Crime Prevention

There has been some vandalism to properties around town. Please make sure that if you receive damage to your property or see the vandalism happening, please contact the White Butte RCMP at 306-781-5050.

The Town of Balgonie is looking for some feedback on our Talk of the Town monthly newsletter.

How many residents still enjoy their monthly newsletter delivered with their mail?

How many prefer to read the newsletter online, on our Town of Balgonie website?

How many would prefer to pick up a copy at the Town of Balgonie town office, the store and other local businesses?

Due to the increasing production costs of the newsletter, we are looking at how our residents read the newsletter and how to better serve our community.

Please let us know by email townofbalgonie@sasktel.net or phone 306-771-2284

Did you know the town has a new Facebook page?

Tips to reduce your household waste and reduce impact on Landfills:

REDUCE:

- ◆ Purchase items with less packaging and excess cardboard and plastic.
- ◆ Use reusable items rather than disposable—cloth grocery bags, cloth napkins, cloth diapers.
- ◆ “Pre-cycle” as much as you can—reduce household waste by attempting to avoid bringing in items which generate waste into home or business.
- ◆ Purchase items in packaging made from recycled materials.
- ◆ Purchase consumables in bulk to reduce packaging.
- ◆ Purchase the amount that you need, you won’t have leftover things to throw away by leaving the excess at the store and in your pocketbook.
- ◆ Buy long life or concentrated versions of products. This saves on packaging and product.
- ◆ Sign up for electronic bills, catalogues, newspapers and magazines.
- ◆ Buy quality items rather than ones that will break or be unusable and end up in the landfill.
- ◆ Compact and reduce the size of the items you are going to throw away in the trash.

REUSE:

- ◆ Repurpose old items, research a new and creative way to repurpose and old items.
- ◆ Paint, fix, repair or mend items instead of throwing items away.
- ◆ Sell used items on Used Regina, Used Facebook sites, consignment stores or through local contacts.
- ◆ Have a garage sale.
- ◆ Donate clothing, furniture and other items to charities: Habitat for Humanity Re-Store, Salvation Army, Community Living, Diabetes Foundation, Open Door Society and there are many others.

RECYCLE:

- ◆ These items can be taken to a Sarcen depot for recycling. Check out www.sarcen.ca
- ◆ Electronics
- ◆ Paint
- ◆ Deposit containers (empty and lids removed off pop/water bottles, pop cans, juice boxes)
- ◆ Milk jugs and cartons

Checkout www.saskwastereductions.ca for businesses that accept items to recycle. These range from batteries, cellphones, to paint and tires. Best Buy, Future Shop, London Drugs and Staples accept used electronics and toner cartridges.

Crown Shred will recycle glass at a charge of \$5 per box.

The Town of Balgonie has a used oil recycling depot, it is available at the town shop during business hours.

BALGONIE CURBSIDE RECYCLING CONTAINERS

REMEMBER CHECK THE RECYCLING LIST!!!

Many residents are recycling and reducing the amount of household waste that goes to the landfill. We can even do better by making sure everyone in the household is checking labels before tossing items into the trash.

Things that can go into your blue curbside recycling carts in Balgonie.

- Styrofoam or other foam packing materials can Now be Recycled
- **Cardboard and Paper:** Cardboard and paperboard such as empty laundry detergent boxes, cereal boxes, tissue boxes, shoe boxes, chocolate boxes, paper and cardboard packaging from Christmas gifts, newspapers, flyers, inserts, junk mail and envelopes, magazines, catalogues, telephone books, paperback books, hardcover books with spines removed, paper bags, toilet paper and paper towel cores, gift and packing paper, paper egg cartons, copier paper, and NCR paper (No carbon required).
- **Aluminum & Tin:** Soft drink and beer cans, foil trays and pie plates, and household tin cans. These items should be rinsed before placing in recycling bin.
- **Plastic:** Containers with logo 1-7, plastic bags, plastic drink bottles and plastic wrap. This would include things like: packaging from toys and electronics, lids from milk jugs and soda bottles, shampoo bottles, hairspray, lotion, cleaning bottles, empty salad dressing bottles, mayonnaise bottles.
- **Aseptic Packaging and Cartons:** Juice and milk cartons, milk jugs, tetrapak containers, pouches.
