TOWN OF BALGONIE – MAYOR THAUBERGER’S FIRE WEEK PROCLAMATION

WHEREAS, the Town of Balgonie is committed to ensuring the safety and security of all those living in and visiting Balgonie; and

WHEREAS, fire is a serious public safety concern both locally and nationally, and homes are the locations where people are at greatest risk from fire; and

WHEREAS, home fires killed 2,755 people in the United States in 2013, according to the National Fire Protection Association (NFPA), and fire departments in the United States responded to 369,500 home fires; and

WHEREAS, working smoke alarms cut the risk of dying in reported home fires in half; and

WHEREAS, three out of five home fire deaths result from fires in properties without working smoke alarms; and

WHEREAS, in one-fifth of all homes with smoke alarms, none were working; and

WHEREAS, when smoke alarms should have operated but did not do so it was usually because batteries were missing, disconnected, or dead; and

WHEREAS, half of home fire deaths result from fires reported at night between 11 p.m. and 7 a.m. when most people are asleep; and

WHEREAS, Balgonie’s residents should install smoke alarms in every sleeping room, outside each separate sleeping area, and on every level of the home; and

WHEREAS, Balgonie’s residents should install smoke alarms and alert devices that meet the needs of people who are deaf or hard of hearing; and

WHEREAS, Balgonie’s residents who have planned and practiced a home fire escape plan are more prepared and will therefore be more likely to survive a fire; and

WHEREAS, Balgonie’s first responders are dedicated to reducing the occurrence of home fires and home fire injuries through prevention and protection education; and

WHEREAS, Balgonie’s residents are responsive to public education measures and are able to take personal steps to increase their safety from fire, especially in their homes; and

WHEREAS, the 2015 Fire Prevention Week theme, “Hear the Beep Where You Sleep. Every Bedroom Needs a Working Smoke Alarm!” effectively serves to remind us that we need working smoke alarms to give us the time to get out safely.

THEREFORE, I, Frank Thauberger, Mayor of Balgonie do hereby proclaim October 4-10, 2015, as Fire Prevention Week throughout Balgonie, and I urge all the people of Balgonie to install smoke alarms in every bedroom, outside each sleeping area, and on every level of the home, including the basement and to support the many public safety activities and efforts of Balgonie’s fire and emergency services during Fire Prevention Week 2015.

With our growing numbers, we are in need of Leaders. So, if you are registering your child please consider becoming a Leader. Training is free & online. We do require a clean Criminal Record & Vulnerable Sector check, as well as an interview with our Group Commissioner. If you are interested, please mention it to us at the registration night.

The start of the Scouting year always comes the smell of popcorn. Yes, the delicious, mouth-watering Trails-End Popcorn Fundraiser will be underway shortly!! Please support our Beavers, Cubs or Scouts if they happen to knock on your door looking for a sale. You can also contact any of the Leaders or Committee Members & they will be happy to help you. This is our major fundraiser for the year. The funds raised helps up with crafts, badges, camps, trips, etc. We appreciate your support!

We are also going to be holding our first **Bottle Drive of the year *Saturday, September 19th at 9:30am.*** Be on the lookout for further information in your mail boxes that week. The Town of Balgonie has always been good to us with our bottle drives & we are deeply appreciative of your continuing support.

If you have any questions, please do not hesitate to call Darcie at 306-771-4648.

Learn to Skate Program

Is in need of more helpers to make the program successful.
Last year was a huge success and I hope to keep that going.

Looking for kids aged 11 and older with skating experience that can help.

Also, looking for an adult that could instruct a group.

(Lesson plans are done for you)

What Will Your Children Learn?

SPEECH WORK

Exercises include: Projection - training the children how to breathe and use the full power in their young voices. Jaw, lip and tongue exercises are used to develop good articulation. Resonance exercises help with the tone and richness of their voices. Expression exercises bring life and vitality to speech.

MOVEMENT AND IMPROVISATION

Children are taught how to use their bodies as an expressive tool, using music, through mime and creative movement. Through the Helen O'Grady method, children are able to take on a character, role-play and make up their own lines in a creative way, and learn how to sustain their language development, allowing multiple sentence flow. At the end of the day this training helps children to become articulate and expressive public speakers.
