## **Emerald Park IGA**

BES Bobcats shout out THANK YOU FOR THE FREE MILK TO HELP US LEARN to Mr. and Mrs. Zook at Emerald Park IG #igacalciumintheclassroom  
<http://west.iga.ca/stores/iga-emerald-park/>

The Zook's have coordinated the generous donation of numerous milk events at our school this fall. By the last day of school prior to the Christmas Break they will have donated 11 schoolwide milk treats to students and staff. These generous deliveries from IGA provided the BES Bobcats a milk per student and staff to help them learn and to build healthy bones FREE of charge.

The grand total for free milk generously provided to BES Bobcats in the Emerald Park IGA Calcium in the Classroom fall program will be 1147 litres (or approximately 253 gallons of milk!).

The BES Bobcats would like to thank Mr. and Mrs. Zook for their thoughtfulness, energy and generosity as this provision of milk to students and staff has helped encourage and reinforce healthy beverage choices and energized student learning these past weeks.

## **BES Annual Christmas Concert!**

Please mark December 20<sup>th</sup> on your calendar to attend our annual Christmas Concert! There will be two performances – a matinee at 1:00 p.m. and the evening performance at 7:00 p.m.

From then, till now...

This year, our Christmas concert, "A Christmas Time Machine" follows the journey of four kids who stumble upon a magical sleigh. The minute they step foot in the sleigh on Christmas Eve, they no longer are in 2016, but wake up in the 1940's! Rather than sleeping cozy in their beds this Christmas, they are transported back in time between the decades. Will they ever get to have a Christmas Eve in their own beds in the present day again?

## ***Working Together to Ensure Student Bus Loading Safety!***

The staff at BES are making sure that the **students** leaving for the day are safe! We are placing pylons out on the street as a visual reminder that the bus stop arms mean **STOP** in both directions on the street.

**Flashing Red lights and/or the Stop Arm on the busses means no travel in each direction. That is why we place pylons on the streets at days end for student safety during bus loading. Thank you Balgonie & Area drivers for stopping and waiting!**

# **Recreation News**

By Shaun McBain

Well, we are almost through November and with no significant amount of snow, winter driving has been nice!!

Can you believe it? - The 29th Annual Dinner Theater has come to an end. A big thank you goes out to all the countless hours of people volunteering and donating food items. Without all of you wonderful folks, this major fundraiser for our community would not be such a success. **THANK YOU!!!!!!** A special mention to the leaders of the kitchen staff and bar staff, and all of their helpers for a job well done!! **GREAT WORK!**

Another special thank you goes out to Tumbleweed Theatre for their countless hours of rehearsing and total dedication to theatre. Without all of you people, this type of event would not be able to take place in our community.

The final numbers are still being tallied with a few outstanding bills to pay. A total amount will be issued in the next Talk of the Town.

**Once again, hats off to all of the organizers and volunteers.**

The outdoor rink will hopefully be opening soon if the temperature can stay below -10 for a period of time. Once again we ask that the users clear the snow with the scrapers provided. The Zamboni will do a hot flood once a week.

**REMINDER:** Garbage and Recycling Carts are to be put out on the street at 7am, and brought in after garbage or recycling collection is complete. If carts are damaged before or after these hours, homeowners are responsible for the charges.

## **SNOW REMOVAL:**

**It is important that our graders have access to the entire street after a snow fall. Vehicles can only be parked on the street for 24 hours. It is also illegal to park an unlicensed vehicle on the street.**

**After a snowfall, please remove your vehicle from the street, until your street has been cleared. Letters will be sent to residences who are not removing vehicles in a timely fashion.**

**Your co-operation in this matter is appreciated by the Town and the neighbours on your street.**

**Please remind youngsters to stay clear of Town snow equipment—It's hard to see and hear while operating this large and noisy equipment. We do not want to see anyone get injured.**

**Our Town Staff work especially hard to keep Balgonie streets clear after a snowfall. At times, snow ridges will be left at the end of your driveway by the grader.**

**During heavier snowfalls, these may be larger than other times. Your help in clearing these ridges is appreciated. We are also giving some of our newer employees opportunities to learn all of the equipment in town. It will take some practice for them to master the routes and equipment. Your patience is appreciated while these operators are learning.**

**Most often the snow will be cleared within 2 days of a snowfall, however weather conditions and garbage/recycling pickup days may delay this. That being said, residential streets and bays will be cleared as soon as possible. Our town is very fortunate to have such prompt snow service!!! Some residential areas in other municipalities may only see a grader once or twice during the winter season.**

***A BIG THANK YOU to those people who help out their neighbours with their snow removal and assist those who need an extra bit of help. It is wonderful to see so many helpful citizens.***

## Balgonie Elks Lodge # 572

As a member of the Elks of Canada we are actively involved with charitable activities - on local, provincial and national levels. We take great pride in helping children, and we support programs related to hearing and speech.

We are pleased to announce that our lodge will be donating \$1500 to purchase an Audiometer for the Prairie Valley School Division Student Services Program. The Audiometer although very portable will be based out of the Balgonie Elementary School and use by the Speech and Language Pathologist. The Audiometer will be used to provide hearing screening which will give evidence whether or not a student's hearing meets a minimum threshold necessary for hearing and speech in the classroom.

### **Other Lodge activities:**

Planning is underway for our 2017 Family Fun Canada Day Celebrations and Canada's 150th birthday. Our annual Curling Fun night is will be held on Jan. 21 at 7:00 p.m. If you are interested please call Leland (306-540-8895 or [Balgonie.elks@gmail.com](mailto:Balgonie.elks@gmail.com)).
