## Request Tree Trimming

We have tree trimming crews that work across the province. Their job is to take preventative action with trees that are growing too close to power lines.

You can request a SaskPower crew come to your home or business if you have branches touching or growing too close to the line. It's free and will keep you and your family safe.

### Make a Request

In Saskatchewan, trees cause approximately 1,000 power outages a year when they come in contact with power lines. Don't attempt to trim a tree yourself if it's near or in contact with a power line. Submit your tree trimming request online or call us at 1-888-757-6937 to report the situation.

Managing trees around power lines helps us provide safe and reliable electricity. A falling tree contacting a power line can:

- Cut off power to you and your neighbors' homes
- Start a fire and cause property damage
- Cut power to local businesses resulting in damage and financial loss

Put those in the area at risk for electrocution

Our first priority is to safely remove branches that are too close to a power line. If we are able to, we'll also take the branches away. Sometimes, an entire tree must come down. In that case, we're happy to work alongside the tree removal company you hire to keep everyone safe during the removal process.

### **Trimming and removing trees:**

**Before cutting down any trees, please note the following:**

- residents must receive permission from the town to remove any trees which are on "Town Property" .
- depending on your lot, the first number of metres from the curb, is considered Town Property.
- Elm trees must not be pruned between April 30th August 31st.
- SaskPower will trim trees in danger of coming into contact with power lines. You may submit a request for them to trim trees on line at [saskpower.com](http://saskpower.com) or by phoning them at 1-888-757-6937.

## **BALGONIE WATER**

*Balgonie has been receiving water from Pilot Butte through the water transmission line. As you may have noticed, the water is quite soft compared to the previous Town water source.*

*Some residents have inquired about whether or not a water softener is necessary. Each household will have to decide this for themselves based on their personal preference. The water hardness is .53 grains/gallon, so if you decide to continue to use your water softener, the amount of salt required would be minimal.*

*However, keep in mind that if at some time, our water supply changes, residents may again, want to have the ability to soften the water at their discretion.*

*If there are future changes in the chemistry of the water which Balgonie is distributing through the water distribution system, residential, water softening systems may, again, have to be adjusted.*

# Balgonie Elks Lodge #572

Our July 1st Family Fun Day Was a Great Success! Thanks to the many members of our community and surrounding communities for staying with us to Celebrate Canada Day. Our pancake breakfast was a great success. We fed over 375 people, had 52 entries in our parade, 40 entries in our scavenger hunts, and 9 teams in the bed derby. Lots of children were entertained by the Bricks 4 kids and the face painting, as well as the challenging games. Great food services and lots of friends visiting and enjoying a beverage or two in the beer gardens.

We Wish to thank the following who contributed to the success of the day:

Town of Balgonie and Staff, your supports and efforts are much appreciated and such an event in our community could not happened with out your involvement.

Balgonie Swimming Pool and Staff for the day of swimming.

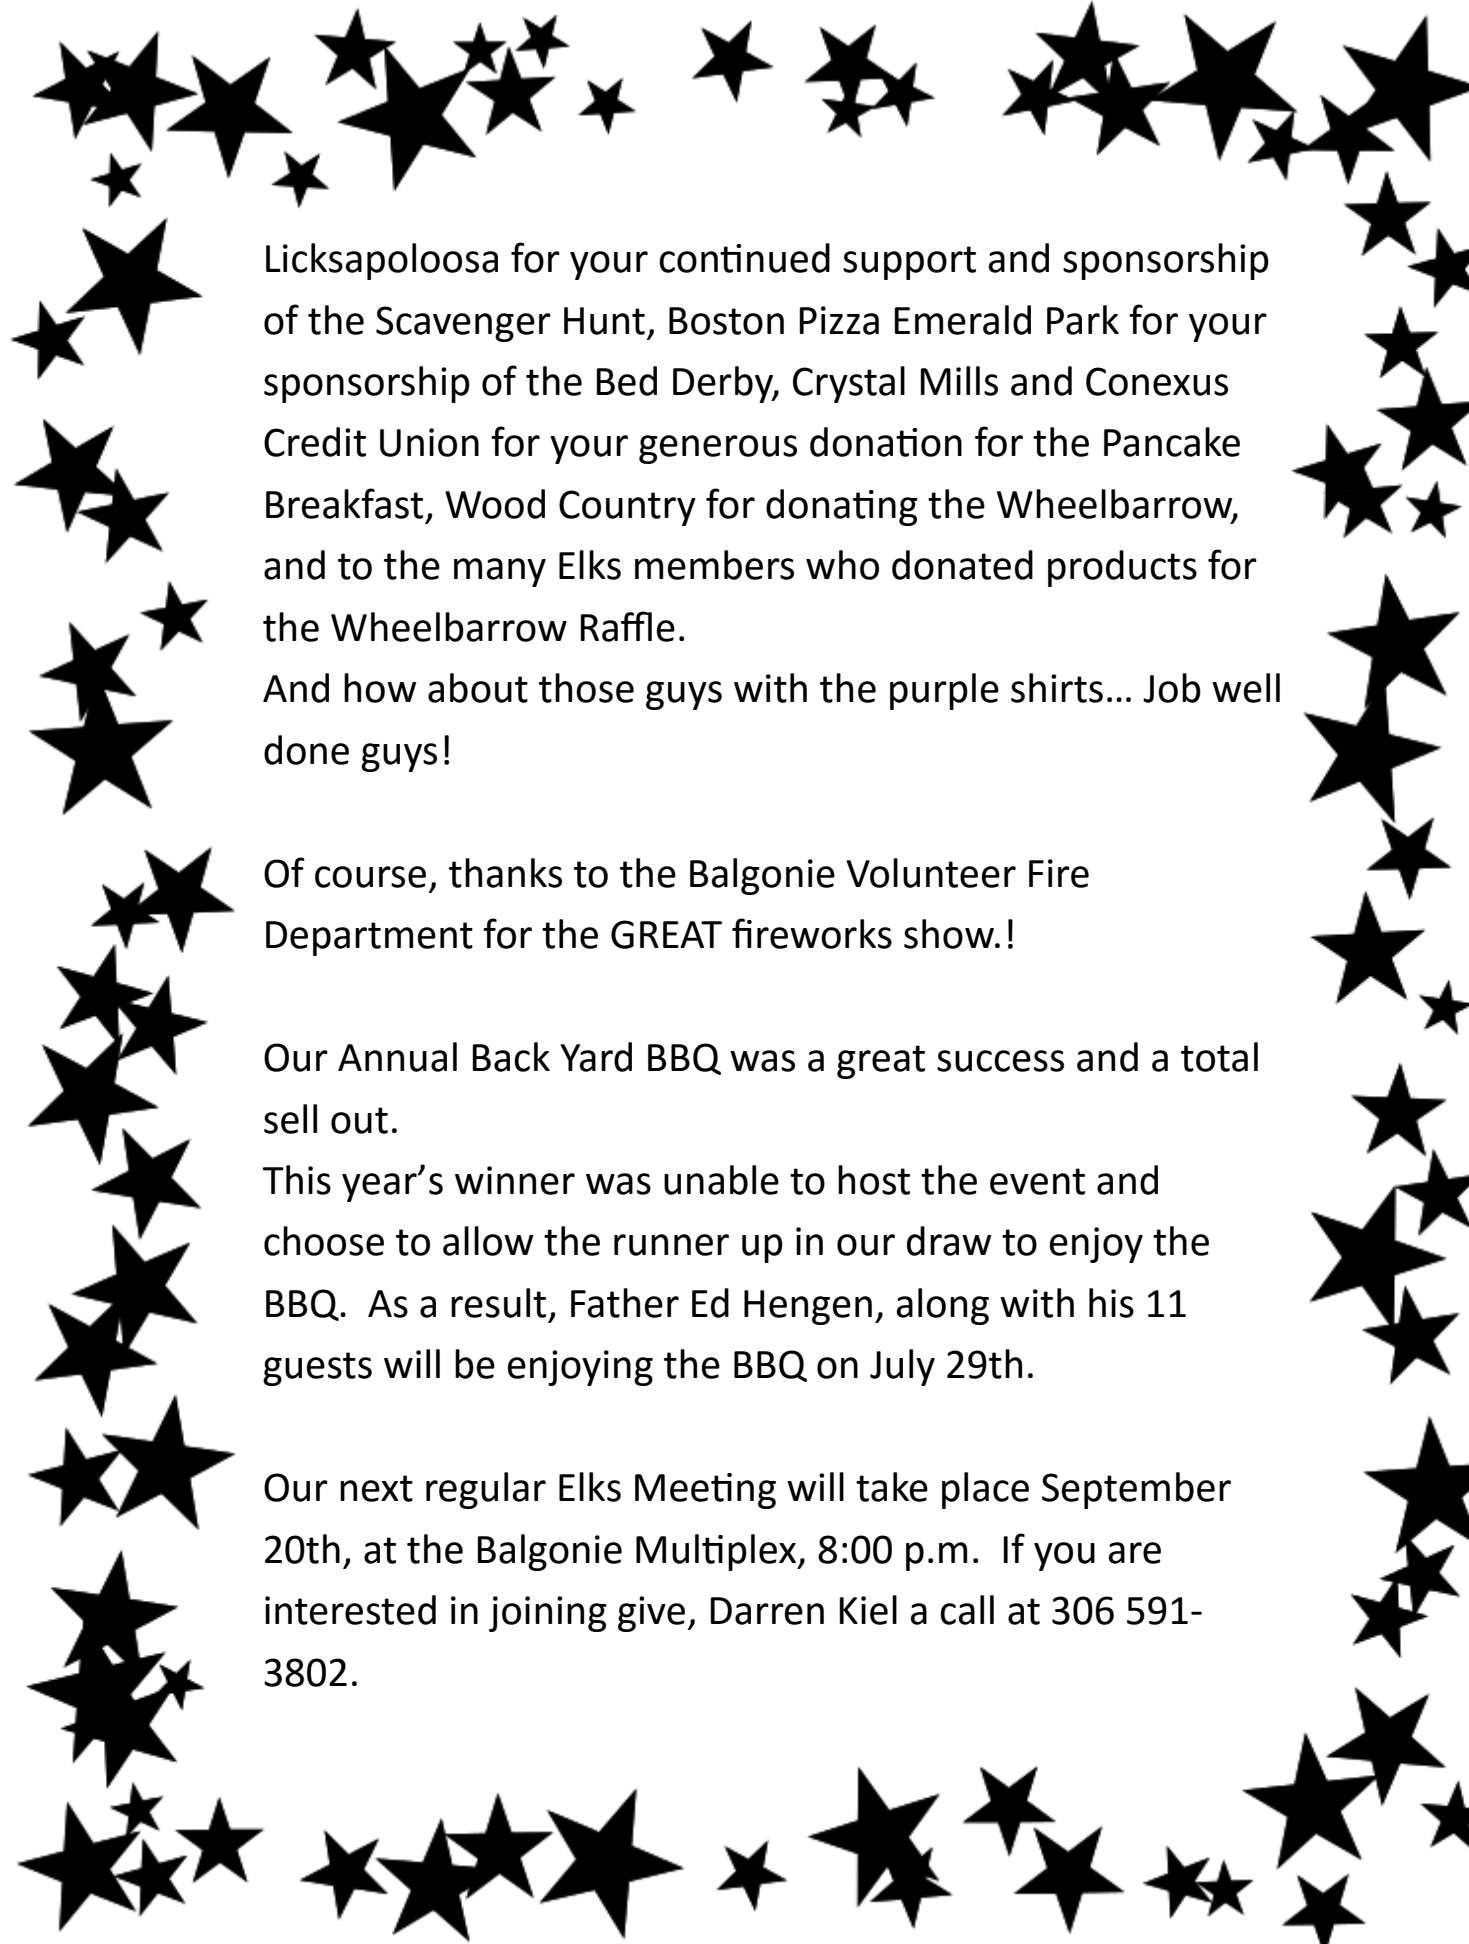

Our Three Food Vendors: Susan Stiefel, The Diner, and The Early Learning Center.

Susan Stiefel for the use of the tables in the beer gardens.

Kimberly Reynolds for organizing the face painting and children's games.

Loraas Disposal for the Portapotties.

Licksapoloosa for your continued support and sponsorship of the Scavenger Hunt, Boston Pizza Emerald Park for your sponsorship of the Bed Derby, Crystal Mills and Conexus Credit Union for your generous donation for the Pancake Breakfast, Wood Country for donating the Wheelbarrow, and to the many Elks members who donated products for the Wheelbarrow Raffle.

And how about those guys with the purple shirts... Job well done guys!

Of course, thanks to the Balgonie Volunteer Fire Department for the GREAT fireworks show.!

Our Annual Back Yard BBQ was a great success and a total sell out.

This year's winner was unable to host the event and choose to allow the runner up in our draw to enjoy the BBQ. As a result, Father Ed Hengen, along with his 11 guests will be enjoying the BBQ on July 29th.

Our next regular Elks Meeting will take place September 20th, at the Balgonie Multiplex, 8:00 p.m. If you are interested in joining give, Darren Kiel a call at 306 591-3802.
