with a high volume which needed to be addressed through dewatering the polishing cell.

### *Water and Sewer Bylaws*

The following Bylaws were passed at the Council Meeting on November 10, 2014 :

Bylaws 375/2014—A Bylaw to Regulate and Control the Use And Consumption of Water From the Municipality's Waterworks System And Controlling And Regulating the Discharge of Sewage Into the Municipality's Sewage System and Control of Sump Pit and Surface Discharge of Water

376/2014 —A Bylaw to Fix the Rates To Be Charged For the Use And Consumption Of Water And to Fix The Rates To Be Charged By Way Of Rent Or Service Charge For The Use Of Sewer

As costs have increased to the Town in providing the Water and Sewer Utilities, the utility bills have increased as well. A letter outlining the increases will be in the mail boxes of Balgonie residents, businesses and services. They will take effect in the New Year.

#### **ASK COUNCIL:**

*The Town of Balgonie Council is inviting residents to ask questions which you may have. Please send in your questions to Council at [balgonienewsletter@sasktel.net](mailto:balgonienewsletter@sasktel.net). In upcoming newsletters, a space will be dedicated to answering your questions!!!*

### *The Balgonie Newcomer Gateway Advisory Committee*

would like to let all residents of Balgonie and surrounding area know of a new program that helps welcome newcomers in to our community.

The Advisory Committee is an extension of the Newcomer Welcome Center located in Regina and will work to put people in touch with a variety of support resources and services to help families and individuals get settled.

If you would like more information on this program or know of a "Newcomer" to the community, please contact:

### Reminder to Balgonie Residents

Snow from private property should not be pushed onto the streets. Please pile it on your property.

Property owners are responsible to arrange for the snow to be removed from their own property. The designated snow dumping site for Balgonie properties is on the West side of Westview Dr. North. (West of Stage 7 subdivision)

## Notice to the Public TOWN OF BALGONIE

Pursuant to *The Municipalities Act*, public notice is hereby given that the Town of Balgonie intends to restructure by adding the following lands from the Rural Municipality of Edenwold No. 158.

The lands to be added to the Town of Balgonie are portions of the South West Quarter Section 4, Township 18, Range 17; Section 33, Township 17, Range 17 and North West Quarter Section 34, Township 17, Range 17 all West of the Second Meridian as shown on the sketch below.

The reasons for the proposal are:

- Provide additional land in the town to allow for additional commercial and residential development and open space development.
- Land annexed south of the Canadian Pacific Railway (CPR) will be easier and more economical to service than land north of the CPR.

A public meeting will be held on December 3, 2014 at 7:00 p.m. in Council Chambers, Balgonie Administration Building to discuss the proposal.

Any persons who wish to object to the proposed restructuring may file a written objection, stating clearly their reason for their opposition, with the administrator of the Town of Balgonie at the address below:

Town of Balgonie, Box 310, Balgonie, Saskatchewan, S0G 0E0

A written notice of objection must be received by the administrator by Wednesday, November 12, 2014.

The complete proposal may be viewed at the Town of Balgonie office between 9:00 A.M. - Noon and 1:00 P.M. - 5:00 P.M. Monday to Friday (excluding holidays).

Dated at the Town of Balgonie, Saskatchewan, this 10th day of October, 2014.  
Valerie Hubbard, Administrator

## Get Ahead of the Winter Freeze

It's not too early to begin preparing for the heating season. Check these 10 tips off your list and get ahead of the winter freeze.

- Our **furnace has been inspected and serviced** by a qualified professional during the last 12 months. *(A furnace should be serviced at least once a year.)*
- Our **chimneys and vents have been cleaned and inspected** by a qualified professional. I have checked for creosote built-up. *(Not cleaning your chimney is the leading cause of chimney fires from built up creosote. This service needs to be done at least once a year.)*
- Our wood for our fireplace or wood stove is **dry, seasoned wood**.
- Our **fireplace screen is metal or heat-tempered glass**, in good condition and secure in its position in front of the fireplace.
- We have a **covered metal container** ready to use to dispose cooled ashes. *(The ash container should be kept at least 10 feet from the home and any nearby buildings.)*
- Our children know to stay at least **3 feet away** from the fireplace, wood/pellet stove, oil stove or other space heaters.
- Our portable space heaters have an **automatic shut-off**.
- Our portable space heaters will be **plugged directly into an outlet** *(not an extension cord)* and placed at least three feet from anything that can burn; like bedding, paper, walls, and even people. *(Place notes throughout your home to remind you to turn off portable heaters when you leave a room or go to bed.)*
- We have **tested our smoke alarms** and made sure they are working. *(You need smoke alarms on every level of the home, inside each sleeping room and outside each separate sleeping area. For the best protection, the smoke alarms should be interconnected so when one sounds, they all sound.)*
- We have **tested our carbon monoxide alarms** and made sure they are working. *(Carbon monoxide alarms should be located outside each sleeping area and on every level of the home.)*

## Recreation News— By Shaun McBain

Well, we are almost through November and the snow seems to be here to stay. It was bound to come sooner than later!!

Can you believe it? - The 27th Annual Dinner Theater has come to an end. A big thank you goes out to all the countless hours of people volunteering and donating food items. Without all of you wonderful folks, this major fundraiser for our community would not be such a success. THANK YOU!!!! A special mention to the leaders of the kitchen staff and bar staff and all of their helpers for a job well done!! **GREAT WORK!**

Another special thank you goes out to Tumbleweed Theatre for their countless hours of rehearsing and total dedication to theatre. Without all of you people, this type of event would not be able to take place in our community.

The final numbers are still being tallied with a few outstanding bills to pay. A total amount will be issued in the next Talk of the Town.

# Bravo

Once again, hats off to all of the organizers and volunteers.

The outdoor rink will be opening soon if the temperature can stay below -10 for a period of time. Once again we ask that the users clear the snow with the scrapers provided. The Zamboni will do a hot flood once a week.

*Merry Christmas  
and a Happy New Year  
To you and your family from the

**Balgonie Elementary School**

Your child's learning doesn't need to stop when the bell rings. At Bricks 4 Kidz®, we believe it's important to tap into a child's potential by *encouraging their curiosity and creativity* in and out of the classroom. Our fun-filled model plans designed by engineers and architects, teach children to learn with LEGO® Bricks. Our theme based project kits motivate children by reinforcing STEM-based principles while *enhancing self-esteem, improving fine-motor skills*, and teaching important classroom lessons such as *organization and following directions*.
